DEPARTMENT OF EDUCATION

Applications for New Awards; Alaska Native Education Program; Amendments

AGENCY: Office of Elementary and Secondary Education, Department of Education.

ACTION: Notice; amendments.

SUMMARY: On January 12, 2022, we published in the **Federal Register** a notice inviting applications (NIA) for new awards for fiscal year (FY) 2022 for the Alaska Native Education (ANE) program, Assistance Listing Number (ALN) 84.356A. Since that time, Congress passed, and the President signed, the Consolidated Appropriations Act, 2022 (the Act), which provides funding for the awards under this competition. We are amending the NIA to provide, consistent with the Act, that the administrative cost cap in section 6205(b) of the Elementary and Secondary Education Act of 1965 (ESEA) applies only to direct administrative costs for grants awarded using FY 2022 appropriations and to clarify that funds may be used for construction. This notice relates to the approved information collection under OMB control number 1894-0006.

DATES: Deadline for Transmittal of Applications: April 26, 2022.

FOR FURTHER INFORMATION CONTACT:

Almita Reed, U.S. Department of Education, 400 Maryland Avenue SW, Room 3E222, Washington, DC 20202. Telephone: (202) 260-1979. Email: OESE.ASKANEP@ed.gov.

If you use a telecommunications device for the deaf (TDD) or a text telephone (TTY), call the Federal Relay Service, toll free, at 1-800-877-8339.

SUPPLEMENTARY INFORMATION: On January 12, 2022, we published in the **Federal Register** the NIA for FY 2022 for the ANE program (87 FR 1732). The ANE NIA established a deadline date of March 14, 2022, for transmittal of applications. On March 2, 2022, we published a notice in the **Federal Register** (87 FR 11698) extending the application deadline date to April 26, 2022 (Extension Notice).

On March 15, 2022, Congress passed and the President signed the Act, which provides funding for the awards under this competition. The Act provides that the five percent limitation in section 6205(b) of the ESEA on the use of funds for administrative purposes applies only to direct administrative costs and that funds may be used for construction. Accordingly, we are amending the NIA to notify prospective applicants that no more than five percent of funds awarded for a FY 2022 grant under this program may be used for direct administrative costs. We are also amending the NIA to clarify that funds may be used for construction. All other requirements and conditions stated in the NIA, as amended by the Extension Notice, remain the same.

Amendments:

In FR Doc. No. 2022-00411, appearing on page 1732 of the **Federal Register** of January 12, 2022, we make the following amendments:

1. On page 1733, in the left column, in the section titled "Absolute Priority", remove the note after "2. Collects data to assist in the evaluation of the programs carried out under the ANE program." and add in its place:

Note: The use of FY 2022 funds for the purpose of construction is a permissible activity as authorized by Congress.

2. On page 1735, in the left column, remove the text after the heading "4. Funding Restrictions:" and add in its place: No more than five percent of FY 2022 funds awarded for a grant under this program may be used for direct administrative costs (ESEA section 6205(b) and the Consolidated Appropriations Act, 2022 (the Act)). This five percent limit does not include indirect costs.

Note: In general, for purposes of this competition, the five percent limit on

administrative costs under ESEA section 6205(b) includes direct and indirect administrative costs. In the Act, however, Congress explicitly specified that, for FY 2022 funds, the administrative cost cap refers only to direct administrative costs.

We reference regulations outlining additional funding restrictions in the *Applicable Regulations* section of this notice.

Program Authority: Title VI, part C of the ESEA (20 U.S.C. 7541-7546); Consolidated Appropriations Act, 2022.

Accessible Format: On request to the contact person listed under **FOR FURTHER INFORMATION CONTACT**, individuals with disabilities can obtain this notice, the NIA, the Extension Notice, and a copy of the application package in an accessible format. The Department will provide the requestor with an accessible format that may include Rich Text Format (RTF) or text format (txt), a thumb drive, an MP3 file, braille, large print, audiotape, or compact disc, or other accessible format.

ELECTION ASSISTANCE COMMISSION

Sunshine Act Meetings

AGENCY: U.S. Election Assistance Commission.

ACTION: Notice of public meeting agenda.

SUMMARY: U.S. Election Assistance Commission Meeting to Vote on

Adoption of Voluntary Voting System Guidelines (VVSG) Lifecycle Policy 1.0.

DATES: Tuesday, April 5, 2022, 1 p.m.–2 p.m. Eastern.

ADDRESSES: Virtual via Zoom.

The official meeting is open to the public and will be livestreamed on the U.S. Election Assistance Commission YouTube Channel: <https://www.youtube.com/channel/UCpN6i0g2rIF4ITWhwvBwwZw>.

FOR FURTHER INFORMATION CONTACT:

Kristen Muthig, Telephone: (202) 897–9285, Email: kmuthig@eac.gov.

SUPPLEMENTARY INFORMATION:

Purpose: In accordance with the Government in the Sunshine Act (Sunshine Act), Public Law 94–409, as amended (5 U.S.C. 552b), the U.S. Election Assistance Commission (EAC) will conduct an official meeting on the Voluntary Voting System Guidelines (VVSG) Lifecycle Policy 1.0.

Agenda: The U.S. Election Assistance Commission (EAC) will hear a presentation about the Voluntary Voting System Guidelines (VVSG) Lifecycle Policy 1.0 from EAC Testing and Certification Program Director Jon Panek and will consider the VVSG Lifecycle Policy 1.0 for adoption. The meeting will also include an update on VVSG 2.0 implementation.

The full agenda will be posted in advance on the EAC website: <https://www.eac.gov>.

Background: The Federal Election Commission published the first two sets of federal standards in 1990 and 2002. The EAC then adopted Version 1.0 of the VVSG on December 13, 2005 and on March 31, 2015, the EAC Commissioners unanimously approved VVSG 1.1. On February 10, 2021, the EAC Commissioners unanimously approved the most recent iteration, VVSG 2.0.

Since the approval of VVSG 2.0, the EAC has worked on next steps and materials so these standards and requirements can be implemented, and new voting systems can be manufactured and tested to those standards. Part of those materials is the VVSG Lifecycle Policy 1.0.

The intent of the VVSG Lifecycle Policy 1.0 is to help facilitate migration to new VVSG standards by providing guidance on the types of version changes, Voting System Test Laboratory (VSTL) accreditation, deprecation of obsolete major standards, and establishing a periodic review timeline for new standards going forward. The policy defines changes that may be made to systems certified to deprecated standards and describes the process for

updating the standards as defined in the Help America Vote Act (HAVA).

A public comment period on the Lifecycle Policy was available from November 9 to December 7, 2021. The EAC also gathered feedback from its advisory boards in 2021.

Status: This meeting will be open to the public.

Amanda Joiner,

Acting General Counsel, U.S. Election Assistance Commission.
