[Docket No. AD20–11–000]

**Extension of Non-Statutory Deadlines; Supplemental Notice**

In response to emergency conditions caused by Novel Coronavirus Disease (COVID–19), on May 8, 2020, the Secretary first waived the Commission's regulations that require that filings with the Commission be notarized or supported by sworn declarations.<sup>1</sup> On December 8, 2021, the Secretary extended this waiver through March 31, 2022.<sup>2</sup>

Many companies and individuals have continued to return to their workplaces since issuance of the December 2021 Notice, and we expect more will do so in the coming months. Further, the Secretary noted in the December 2021 Notice that the Commission did not "anticipate issuing any further blanket extensions discussed herein after March 31,

<sup>1</sup> See, e.g., 18 CFR 45.7 (2021) (requiring application for authority to hold interlocking positions to be verified under oath).

2022."<sup>3</sup> In light of improving conditions nationally, the Secretary provides this notice that the Commission will not extend the blanket waivers discussed herein after March 31, 2022. Beginning April 1, 2022, the Commission expects that entities will comply in the ordinary course with requirements in the Commission's regulations that filings be notarized or supported by sworn declarations.

The Commission recognizes that there could be certain circumstances that may warrant entity-specific waivers of these obligations after March 31, 2022. This notice reminds entities that if they believe that specific circumstances warrant continued relief from the requirements addressed herein after March 31, 2022, they may request a case-specific waiver. Such requests will be addressed at that time.

Dated: March 18, 2022.
