

assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: Part D Discretionary Grant Application—Individuals with Disabilities Education Act (1894–0001).

OMB Control Number: 1820–0028.

Type of Review: Extension without change of a currently approved collection.

Respondents/Affected Public: State, Local, and Tribal Governments.

Total Estimated Number of Annual Responses: 800.

Total Estimated Number of Annual Burden Hours: 21,200.

Abstract: The collection of information (Part D Discretionary Grant Application—Individuals with Disabilities Education Act) is necessary to ensure that potential applicants provide the information necessary for the Department of Education to ascertain the eligibility of the applicant and determine the programmatic responsiveness and technical quality of the application. Under the Individuals with Disabilities Education Act discretionary grants are authorized to support technology, State personnel development, personnel preparation, parent training and information, and technical assistance activities. In making competitive grant awards under this collection, applicants shall use the SF–424 series and those forms and instructions prescribed by the Secretary. The Individuals with Disabilities Education Act, which provides the programmatic authority for this collection, requires that grant awards under these programs be made through competition.

This collection is being submitted under the Streamlined Clearance Process for Discretionary Grant Information Collections (1894–0001). Therefore, the 30-day public comment period notice will be the only public comment notice published for this information collection.
