**Agency Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request; Foreign-Trade Zone Applications**

The Department of Commerce will submit the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995, on or after the date of publication of this notice. We invite the general public and other Federal agencies to

comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. Public comments were previously requested via the **Federal Register** on December 21, 2021, during a 60-day comment period. This notice allows for an additional 30 days for public comments.

*Agency:* International Trade Administration, Commerce.

*Title:* Foreign-Trade Zone Applications.

*OMB Control Number:* 0625-0139.

*Form Number(s):* None.

*Type of Request:* Regular submission, extension of a current information collection.

*Number of Respondents:* 288.

*Average Hours per Response:* 3.5 to 131 hours.

*Burden Hours:* 2,521 hours.

*Needs and Uses:* The Foreign-Trade Zone Application is the vehicle by which individual firms or organizations apply for foreign-trade zone (FTZ) status, for subzone status, production authority, or for expansion/reorganization of an existing zone. The FTZ Act and Regulations require that an application with a description of the proposed project be made to the FTZ Board (19 U.S.C. 81b and 81f; 15 CFR 400.24.26) before a license can be issued or a zone can be expanded. The Act and the Regulations require that applications contain detailed information on facilities, financing, operational plans, proposed production operations, need and economic impact. Production activity in zones or subzones can involve issues related to domestic industry and trade policy impact. Such applications must include specific information on the customs tariff-related savings that result from zone procedures and the economic consequences of permitting such savings. The FTZ Board needs complete and accurate information on the proposed operation and its economic effects because the Act and Regulations authorize the Board to restrict or prohibit operations that are detrimental to the public interest.

*Affected Public:* State, local, or tribal governments or not-for-profit institutions which are FTZ grantees, as well as private companies.

*Frequency:* As necessary to receive benefits.

*Respondent's Obligation:* Mandatory.
