

- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Evaluate whether and, if so, how the quality, utility, and clarity of the information to be collected can be enhanced; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

### Overview of This Information Collection

1. *Type of Information Collection* (check justification or form 83): Revision of a Currently Approved Collection.

2. *The Title of the Form/Collection:* Records of Acquisition and Disposition, Collectors of Firearms.

3. *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* Form number (if applicable): None.

*Component:* Bureau of Alcohol, Tobacco, Firearms and Explosives, U.S. Department of Justice.

4. *Affected public who will be asked or required to respond, as well as a brief abstract:*

*Primary:* Business or other for-profit.  
*Other (if applicable):* Individuals or households.

*Abstract:* The recordkeeping requirement for this collection allows Bureau of Alcohol, Tobacco, Firearms and Explosives personnel to inquire about firearms acquisition and disposition (A&D) records, during the course of criminal investigations or government compliance inspections.

5. *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* An estimated 114,001 respondents will prepare records for this collection once annually, and it will take each respondent approximately 3.05 hours to complete their responses.

6. *An estimate of the total public burden (in hours) associated with the collection:* The estimated annual public burden associated with this collection is 347,703 hours, which is equal to 114,001 (total respondents) \* 1 (# of response per respondent) \* 3.05 hours (the total time taken to prepare each response).

7. *An Explanation of the Change in Estimates:* The adjustment associated with this collection includes an increase

in the totals respondents and responses by 62,025, due to the addition of Type 01/02 firearms dealers and Type 03 firearms collectors. Consequently, the total burden hours have also increased by 189,176 since the last renewal in 2020.

#### Notice of Lodging of Proposed Consent Decree Under the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as Amended ("CERCLA")

On March 25, 2022, the Department of Justice lodged a proposed consent decree with the United States District Court for the Eastern District of Michigan in the lawsuit entitled *United States v. Acemco Incorporated, et al.*, Civil Action No. 22-10640.

The United States filed a complaint under CERCLA for recovery of its costs spent at the Dearborn Refining Superfund Site in Dearborn, Michigan. The complaint alleges that the 14 named defendants sent waste containing hazardous substances to the Site. Each of the named defendants signed the proposed consent decree. Under the agreement, the named defendants would pay \$880,000 for the United States' past costs at the Site and 50% of the United States' future costs, as defined in the consent decree, at the Site. In return, the United States agrees not sue the named defendants to recover past or future response costs under CERCLA Section 107.

The publication of this notice opens a period for public comment on the consent decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States v. Acemco Incorporated, et al.*, D.J. Ref. No. 90-7-1-704/8. All comments must be submitted no later than thirty (30) days after the publication date of this notice. Comments may be submitted either by email or by mail:
