

importance of taking action to support one’s mental health. The immediate anticipated outcomes of the campaign include:

1. Increased awareness and knowledge of mental health risks among healthcare workers, by both workers themselves and by their employers, and
2. Increased awareness of evidence-based interventions, policies, practices, services, and other resources among healthcare workers, by both workers themselves and by their employers.

Additionally, NIOSH aims for the campaign to not only increase healthcare employers’ intent to implement workplace mental health support, but to increase workers ability to identify and intent to utilize those support services. To begin to understand whether these outcomes have been achieved, at the conclusion of the campaign NIOSH must first establish baseline metrics for these outcomes prior to the campaign’s launch. Hence the need for this

requested data collection. Secondly, this information may also be used in further campaign development.

NIOSH anticipates seeking 500 healthcare worker respondents and 500 healthcare employer respondents for a total of 1,000 total survey respondents. We estimate that the survey will take approximately 15 minutes to complete per for a total of 250 annual burden hours. Participation is voluntary, and there is no cost to respondents other than their time.

ESTIMATED ANNUALIZED BURDEN HOURS

Healthcare Employers	Survey	500	1	15/60	125
Healthcare Employees	Survey	500	1	15/60	125
Total	250

The Federal Offset Program is a cooperative effort among the U.S. Department of the Treasury’s Bureau of the Fiscal Service, OCSE, and state child support enforcement agencies. The Passport Denial Program reports noncustodial parents who owe child and spousal support above a specified threshold to the U.S. Department of State, which will then deny passports to these individuals. State child support enforcement agencies routinely submit the names, Social Security numbers, and the amount(s) of past-due child and spousal support of noncustodial parents who are delinquent in making payments to OCSE.
