

General description of report: Section 208.63 of the Board's Regulation H—Membership of State Banking Institutions in the Federal Reserve System (12 CFR part 208) requires state member banks to establish and maintain in writing procedures reasonably designed to ensure and monitor compliance with the provisions of the Bank Secrecy Act (BSA)¹ and its implementing regulations. Sections 211.5(m)(1) and 211.24(j)(1) of the Board's Regulation K—International Banking Operations (12 CFR part 211) impose those same requirements on Edge Act and agreement corporations and, except for a federal branch or a federal agency² or a state branch that is insured by the FDIC, the U.S. branches, agencies, and representative offices of foreign banks supervised by the Board.

Legal authorization and confidentiality: The FR K is authorized pursuant to section 8(s) of the Federal Deposit Insurance Act (FDIA), which requires the federal banking agencies, including the Board, to (1) prescribe regulations requiring the institutions they regulate to establish and maintain procedures reasonably designed to assure and monitor compliance with the BSA and (2) to review such procedures during the course of their examinations (12 U.S.C. 1818(s)).³ The FR K is mandatory.

Because the records required by the FR K will be retained at banking organizations, the Freedom of Information Act (FOIA) would only be implicated if the Board's examiners obtained a copy of the records as part of the examination or supervision of a banking institution. In that case, the records may be exempt from disclosure under exemption 8 of the FOIA, which protects examination materials from disclosure (5 U.S.C. 552(b)(8)). To the extent that information retained in response to the FR K constitutes nonpublic commercial or financial information, which is both customarily and actually treated as private by the respondent, it may also be kept confidential under exemption 4 of the FOIA (5 U.S.C. 552(b)(4)). Exemption 4 protects "trade secrets and commercial or financial information obtained from a

person [that is] privileged or confidential."

Current actions: On December 10, 2021, the Board published a notice in the **Federal Register** (86 FR 70496) requesting public comment for 60 days on the extension, without revision, of the FR K. The comment period for this notice expired on February 8, 2022. The Board did not receive any comments.

Proposal Under OMB Delegated Authority To Extend for Three Years, Without Revision, the Following Information Collection

Report title: Recordkeeping Provisions Associated with Guidance on Leveraged Lending.

Agency form number: FR 4203.

OMB control number: 7100-0354.

Frequency: On occasion.

Respondents: The FR 4203 panel comprises all bank holding companies, savings and loan holding companies, state member banks, and state-chartered branches and agencies of foreign banks that engage in leveraged lending activities.

Many community banks are not subject to the FR 4203 because they do not engage in leveraged lending. The limited number of community and smaller institutions that are involved in leveraged lending activities may discuss with the Federal Reserve System whether and, if so, how to implement these collections of information in a cost-effective manner that is appropriate for the complexity of their exposures and activities.

Estimated number of respondents: 37.

Estimated average hours per response: 755.

Estimated annual burden hours: 27,935.

General description of report: The guidance on leveraged lending (Guidance)¹ outlines high-level

principles related to safe-and-sound leveraged lending activities. The Guidance includes a number of voluntary recordkeeping provisions that apply to financial institutions that are engaged in leveraged lending activities and for which the Board is the primary federal supervisor, including bank holding companies, savings and loan holding companies, state member banks, and state-chartered branches and agencies of foreign banks that engage in these activities.

Legal authorization and confidentiality: The recordkeeping provisions of the Guidance are authorized pursuant to sections 9(6), 25, and 25A of the Federal Reserve Act² (for state member banks, agreement corporations, and Edge corporations, respectively); section 5(c) of the Bank Holding Company Act³ (for bank holding companies); sections 10(b)(2) and 10(b)(3) of the Home Owners' Loan Act⁴ (savings and loan holding companies), and section 7(c)(2) of the International Banking Act⁵ (state-licensed branches and agencies of foreign banks, other than insured branches). The recordkeeping provisions contained in the FR 4203 are voluntary.

Because these records would be maintained at each banking organization, the Freedom of Information Act (FOIA) would only be implicated if the Board obtained such records as part of the examination or supervision of a banking organization. If the records were obtained by the Board as part of an examination or supervision of a financial institution, this information may be considered confidential pursuant to exemption 8 of the FOIA, which protects information contained in "examination, operating, or condition reports" obtained in the bank supervisory process.⁶ In addition, to the extent that information contained in these records constitutes nonpublic commercial or financial information, which is both customarily and actually treated as private by a banking organization, it may be kept confidential under exemption 4 of the FOIA, which exempts "trade secrets and commercial or financial information obtained from a person and privileged or confidential."⁷

Board of Governors of the Federal Reserve System, April 1, 2022.

Secretary of the Board.
