Analysis of Comments Received

All issues raised in the case and rebuttal briefs that were submitted by parties in this review are addressed in the Issues and Decision Memorandum and listed in the appendix to this notice.

In the *Preliminary Results*, Commerce found that HiSteel did not have shipments of subject merchandise to the United States during the POR. No parties commented on this determination. Accordingly, for the final results of review, we continue to find that HiSteel made no shipments of subject merchandise to the United States during the POR. Consistent with Commerce's practice,⁷ we intend to instruct U.S. Customs and Border Protection (CBP) to liquidate any existing entries of subject merchandise produced by HiSteel, but exported by other parties, at the rate for the intermediate reseller, if available, or at the all-others rate of 5.24 percent.⁸
