

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for the companies listed above will be that established in the final results of this review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for previously investigated or reviewed companies not covered in this review, the cash deposit rate will continue to be the company-specific cash deposit rate published for the most recently completed segment of this proceeding in which the company participated; (3) if the exporter is not a firm covered in this review, or the less-than-fair-value (LTFV) investigation, but the manufacturer is, then the cash deposit rate will be the rate established for the most recent segment for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 11.25 percent, the all-others rate established in the LTFV investigation.⁶ These deposit requirements, when imposed, shall remain in effect until further notice.

Disclosure

Commerce intends to disclose the calculations performed in connection with these preliminary results to interested parties within five days after the date of publication of this notice.⁷

Verification

On December 14, 2021, Commerce received a request from the petitioners to conduct verification of the responses in this administrative review.⁸ Commerce is currently unable to

conduct on-site verification of the information relied upon for the final results of this review. Accordingly, we intend to take additional steps in lieu of on-site verification. Commerce will notify interested parties of any additional documentation or information required.

Public Comment

Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance. A timeline for the submission of case briefs and written comments will be provided to interested parties at a later date. Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than seven days after the time limit for filing case briefs.⁹ Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.¹⁰ Case and rebuttal briefs should be filed using ACCESS.¹¹

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS within 30 days after the date of publication of this notice.¹² Hearing requests should contain: (1) The party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Oral presentations at the hearing will be limited to issues raised in the briefs. If a request for a hearing is made, parties will be notified of the time and date for the hearing.¹³

Final Results

Commerce intends to issue the final results of this administrative review, including the results of its analysis raised in any written briefs, not later than 120 days after the publication of these preliminary results in the **Federal Register**, unless otherwise extended.¹⁴

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the

relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: April 4, 2022.

The period of review (POR) is January 1, 2019, through December 31, 2019.

Changes Since the Preliminary Results

Based on a review of the record and comments received from interested parties, we made certain changes to the subsidy rate calculations for POSCO, the calculation of the non-selected rate, and the draft customs instructions. For a discussion of these changes, see the Issues and Decision Memorandum.

Methodology

Commerce conducted this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we find that there is a subsidy, *i.e.*, a government-provided financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific.⁶ For a description of the methodology underlying all of Commerce's conclusions, see the Issues and Decision Memorandum.

Companies Not Selected for Individual Review

The statute and Commerce's regulations do not directly address the establishment of rates to be applied to companies not selected for individual examination where Commerce limits in examination in an administrative review pursuant to section 777(A)(e)(2) of the Act. However, Commerce normally determines the rates for non-selected companies in reviews in a manner that is consistent with section 705(c)(5) of the Act, which provides instructions for calculating the all-others rate in an investigation. We also note that section 777A(e)(2) of the Act provides that "the individual countervailable subsidy rates determined under subparagraph (A) shall be used to determine the all-others rate under section 705(c)(5) {of the Act}." Section 705(c)(5)(A)(i) of the Act states that, in general, for companies not investigated, we will determine an all-others rate by using the weighted-average countervailable subsidy rates established for exporters and producers individually investigated, excluding zero and *de minimis* rates or any rates based solely on the facts available. Additionally, section 705(c)(5)(A)(ii) of the Act provides that when the countervailable subsidy rates established for all exporters and producers individually investigated are zero or *de minimis* rates, or based solely on facts available, Commerce may use any reasonable method to establish a rate for the companies not individually

⁶ See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity.

investigated, including averaging the weighted-average countervailable subsidy rates determined for the exporters and producers individually investigated.

In the final results of this review, we calculated *de minimis* net countervailable subsidy rates for both Hyundai Steel and POSCO, the mandatory respondents. As a result, for the reasons discussed in the Issues and Decision Memorandum, we have determined that it is appropriate to assign to the companies subject to the review, but not selected for individual examination, the weighted-average of the most recently calculated countervailable subsidy rates that are not zero or *de minimis* rates, or based solely on facts available from the prior review (*i.e.*, *CRS Third Admin Review Final Results*).⁷ While Dongbu Steel Co., Ltd. and Dongbu Incheon Steel Co., Ltd. are non-selected respondents, because each received a calculated rate in the prior review (*i.e.*, *CRS Third Admin Review Final Results*), Commerce has found it appropriate to apply that calculated rate to Dongbu Steel Co., Ltd. and Dongbu Incheon Steel Co., Ltd. in this review. For a list of the 45 companies for which a review was requested and not rescinded, and which were not selected as mandatory respondents or found to be cross-owned with a mandatory respondent, see Appendix II to this notice.

Final Results of Administrative Review

We determine that, for the period January 1, 2019, through December 31, 2019, the following total estimated net countervailable subsidy rates exist:

⁷ See *Certain Cold-Rolled Steel Flat Products from the Republic of Korea: Final Results of Countervailing Duty Administrative Review*, 2018, 86 FR 40465 (July 28, 2021) (*CRS Third Admin Review Final Results*).

⁸ As discussed in the Preliminary Decision Memorandum, Commerce has found the following companies to be cross-owned with POSCO: Pohang Scrap Recycling Distribution Center Co. Ltd.; POSCO Chemical Co., Ltd.; POSCO M-Tech; POSCO Nippon Steel RHF Joint Venture Co., Ltd.; and POSCO Terminal. The subsidy rate applies to all cross-owned companies. We note that POSCO has an affiliated trading company through which it exported certain subject merchandise, POSCO International Corporation (POSCO International). POSCO International was not selected as a mandatory respondent, but was examined in the context of POSCO. Therefore, there is not an established rate for POSCO International and POSCO International's subsidies are accounted for in terms of POSCO's total subsidy rate. Instead, entries of subject merchandise exported by POSCO International will receive the rate of the producer listed on the entry form with CBP. Thus, the subsidy rate applied to POSCO and POSCO's cross-owned affiliated companies is also applied to POSCO International for entries of merchandise produced by POSCO.

⁹ See Appendix II.

POSCO ⁸	* 0.22

* *de minimis*.

Assessment Rate

Pursuant to 19 CFR 351.212(b)(2), Commerce will determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries of subject merchandise in accordance with the final results of this review, for the above-listed companies at the applicable *ad valorem* assessment rates listed. Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication). Because we have calculated *de minimis* countervailable subsidy rates for certain companies under review, we will instruct CBP to liquidate shipments of subject merchandise produced and/or exported by the companies listed above, entered, or withdrawn from warehouse for consumption, from January 1, 2019, through December 31, 2019, without regard to countervailing duties in accordance with 19 CFR 351.212(b)(2) and 19 CFR 351.106(c).

Cash Deposit Rates

In accordance with section 751(a)(2)(C) of the Act, Commerce intends to instruct CBP to continue to suspend liquidation but not to collect cash deposits of estimated countervailing duties on shipments of subject merchandise by the companies under review entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review. For all non-reviewed firms subject to the *Order*, we will instruct CBP to continue to collect cash deposits of estimated countervailing duties at the most recent company-specific rate or the all-others

rate (3.89 percent), as appropriate.¹¹ These cash deposit requirements, effective upon publication of these final results, shall remain in effect until further notice.

Administrative Protective Order

This notice also serves as a final reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

Disclosure

Commerce intends to disclose the calculations performed for these final results of review within five days of the date of publication of this notice in the **Federal Register**, in accordance with 19 CFR 351.224(b).

Notification to Interested Parties

These final results are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(5).

Dated: April 1, 2022.

Deputy Assistant Secretary for Policy and Negotiations.
