Needs and Uses: The statutory requirements direct the DoD to conduct surveys to solicit information on racial and ethnic issues, including issues relating to harassment, discrimination, and the climate in the Armed Forces for forming professional relationships among members of various racial and ethnic groups. Specifically, surveys conducted under Title 10 U.S.C. 481 shall be conducted to solicit information on the following:

- Indicators of positive and negative trends for professional and personal relationships among members of all racial and ethnic groups.
- The effectiveness of DoD policies designed to improve relationships among all racial and ethnic groups.
- The effectiveness of current processes for complaints on, and

investigations into, racial and ethnic discrimination.

Moreover, in the 2020 National Defense Authorization Act (NDAA) as modified by the 2021 NDAA, the DoD was further directed to conduct a survey to assess whether or not military members witnessed or experienced extremism in their workplace, as well as whether or not those experiences were reported. To reduce survey burden, the Department identified the Workplace and Equal Opportunity (WEO) survey as the most appropriate existing survey vehicle to collect this information. As such, the 2022 WEO survey will be the first survey to collect and report on this new statutory requirement. Prior to including the new exposure to extremism metric on the 2022 WEO, the Department engaged in a year-long robust metric development and validation study to ensure results are collected consistently, and also to ensure results accurately measure the experiences required by law and IAW DoDI 1325.06 which define prohibited extremist activities for military members. The statutory and policy requirements for the WEO can be found in the following:

- FY03 NDAA
- FY20 NDAA, Section 593
- FY21 NDAA, Section 553
- 10 U.S.C., Section 481
- 10 U.S.C., Section 136
- 10 U.S.C., Section 1782
- 10 U.S.C., Section 2358
- DoD Instruction (DoDI) 1100.13, “Surveys of DoD Personnel”
- DoD Instruction (DoDI) 1350.02, “DoD Military Equal Opportunity Program”
- Immediate Actions to Improve Diversity & Inclusion (Esper, 2020)

Overall, the results of the survey will assess progress, identify shortfalls, and revise policies and programs as needed, related to issues directly affecting military members. Data from this survey will be presented to the OUSD(P&R), Congress, and DoD policy and program offices to assess and improve policies, programs, practices, and training related to racial/ethnic relations in the Armed Forces informed by current and statistically reliable information. Analysis will include the Office of People Analytics’ standard products: An executive report highlighting key findings, a trends/tabulations report (a set of relative frequency distributions of each question, and cross-tabulations of survey questions by key stratifying variables), briefing slides, and a statistical methodology report. Ad hoc analyses requested by the policy office sponsors and other approved organizations may be conducted and

published as needed and based on available staff.

Affected Public: Individuals or households.

Frequency: Biennially.

Respondent’s Obligation: Voluntary.
