USDA is committed to complying with the E-Government Act, to promote the use of the internet and other information technologies to provide increased opportunities for citizen access to Government information and services, and for other purposes.

The Committee's meetings were widely publicized throughout the Washington apricot industry, and all interested persons are invited to attend the meetings and participate in Committee deliberations on all issues. Meetings are held virtually or in a hybrid style with participants having a choice whether to attend in person or virtually.

A proposed rule concerning this action was published in the **Federal Register** on November 23, 2021 (86 FR 66462). Copies of the proposal were provided by the Committee to members and handlers. Finally, the proposed rule was made available through the internet by AMS and the Office of the Federal Register. A 60-day comment period ending January 24, 2022, was provided to allow interested persons to respond to the proposal. During the comment period, one comment was received in response to the proposal. The comment received did not address the merits of this rule. Accordingly, no changes have been made to the rule as proposed.

A small business guide on complying with fruit, vegetable, and specialty crop marketing agreements and orders may be viewed at: <https://www.ams.usda.gov/rules-regulations/moa/small-businesses>. Any questions about the compliance guide should be sent to Richard Lower at the previously mentioned address in the **FOR FURTHER INFORMATION CONTACT** section.

After consideration of all relevant material presented, including the information and recommendation submitted by the Committee and other available information, AMS finds that this rule will tend to effectuate the declared policy of the Act.

Mailing and Email Address Amendments

AGENCY: Office of Natural Resources Revenue (“ONRR”), Interior.

ACTION: Final rule.

SUMMARY: ONRR is publishing this final rule to update room number, mailstop, and other information for filing certain forms by mail, courier, or overnight delivery. It also provides email addresses for filing certain forms electronically.

DATES: This rule is effective May 13, 2022.

FOR FURTHER INFORMATION CONTACT: For questions on procedural and technical issues, contact Ginger J. Hensley, Regulatory Specialist, by telephone at (303) 231–3171 or email at ONRR_RegulationsMailbox@onrr.gov.

SUPPLEMENTARY INFORMATION:

- I. Explanation of Amendments
- II. Procedural Matters

I. Explanation of Amendments

ONRR regulations at 30 CFR parts 1210, 1218, and 1243 authorize various forms to be filed with ONRR related to Federal and Indian royalty reporting and payment and appeal bonding by mail, courier, or overnight delivery. As further described in the amendatory instructions, this final rule amends these parts to update room number, mailstop, or other information for these delivery methods.

Title 30 CFR 1210.151 authorizes form ONRR–4393, Request to Exceed Regulatory Allowance Limitation, to be filed with ONRR by mail, courier, overnight delivery, or email, but it does not provide an email address for doing so. This final rule amends this section to specify royaltyvaluation@onrr.gov as the email address for filing form ONRR–4393 with ONRR by email.

Title 30 CFR 1210.151, 1210.152, and 1210.153 authorize various forms to be filed with ONRR related to royalty reporting for Indian leases by mail, courier, or overnight delivery. This final rule amends these sections to also authorize the filing of these forms with ONRR electronically by email to onrrindianforms@onrr.gov.

This is a final rulemaking with no request for public comment. This

rulemaking is exempt from the notice and comment requirements of 5 U.S.C. 553(b) because it relates to a rule “of agency organization, procedure, or practice” under 5 U.S.C. 553(b)(A). Furthermore, 5 U.S.C. 553(b)(B) provides an exception to the public comment requirement when an agency for good cause finds that “notice and public procedure thereon are impracticable, unnecessary, or contrary to the public interest.” ONRR finds that public comment is not necessary because this is a technical rule to amend ONRR’s mailing and email addresses.

II. Procedural Matters

A. Regulatory Planning and Review (E.O. 12866 and E.O. 13563)

E.O. 12866 provides that the Office of Information and Regulatory Affairs (“OIRA”) will review all significant rules. OIRA has determined that this rule is not significant.

E.O. 13563 reaffirms the principles of E.O. 12866 while calling for improvements in the nation’s regulatory system to promote predictability and reduce uncertainty, and to use the most innovative and least burdensome tools for achieving regulatory ends. Furthermore, E.O. 13563 directs agencies to consider regulatory approaches that reduce burdens and maintain flexibility and freedom of choice for the public where these approaches are relevant, feasible, and consistent with regulatory objectives. E.O. 13563 also emphasizes that regulations must be based on the best available science and that the rulemaking process must allow for public participation and an open exchange of ideas. ONRR developed this rule in a manner consistent with these requirements.

B. Regulatory Flexibility Act

The Regulatory Flexibility Act, 5 U.S.C. 601 *et seq.*, generally requires Federal agencies to prepare a regulatory flexibility analysis for rules that are subject to the notice-and-comment rulemaking requirements under the APA if the rule would have a significant economic impact on a substantial number of small entities. *See* 5 U.S.C. 601–612. The Department of the Interior certifies that this final rule will not have a significant economic effect on a substantial number of small entities. This final rule will impact large and small entities but will not have a significant economic effect on either because it is a technical rule to update addresses and to provide email addresses that a person may elect to use

to submit certain documents electronically.

C. Small Business Regulatory Enforcement Fairness Act

This final rule is not a major rule under the Small Business Regulatory Enforcement Fairness Act (5 U.S.C. 804(2)). This final rule:

(1) Does not have an annual effect on the economy of \$100 million or more.

(2) Will not cause a major increase in costs or prices for consumers, individual industries, Federal, State, or local government agencies, or geographic regions.

(3) Does not have significant adverse effects on competition, employment, investment, productivity, innovation, or the ability of U.S.-based enterprises to compete with foreign-based enterprises.

D. Unfunded Mandates Reform Act

This final rule does not impose an unfunded mandate on State, local, or Tribal governments, or the private sector of more than \$100 million per year. This final rule does not have a significant or unique effect on State, local, or Tribal governments, or the private sector. Therefore, ONRR is not required to provide a statement containing the information required by the Unfunded Mandates Reform Act (2 U.S.C. 1501 *et seq.*).

E. Takings (E.O. 12630)

Under the criteria in E.O. 12630, this final rule does not have any significant takings implications. This final rule applies to Outer Continental Shelf and Federal and Indian onshore leases. It does not apply to private property. A takings implication assessment is not required.

F. Federalism (E.O. 13132)

Under the criteria in section 1 of E.O. 13132, this final rule does not have sufficient federalism implications that warrant the preparation of a federalism summary impact statement. This is a technical rule to amend ONRR’s mailing and email addresses. A federalism summary impact statement is not required.

G. Civil Justice Reform (E.O. 12988)

This final rule complies with the requirements of E.O. 12988. Specifically, this rule:

1. Meets the criteria of section 3(a) requiring that all regulations be reviewed to eliminate errors and ambiguity and be written to minimize litigation; and

2. Meets the criteria of section 3(b)(2) requiring that all regulations be written in clear language and contain clear legal standards.

H. Consultation With Indian Tribes (E.O. 13175)

The Department of the Interior strives to strengthen its government-to-government relationship with Indian Tribes through a commitment to consultation with Indian Tribes and recognition of their right to self-governance and Tribal sovereignty. ONRR has evaluated this rule under the Department’s consultation policy and under the criteria in E.O. 13175 and has determined that it has no substantial direct effect on federally recognized Indian Tribes and that consultation under the Department’s Tribal consultation policy is not required.

I. Paperwork Reduction Act

This final rule does not contain information collection requirements. A submission to the Office of Management and Budget under the Paperwork Reduction Act (44 U.S.C. 3501 *et seq.*) is not required.

J. National Environmental Policy Act

This rule does not constitute a major Federal action significantly affecting the quality of the human environment. A detailed statement under the National Environmental Policy Act of 1969 (“NEPA”) is not required because this rule is categorically excluded under: “Policies, directives, regulations, and guidelines: that are of an administrative, financial, legal, technical, or procedural nature.” *See* 43 CFR 46.210(i) and DOI Departmental Manual, part 516, section 15.4.D. ONRR has determined that this rule is not involved in any of the extraordinary circumstances under 43 CFR 46.215 that would require further analysis under NEPA. The procedural changes resulting from these amendments have no consequences with respect to the physical environment. This rule will not alter in any material way natural resource exploration, production, or transportation.

K. Effects on the Energy Supply (E.O. 13211)

This final rule is not a significant energy action under the definition in E.O. 13211. A Statement of Energy Effects is not required.

L. Clarity of This Regulation

ONRR is required by E.O.s 12866 (section 1 (b)(12)), 12988 (section 3(b)(1)(B)), and 13563 (section 1(a)), and by the Presidential Memorandum of June 1, 1998, to write all rules in plain language. This means that each rule ONRR publishes must use:

(1) Logical organization.

(2) Active voice to address readers directly.
 (3) Clear language rather than jargon.
 (4) Short sections and sentences.
 (5) Lists and tables wherever possible.
 If you feel that ONRR has not met these requirements, send your remarks to ONRR_RegulationsMailbox@onrr.gov. To better help ONRR revise the rule, your remarks should be as specific as possible. For example, you should tell ONRR the numbers of the sections or paragraphs that are not clearly written, which sections or sentences are too long, the sections where you feel lists or tables would be useful, etc.

Coast Guard

33 CFR Part 165

[Docket Number USCG–2022–0250]

RIN 1625–AA00

Safety Zone; Tennessee River, Chattanooga, TN

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for all navigable waters of the Tennessee River from mile marker (MM) 464.0 to 464.5. The temporary safety zone is needed to protect personnel, vessels, and the marine environment from potential hazards created by Chattanooga Presents—TN Aquarium 30th Anniversary Fireworks. Entry of vessels or persons into this zone is prohibited unless specifically authorized by the Captain of the Port Sector Ohio Valley or a designated representative.

DATES: This rule is effective from 9 p.m. through 10 p.m. on April 30, 2022.

SUPPLEMENTARY INFORMATION:

I. Table of Abbreviations

CFR Code of Federal Regulations
DHS Department of Homeland Security
FR Federal Register
NPRM Notice of proposed rulemaking
§ Section
U.S.C. United States Code

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it is impracticable. We must establish this safety zone immediately and lack sufficient time to provide a reasonable comment period and then consider those comments before issuing the rule.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying this rule would be contrary to public safety due to the dangers associated with fireworks.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034 (previously 33 U.S.C. 1231). The Captain of the Port Sector Ohio Valley (COTP) has determined that potential hazards associated with the Chattanooga Presents—TN Aquarium 30th Anniversary Fireworks starting April 30, 2022, will be a safety concern for anyone within mile marker (MM) 464.0 to 464.5 on the Tennessee River. This rule is needed to protect personnel, vessels, and the marine environment in the navigable waters within the safety zone during the firework display.

IV. Discussion of the Rule

This rule establishes a temporary safety zone from 9 p.m. through 10 p.m. on April 30, 2022. The safety zone will cover all navigable waters between MM464.0 to 464.5 on the Tennessee River, extending the entire width of the river. The duration of the zone is intended to protect personnel, vessels, and the marine environment in these navigable waters while the fireworks display is occurring. No vessel or person will be permitted to enter the safety zone without obtaining permission from the COTP or a designated representative.

A designated representative is a commissioned, warrant, or petty officer of the U.S. Coast Guard assigned to units under the operational control of USCG Sector Ohio Valley.
