

make some revisions to the Household Pulse Survey questionnaire. To ensure that the data collected by the Household Pulse Survey continue to meet information needs as they evolve over the course of the pandemic, the Census Bureau submits this Request for Revision to an Existing Collection for a revised Phase 3.5 questionnaire.

Phase 3.5 includes new questions on timing of positive coronavirus test, use of coronavirus treatments, the experience of long-COVID symptoms, amount of monthly rent and changes in monthly rent, children's mental health, and difficulty with self-care and communicating. Questions related to food expenditures will be reinstated for Phase 3.5. There are also modifications to existing questions, including changing the focus of one vaccination question from reasons for not receiving the vaccine to reasons for not receiving a vaccine booster dose, modifying the questions on children's vaccines to include both age group and number of vaccine doses received, and a revised question on number of days teleworked (if any). Several questions will be removed for Phase 3.5, including questions on the number of vaccine doses and brand of vaccine received, intention to receive vaccine, mental health prescriptions and services use and unmet needs, preventive care for children, confidence in paying rent or mortgage on time, and some questions on household activities.

It is the Department's intention to commence data collection using the revised instrument on or about May 25, 2022. The Department invites the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. Public comments were previously sought on the Household Pulse Survey via the **Federal Register** on May 19, 2020, June 3, 2020, February 1, 2021, April 13, 2021, June 24, 2021, October 26, 2021, and January 24, 2022. Commerce preliminarily determined that Özdemir Boru Profil Sanayi ve Ticaret Anonim Sirketi (Ozdemir A.S.) is the successor-in-interest to Özdemir Boru Profil Sanayi ve Ticaret Limited Sirketi (Ozdemir LLC) and, as a result, should be accorded the same CVD cash deposit treatment as Ozdemir LLC with respect to subject merchandise. For these final results, Commerce continues to find that Ozdemir A.S. is the successor-in-interest to Ozdemir LLC and is entitled to the same cash deposit treatment as Ozdemir LLC under the CVD order on HWR pipes and tubes from Turkey.

DATES: Applicable April 18, 2022.
