

restrictions for filming in part 648 subparts B and D through O.

Josef Boreland, Marine Coordinator, applied for an EFP on April 1, 2022, on behalf of Full Share Inc., in support of a motion picture, currently titled "Finestkind." The filming would take place aboard the commercial fishing vessel SANDRA JANE (P: 410430). For the purpose of replicating authentic commercial fishing practices for the motion picture, the F/V SANDRA JANE¹ would be fishing for scallops off of Gloucester, MA for 4 days in June 2022.

The proposed EFP would allow the vessel to fish for scallops outside of the requirements of its Federal permit for the purpose of filming the motion picture. Fishing would occur for 4 days off of Gloucester, MA to fish scallops in Federal waters of the Gulf of Maine on and around Stellwagen Bank. The fishing vessel will have its normal crew of 7 (including the operator) and an additional 25 film crew onboard. Additional film support vessels will accompany the fishing vessel.

The fishing vessel would capture scallops by towing two 4.57-meter wide New Bedford-style dredges at approximately 5 knots (9.26 km/hr) for 10 minutes per tow, 1 to 2 tows per day. The deployment and haul back of the gear will be filmed. The majority of the catch will be immediately returned to the sea. A portion of the scallop catch may be transported shoreward to more easily film shucking and other processing procedures closer to shore in state waters. The applicant will pursue a letter of authorization from the Massachusetts Department of Marine Fisheries for any necessary exemptions from any state regulations. No catch will be landed for sale.

If approved, the applicant may request minor modifications and extensions to the EFP throughout the year. EFP modifications and extensions may be granted without further notice if they are deemed essential to facilitate completion of the proposed research and have minimal impacts that do not change the scope or impact of the initially approved EFP request. Any fishing activity conducted outside the scope of the exempted fishing activity would be prohibited.

Authority: 16 U.S.C. 1801 *et seq.*

¹ The United States Coast Guard has acknowledged that the name SANDRA JANE will be temporarily replaced with the name FINESTKIND on the vessel for filming. The vessel will not officially have its name changed.
