The Commission's Rules of Practice and Procedure require all intervenors filing documents with the Commission to serve a copy of that document on each person whose name appears on the official service list for the project. Further, if an intervenor files comments or documents with the Commission relating to the merits of an issue that may affect the responsibilities of a particular resource agency, they must also serve a copy of the document on that resource agency.

k. *Description of Request*: N.E.W. Hydro, LLC., licensee for the Oconto Falls Upper Project No. 2523 and the Oconto Falls Lower Project No. 2689, filed a request with the Commission for a 5-year, 3-month extension of the 30-year licenses for the projects, currently expiring on October 31, 2027. The new expiration date for the two projects would be January 31, 2033. The licensee requests the extensions to align the license expiration dates of the two projects with that of the Stiles Hydroelectric Project located approximately six river miles downstream on the Oconto River. The licensee states that aligning the expiration dates for the projects would allow a more synchronized approach to the relicensing process and a more comprehensive analysis of the projects' cumulative environmental impacts. In addition, the licensee states that relicensing the projects concurrently would also reduce administrative burdens and promote regulatory efficiencies for the benefit of regulatory agencies, the licensees, and other relicensing stakeholders.

l. *Locations of the Application*: This filing may be viewed on the Commission's website at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. n. *Comments, Protests, or Motions to Intervene*: Anyone may submit comments, a protest, or a motion to intervene in accordance with the requirements of Rules of Practice and Procedure, 18 CFR 385.210, .211, .214, respectively. In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding.
