Abstract: The Free Use vegetative permits are available for Mining Claimants, Federal, State, Territorial agencies, municipalities and associations or corporations not organized for profit and they must certify that the materials will not be used for commercial or industrial purposes. Free Use Permits for Mineral Materials are available to any Federal, State, or territorial agency, unit, or subdivision including municipalities or any non-profit organization. OMB Control Number 1004–0001 authorizes the BLM to collect information to continue the use of separate permit forms for the free use of vegetative materials and mineral materials. There are no changes proposed for the forms. We are, however, adjusting the total estimated annual burden hours from 124 hours to 73 hours, a reduction of 51 annual burden hours. The reduction of annual burden hours results from adjusting the number of estimated annual response from 247 to 146. The number of annual responses is being adjusted to reflect the average number of applications received by the BLM over the past three years. This OMB Control Number is currently scheduled to expire on January 31, 2023. The BLM plans to request that OMB renew this OMB Control Number for an additional three years.

Title of Collection: Free Use Application and Permit for Vegetative or Mineral Materials (43 CFR parts 3600, 3620, and 5510).

OMB Control Number: 1004–0001.

Form Numbers: 3604–1 a and b, Free Use Application and Permit for Mineral Materials; and 5510–1, Free Use Application and Permit for Vegetative Materials.

Type of Review: Extension of a currently approved collection.

Respondents/Affected Public: Individuals seeking authorization for

free use of mineral or vegetative materials.

Total Estimated Number of Annual Respondents: 146.

Total Estimated Number of Annual Responses: 146.

Estimated Completion Time per Response: 30 minutes.

Total Estimated Number of Annual Burden Hours: 73.

Respondent's Obligation: Required to obtain or retain a benefit.

Frequency of Collection: On occasion.

Total Estimated Annual Nonhour Burden Cost: \$0.

An agency may not conduct or sponsor and, notwithstanding any other provision of law, a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

The authority for this action is the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*).
