

5. *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* An estimated 100 respondents will respond to this collection once annually, and it will take each respondent approximately 30 minutes to complete their responses.

6. *An estimate of the total public burden (in hours) associated with the collection:* The estimated annual public burden associated with this collection is 50 hours, which is equal to 100 (total respondents) * 1 (# of response per respondent) * .5 (30 minutes or the time taken to prepare each response).

7. *An Explanation of the Change in Estimates:* Due to fewer limited explosive permittees, both the total responses and burden hours have reduced by 25 and 13 hours respectively since the last renewal in 2019.

BILLING CODE 4410-FY-P

DEPARTMENT OF LABOR

Agency Information Collection Activities; Submission for OMB Review; Comment Request; No Surprises Act: IDR Process

ACTION: Notice of availability; request for comments.

SUMMARY: The Department of Labor (DOL) is submitting this Employee Benefits Security Administration (EBSA)-sponsored information collection request (ICR) to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995 (PRA). Public comments on the ICR are invited.

DATES: The OMB will consider all written comments that the agency receives on or before May 25, 2022.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting

“Currently under 30-day Review—Open for Public Comments” or by using the search function.

Comments are invited on: (1) Whether the collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; (2) if the information will be processed and used in a timely manner; (3) the accuracy of the agency’s estimates of the burden and cost of the collection of information, including the validity of the methodology and assumptions used; (4) ways to enhance the quality, utility and clarity of the information collection; and (5) ways to minimize the burden of the collection of information on those who are to respond, including the use of automated collection techniques or other forms of information technology.

Mara Blumenthal by telephone at 202-693-8538, or by email at DOL_PRA_PUBLIC@dol.gov.

SUPPLEMENTARY INFORMATION:

On December 27, 2020, the Consolidated Appropriations Act, 2021 (CAA), which includes the No Surprises Act, was signed into law. The No Surprises Act provides Federal protections against surprise billing and limits out-of-network cost sharing under many of the circumstances in which surprise bills arise most frequently. Section 102 of the No Surprises Act added Code section 9816, ERISA section 716, and PHS Act section 2799A-1, which contain limitations on cost sharing and requirements for initial payments for emergency services. In addition, Section 103 of the No Surprises Act amended Code section 9816, ERISA section 716, and PHS Act section 2799A-1 to establish a Federal independent dispute resolution (Federal IDR) process that nonparticipating providers or facilities and group health plans and health insurance issuers in the group and individual market may use following the end of an unsuccessful open negotiation period to determine the out-of-network rate for certain services. The Federal IDR process requires a number of disclosures from plans, issuers, FEHB carriers, and nonparticipating providers or nonparticipating emergency facilities. For additional substantive information about this ICR, see the related notice published in the *Federal Register* on November 9, 2021 (86 FR 62206). On April 5, 2022, the Department of Labor submitted another emergency request to revise the ICR to remove language to be consistent with the federal court ruling in the U.S. District Court for the Eastern District of Texas on the Interim Final

Rule, Requirements Related to Surprise Billing; Part II (*Texas Medical Association v. HHS*). The ICR Revision was approved by OMB on April 11, 2022. The Departments welcome comments on those revisions. For additional substantive information, see the related submission at <https://www.reginfo.gov/public/do/PRAOMBHistory?ombControlNumber=1210-0169>.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6.

DOL seeks PRA authorization for this information collection for three (3) years. OMB authorization for an ICR cannot be for more than three (3) years without renewal. The DOL notes that information collection requirements submitted to the OMB for existing ICRs receive a month-to-month extension while they undergo review.

BILLING CODE 4510-29-P

NATIONAL CREDIT UNION ADMINISTRATION

Agency Information Collection Activities; Proposed Collection; Comment Request

AGENCY: National Credit Union Administration (NCUA).

ACTION: Notice and request for comment.

SUMMARY: The National Credit Union Administration (NCUA), as part of a continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to comment on the following extensions of currently approved collections, as required by the Paperwork Reduction Act of 1995.

DATES: Written comments should be received on or before June 24, 2022 to be assured consideration.

ADDRESSES: Interested persons are invited to submit written comments on the information collection to Dawn Wolfgang, National Credit Union Administration, 1775 Duke Street, Suite 6032, Alexandria, Virginia 22314; email at PRAComments@NCUA.gov. Given the limited in-house staff because of the COVID-19 pandemic, email comments are preferred.

FOR FURTHER INFORMATION CONTACT: Requests for additional information should be directed to Dawn Wolfgang at the address above or telephone 703-548-2279.

SUPPLEMENTARY INFORMATION:

OMB Number: 3133-0004.

Title: NCUA Call Report.

Form: NCUA Form 5300.

Type of Review: Extension of a currently approved collection.

Abstract: Sections 106 and 202 of the Federal Credit Union Act require federally insured credit unions to make financial reports to the NCUA. Section 741.5 prescribes the method in which federally insured credit unions must submit this information to the NCUA. NCUA Form 5300, Call Report, is used to file quarterly financial and statistical data through the NCUA's online portal, CUOnline.

The financial and statistical information is essential to the NCUA in carrying out its responsibility for supervising federal credit unions. The information also enables the NCUA to monitor all federally insured credit unions with National Credit Union Share Insurance Fund (NCUSIF) insured share accounts.

Affected Public: Private Sector: Not-for-profit institutions.

Estimated No. of Respondents: 5,097.

Estimated No. of Responses per Respondent: 4.

Estimated Total Annual Responses: 20,388.

Estimated Burden Hours per Response: 4.

Estimated Total Annual Burden Hours: 81,552.

Reason for Change: The Office of Management and Budget (OMB) approved a revision to this information collection requirement as an emergency

in accordance with 5 CFR 1320.13, which is set to expire July 31, 2022. The Call Report was restructured to accommodate the Complex Credit Union Leverage Ratio (CCULR) Calculation schedule by adding a schedule for the CCULR Calculation and to reestablish the account code for the collection of Noncontrolling Interest in Consolidated Subsidiaries (previously described as Miscellaneous Equity and erroneously omitted from the Form 5300). The CCULR changes were attributed to a final rule published December 23, 2021, at 86 FR 72784, that provided a simplified measure of capital adequacy for federally insured, natural-person credit unions classified as complex.

OMB Number: 3133-0185.

Title: NCUA Vendor Registration Form.

Form: NCUA Form 1772.

Type of Review: Extension of a currently approved collection.

Abstract: Section 342 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (Act) (Pub. L. 111-203) calls for agencies to promote the inclusion of minority and women-owned firms in their business activities. The Act also requires agencies to annually report to Congress the total amounts paid to minority and women-owned businesses. In order for NCUA to comply with this Congressional mandate, NCUA Form 1772 is used to collect certain information from its current and potential vendors, so that it can identify businesses that meet the criteria. The vendor information is to be submitted to the agency on a one-time basis and will be used to assign an ownership status to the vendor (*i.e.*, minority-owned business, woman-owned business) per the requirements of the Act. The NCUA will use the vendor-entered ownership status information to help calculate the total amounts of contracting dollars awarded and paid to minority-owned and women-owned businesses.

Affected Public: Private Sector: Businesses or other for-profits.

Estimated No. of Respondents: 200.

Estimated Annual Frequency: 1.

Estimated Annual Number of Responses: 200.

Estimated Burden Hours per Response: 10 minutes.

Estimated Total Annual Burden Hours: 33.

Request for Comments: Comments submitted in response to this notice will be summarized and included in the request for Office of Management and Budget approval. All comments will become a matter of public record. The

public is invited to submit comments concerning: (a) Whether the collection of information is necessary for the proper execution of the function of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of the information on the respondents, including the use of automated collection techniques or other forms of information technology.

By Melane Conyers-Ausbrooks, Secretary of the Board, the National Credit Union Administration, on April 19, 2022.

Dated: April 20, 2022.

Dawn D. Wolfgang,

NCUA PRA Clearance Officer.
