Under certain circumstances, Commerce may elect to specify a different time limit by which extension requests will be considered untimely for submissions which are due from multiple parties simultaneously. In such a case, Commerce will inform parties in a letter or memorandum of the deadline (including a specified time) by which extension requests must be filed to be considered timely. An extension request must be made in a separate, stand-alone submission; under limited circumstances Commerce will grant untimely-filed requests for the extension of time limits. Parties should review Commerce's regulations concerning the extension of time limits prior to submitting extension requests in this investigation.³⁹
