

separate publicly available document as approved in the 2006 OSMRE rule will provide the ability to be more responsive to changes in dataset availability. Illinois would not be required to process a formal regulation amendment in order to remain compliant if data for a particular crop and/or area is not available. Illinois could process changes to their locally available document instead. This amendment also updates references and makes minor editorial changes. The full text of the program and/or plan amendment is available for you to read at the locations listed above under **ADDRESSES** or at www.regulations.gov.

III. Public Comment Procedures

Under the provisions of 30 CFR 732.17(h), we are seeking your comments on whether the amendment satisfies the applicable program approval criteria of 30 CFR 732.15. If we approve the amendment, it will become part of the State program.

Electronic or Written Comments

If you submit written or electronic comments on the proposed rule during the 30-day comment period, they should be specific, confined to issues pertinent to the proposed regulations, and explain the reason for any recommended change(s). We appreciate any and all comments, but those most useful and likely to influence decisions on the final regulations will be those that either involve personal experience or include citations to and analyses of SMCRA, its legislative history, its implementing regulations, case law, other pertinent State or Federal laws or regulations, technical literature, or other relevant publications.

We cannot ensure that comments received after the close of the comment period (see **DATES**) or sent to an address other than those listed (see **ADDRESSES**) will be included in the docket for this rulemaking and considered.

Public Availability of Comments

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment including your personal identifying information, may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Public Hearing

If you wish to speak at the public hearing, contact the person listed under

FOR FURTHER INFORMATION CONTACT by 4:00 p.m., c.s.t. on May 16, 2022. If you are disabled and need reasonable accommodations to attend a public hearing, contact the person listed under **FOR FURTHER INFORMATION CONTACT**. We will arrange the location and time of the hearing with those persons requesting the hearing. If no one requests an opportunity to speak, we will not hold a hearing.

To assist the transcriber and ensure an accurate record, we request, if possible, that each person who speaks at the public hearing provide us with a written copy of his or her comments. The public hearing will continue on the specified date until everyone scheduled to speak has been given an opportunity to be heard. If you are in the audience and have not been scheduled to speak and wish to do so, you will be allowed to speak after those who have been scheduled. We will end the hearing after everyone scheduled to speak and others present in the audience who wish to speak, have been heard.

Public Meeting

If only one person requests an opportunity to speak, we may hold a public meeting rather than a public hearing. If you wish to meet with us to discuss the amendment, please request a meeting by contacting the person listed under **FOR FURTHER INFORMATION CONTACT**. All such meetings are open to the public and, if possible, we will post notices of meetings at the locations listed under **ADDRESSES**. We will make a written summary of each meeting a part of the administrative record.

IV. Statutory and Executive Order Reviews

Executive Order 12866—Regulatory Planning and Review and Executive Order 13563—Improving Regulation and Regulatory Review

Executive Order 12866 provides that the Office of Information and Regulatory Affairs in the Office of Management and Budget (OMB) will review all significant rules. Pursuant to OMB guidance, dated October 12, 1993, the approval of State program amendments is exempted from OMB review under Executive Order 12866. Executive Order 13563, which reaffirms and supplements Executive Order 12866, retains this exemption.

Other Laws and Executive Orders Affecting Rulemaking

When a State submits a program amendment to OSMRE for review, our regulations at 30 CFR 732.17(h) require us to publish a notice in the **Federal Register** indicating receipt of the

proposed amendment, its text or a summary of its terms, and an opportunity for public comment. We conclude our review of the proposed amendment after the close of the public comment period and determine whether the amendment should be approved, approved in part, or not approved. At that time, we will also make the determinations and certifications required by the various laws and executive orders governing the rulemaking process and include them in the final rule.

[Docket Number USCG–2022–0161]

RIN 1625–AA08

Special Local Regulation; Back River, Baltimore County, MD

AGENCY: Coast Guard, Homeland Security (DHS).

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard is proposing to establish temporary special local regulations for certain waters of Back River. This action is necessary to provide for the safety of life on these navigable waters located in Baltimore County, MD, during a high-speed power boat event on July 16, 2022 (alternate date on July 17, 2022). This proposed rulemaking would prohibit persons and vessels from being in the regulated area unless authorized by the Captain of the Port Maryland-National Capital Region or the Coast Guard Event Patrol Commander. We invite your comments on this proposed rulemaking.

DATES: Comments and related material must be received by the Coast Guard on or before May 31, 2022.

ADDRESSES: You may submit comments identified by docket number USCG–2022–0161 using the Federal eRulemaking Portal at <https://www.regulations.gov>. See the “Public Participation and Request for Comments” portion of the

SUPPLEMENTARY INFORMATION section for further instructions on submitting comments.

FOR FURTHER INFORMATION CONTACT: If you have questions about this proposed rulemaking, call or email Mr. Ron Houck, U.S. Coast Guard Sector Maryland-National Capital Region; telephone 410-576-2674, email *D05-DG-SectorMD-NCR-MarineEvents@uscg.mil*.

II. Background, Purpose, and Legal Basis

Tiki Lee's Dock Bar of Sparrows Point, MD, notified the Coast Guard that they will be conducting the 2nd Annual Tiki Lee's Shootout on the River from 10 a.m. to 5 p.m. on July 16, 2022. The individually-timed power boat speed runs event consists of approximately 50 participants competing on a designated, marked linear course located on Back River between Porter Point to the south and Stansbury Point to the north. The event is being staged out of Tiki Lee's Dock Bar, 4309 Shore Road, Sparrows Point, in Baltimore County, MD. In the event of inclement weather on July 16, 2022, the event will be conducted from 10 a.m. to 5 p.m. on July 17, 2022. Hazards from the high-speed power boat event include participants operating within and adjacent to the designated navigation channel and interfering with vessels intending to operate within that channel, as well as operating within approaches to local marinas and boat facilities and waterfront residential communities. The COTP Maryland-National Capital Region has determined that potential hazards associated with the high-speed power boat event would be a safety concern for anyone intending to participate in this event and for vessels that operate within specified waters of Back River.

The purpose of this rulemaking is to protect event participants, non-participants, and transiting vessels before, during, and after the scheduled event. The Coast Guard is proposing this rulemaking under authority in 46 U.S.C. 70041.

III. Discussion of Proposed Rule

The COTP Maryland-National Capital Region proposes to establish special

local regulations from 9 a.m. on July 16, 2022, through 6 p.m. on July 17, 2022. The regulations would be enforced from 9 a.m. to 6 p.m. on July 16, 2022, and if necessary due to inclement weather on July 16, 2022, from 9 a.m. to 6 p.m. on July 17, 2022. The regulated area would cover all navigable waters of Back River within an area bounded by a line connecting the following points: From the shoreline at Lynch Point at latitude 39°14'46" N, longitude 076°26'23" W, thence northeast to Porter Point at latitude 39°15'13" N, longitude 076°26'11" W, thence north along the shoreline to Walnut Point at latitude 39°17'06" N, longitude 076°27'04" W, thence southwest to the shoreline at latitude 39°16'41" N, longitude 076°27'31" W, thence south along the shoreline to the point of origin, located in Baltimore County, MD. The regulated area is approximately 4,200 yards in length and 1,200 yards in width.

This proposed rule provides additional information about areas within the regulated area and their definitions. These areas include "Course Area," "Buffer Area," and "Spectator Areas."

The proposed duration of the special local regulations and size of the regulated area are intended to ensure the safety of life on these navigable waters before, during, and after the high-speed power boat event, scheduled from 10 a.m. to 5 p.m. on July 16, 2022 (alternate date on July 17, 2022). The COTP and the Coast Guard Event PATCOM would have authority to forbid and control the movement of all vessels and persons, including event participants, in the regulated area. When hailed or signaled by an official patrol, a vessel or person in the regulated area would be required to immediately comply with the directions given by the COTP or Event PATCOM. If a person or vessel fails to follow such directions, the Coast Guard may expel them from the area, issue them a citation for failure to comply, or both.

Except for 2nd Annual Tiki Lee's Shootout on the River participants and vessels already at berth, a vessel or person would be required to get permission from the COTP or Event PATCOM before entering the regulated area. Vessel operators would be able to request permission to enter and transit through the regulated area by contacting the Event PATCOM on VHF-FM channel 16. Vessel traffic would be able to safely transit the regulated area once the Event PATCOM deems it safe to do so. A vessel within the regulated area must operate at safe speed that minimizes wake. A person or vessel not registered with the event sponsor as a

participant or assigned as official patrols would be considered a spectator. Official Patrols are any vessel assigned or approved by the Commander, Coast Guard Sector Maryland-National Capital Region with a commissioned, warrant, or petty officer on board and displaying a Coast Guard ensign. Official Patrols enforcing this regulated area can be contacted on VHF-FM channel 16 and channel 22A.

If permission is granted by the COTP or Event PATCOM, a person or vessel would be allowed to enter the regulated area or pass directly through the regulated area as instructed. Vessels would be required to operate at a safe speed that minimizes wake while within the regulated area in a manner that would not endanger event participants or any other craft. A spectator vessel must not loiter within the navigable channel while within the regulated area. Official patrol vessels would direct spectators to the designated spectator area. Only participant vessels would be allowed to enter the aerobatics box. The Coast Guard would publish a notice in the Fifth Coast Guard District Local Notice to Mariners and issue a marine information broadcast on VHF-FM marine band radio announcing specific event dates and times.

The regulatory text we are proposing appears at the end of this document.

IV. Regulatory Analyses

We developed this proposed rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. This NPRM has not been designated a "significant regulatory action" under Executive Order 12866. Accordingly, the NPRM has not been reviewed by the Office of Management and Budget (OMB).

This regulatory action determination is based on the size and duration of the regulated area, which would impact a small designated area of Back River for 18 total enforcement hours. This waterway supports mainly recreational vessel traffic, which at its peak, occurs during the summer season. Although this regulated area extends across the entire width of the waterway, the rule

would allow vessels and persons to seek permission to enter the regulated area, and vessel traffic would be able to transit the regulated area as instructed by Event PATCOM. Such vessels must operate at safe speed that minimizes wake and not loiter within the navigable channel while within the regulated area. Moreover, the Coast Guard would issue a Broadcast Notice to Mariners via VHF-FM marine channel 16 about the status of the regulated area.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this proposed rule would not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section IV.A above, this proposed rule would not have a significant economic impact on any vessel owner or operator.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this rule would have a significant economic impact on it, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this proposed rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section. The Coast Guard will not retaliate against small entities that question or complain about this proposed rule or any policy or action of the Coast Guard.

C. Collection of Information

This proposed rule would not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132 (Federalism), if it has a substantial direct effect on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this proposed rule under that order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this proposed rule does not have tribal implications under Executive Order 13175 (Consultation and Coordination with Indian Tribal Governments) because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this proposed rule has implications for federalism or Indian tribes, please call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this proposed rule would not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this proposed rule under Department of Homeland Security Directive 023–01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have made a preliminary determination that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This proposed rule involves implementation of regulations within 33 CFR part 100 applicable to organized marine events on the navigable waters of the United

States that could negatively impact the safety of waterway users and shore side activities in the event area lasting for 18 total enforcement hours. Normally such actions are categorically excluded from further review under paragraph L61 of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 1. For instructions on locating the docket, see the **ADDRESSES** section of this preamble. We seek any comments or information that may lead to the discovery of a significant environmental impact from this proposed rule.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places, or vessels.

V. Public Participation and Request for Comments

We view public participation as essential to effective rulemaking, and will consider all comments and material received during the comment period. Your comment can help shape the outcome of this rulemaking. If you submit a comment, please include the docket number for this rulemaking, indicate the specific section of this document to which each comment applies, and provide a reason for each suggestion or recommendation.

Submitting comments. We encourage you to submit comments through the Federal Decision Making Portal at <https://www.regulations.gov>. To do so, go to <https://www.regulations.gov>, type USCG–2022–0161 in the “SEARCH” box and click “SEARCH.” Next, look for this document in the Search Results column, and click on it. Then click on the Comment option. If you cannot submit your material by using <https://www.regulations.gov>, call or email the person in the **FOR FURTHER INFORMATION CONTACT** section of this proposed rule for alternate instructions.

Viewing material in docket. To view documents mentioned in this proposed rule as being available in the docket, find the docket as described in the previous paragraph, and then select “Supporting & Related Material” in the Document Type column. Public comments will also be placed in our online docket and can be viewed by following instructions on the <https://www.regulations.gov> Frequently Asked Questions web page. We review all comments received, but we will only post comments that address the topic of

the proposed rule. We may choose not to post off-topic, inappropriate, or duplicate comments that we receive.

Personal information. We accept anonymous comments. Comments we post to <https://www.regulations.gov> will include any personal information you have provided. For more about privacy and submissions to the docket in response to this document, see DHS's eRulemaking System of Records notice (85 FR 14226, March 11, 2020).

List of Subjects in 33 CFR Part 100

Marine safety, Navigation (water), Reporting and recordkeeping requirements, Waterways.

For the reasons discussed in the preamble, the Coast Guard is proposing to amend 33 CFR part 100 as follows:

PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS

■ 1. The authority citation for part 100 continues to read as follows:

Authority: 46 U.S.C. 70041; 33 CFR 1.05–1.

■ 2. Add § 100.T05–0161 to read as follows:

§ 100.T05–0161 2nd Annual Tiki Lee's Shootout on the River, Back River, Baltimore County, MD.

(a) *Locations.* All coordinates are based on datum NAD 1983.

(1) *Regulated area.* All navigable waters of Back River, within an area bounded by a line connecting the following points: From the shoreline at Lynch Point at latitude 39°14'46" N, longitude 076°26'23" W, thence northeast to Porter Point at latitude 39°15'13" N, longitude 076°26'11" W, thence north along the shoreline to Walnut Point at latitude 39°17'06" N, longitude 076°27'04" W, thence southwest to the shoreline at latitude 39°16'41" N, longitude 076°27'31" W, thence south along the shoreline to and terminating at the point of origin. The aerobatics box and spectator areas are within the regulated area.

(2) *Course area.* The course area is a polygon in shape measuring approximately 1,400 yards in length by 50 yards in width. The area is bounded by a line commencing at position latitude 39°16'14.98" N, longitude 076°26'57.38" W, thence east to latitude 39°16'15.36" N, longitude 076°26'55.56" W, thence south to latitude 39°15'33.40" N, longitude 076°26'49.70" W, thence west to latitude 39°15'33.17" N, longitude 076°26'51.60" W, thence north to and terminating at the point of origin.

(3) *Buffer area.* The buffer area is a polygon in shape measuring approximately 100 yards in east and

west directions and approximately 150 yards in north and south directions surrounding the entire course area described in paragraph (a)(2) of this section. The area is bounded by a line commencing at position latitude 39°16'18.72" N, longitude 076°27'01.74" W, thence east to latitude 39°16'20.36" N, longitude 076°26'52.39" W, thence south to latitude 39°15'29.27" N, longitude 076°26'45.36" W, thence west to latitude 39°15'28.43" N, longitude 076°26'54.94" W, thence north to and terminating at the point of origin.

(4) *Spectator areas*—(i) *East spectator fleet area.* The area is a polygon in shape measuring approximately 2,200 yards in length by 450 yards in width. The area is bounded by a line commencing at position latitude 39°15'20.16" N, longitude 076°26'17.99" W, thence west to latitude 39°15'17.47" N, longitude 076°26'27.41" W, thence north to latitude 39°16'18.48" N, longitude 076°26'48.42" W, thence east to latitude 39°16'25.60" N, longitude 076°26'27.14" W, thence south to latitude 39°15'40.90" N, longitude 076°26'31.30" W, thence south to and terminating at the point of origin.

(ii) *Northwest spectator fleet area.* The area is a polygon in shape measuring approximately 750 yards in length by 150 yards in width. The area is bounded by a line commencing at position latitude 39°16'01.64" N, longitude 076°27'11.62" W, thence south to latitude 39°15'47.80" N, longitude 076°27'06.50" W, thence southwest to latitude 39°15'40.11" N, longitude 076°27'08.71" W, thence northeast to latitude 39°15'45.63" N, longitude 076°27'03.08" W, thence northeast to latitude 39°16'01.19" N, longitude 076°27'05.65" W, thence west to and terminating at the point of origin.

(iii) *Southwest spectator fleet area.* The area is a polygon in shape measuring approximately 400 yards in length by 175 yards in width. The area is bounded by a line commencing at position latitude 39°15'30.81" N, longitude 076°27'05.58" W, thence south to latitude 39°15'21.06" N, longitude 076°26'56.14" W, thence east to latitude 39°15'21.50" N, longitude 076°26'52.59" W, thence north to latitude 39°15'29.75" N, longitude 076°26'56.12" W, thence west to and terminating at the point of origin.

(b) *Definitions.* As used in this section—

Aerobatics box is an area described by a line bound by coordinates provided in latitude and longitude that outlines the boundary of a aerobatics box within the regulated area defined by this section.

Captain of the Port (COTP) Maryland-National Capital Region means the

Commander, U.S. Coast Guard Sector Maryland-National Capital Region or any Coast Guard commissioned, warrant or petty officer who has been authorized by the COTP to act on his behalf.

Event Patrol Commander or *Event PATCOM* means a commissioned, warrant, or petty officer of the U.S. Coast Guard who has been designated by the Commander, Coast Guard Sector Maryland-National Capital Region.

Official patrol means any vessel assigned or approved by Commander, Coast Guard Sector Maryland-National Capital Region with a commissioned, warrant, or petty officer on board and displaying a Coast Guard ensign.

Participant means a person or vessel registered with the event sponsor as participating in the "2nd Annual Tiki Lee's Shootout on the River" event, or otherwise designated by the event sponsor as having a function tied to the event.

Spectator means a person or vessel not registered with the event sponsor as participants or assigned as official patrols.

Spectator area is an area described by a line bound by coordinates provided in latitude and longitude within the regulated area defined by this section that outlines the boundary of an area reserved for non-participant vessels watching the event.

(c) *Special local regulations.* (1) The COTP Maryland-National Capital Region or Event PATCOM may forbid and control the movement of all vessels and persons, including event participants, in the regulated area described in paragraph (a)(1) of this section. When hailed or signaled by an official patrol, a vessel or person in the regulated area shall immediately comply with the directions given by the patrol. Failure to do so may result in the Coast Guard expelling the person or vessel from the area, issuing a citation for failure to comply, or both. The COTP Maryland-National Capital Region or Event PATCOM may terminate the event, or a participant's operations at any time the COTP Maryland-National Capital Region or Event PATCOM believes it necessary to do so for the protection of life or property.

(2) Except for participants and vessels already at berth, a person or vessel within the regulated area at the start of enforcement of this section must immediately depart the regulated area.

(3) A spectator must contact the Event PATCOM to request permission to either enter or pass through the regulated area. The Event PATCOM, and official patrol vessels enforcing this regulated area can be contacted on marine band radio VHF-FM channel 16

(156.8 MHz) and channel 22A (157.1 MHz). If permission is granted, the spectator must enter a designated spectator area or pass directly through the regulated area as instructed by Event PATCOM. A vessel within the regulated area must operate at safe speed that minimizes wake. A spectator vessel must not loiter within the navigable channel while within the regulated area.

(4) Only participant vessels are allowed to enter and remain within the aerobatics box.

(5) A person or vessel that desires to transit, moor, or anchor within the regulated area must obtain authorization from the COTP Maryland-National Capital Region or Event PATCOM. A person or vessel seeking such permission can contact the COTP Maryland-National Capital Region at telephone number 410-576-2693 or on Marine Band Radio, VHF-FM channel 16 (156.8 MHz) or the Event PATCOM on Marine Band Radio, VHF-FM channel 16 (156.8 MHz).

(6) The Coast Guard will publish a notice in the Fifth Coast Guard District Local Notice to Mariners and issue a marine information broadcast on VHF-FM marine band radio announcing specific event dates and times.

(d) *Enforcement officials.* The Coast Guard may be assisted with marine event patrol and enforcement of the regulated area by other Federal, state, and local agencies.

(e) *Enforcement periods.* This section will be enforced from 9 a.m. to 6 p.m. on July 16, 2022, and, if necessary due to inclement weather on July 16, 2022, from 9 a.m. to 6 p.m. on July 17, 2022.

Dated: April 25, 2022.

David E. O'Connell,

Captain, U.S. Coast Guard, Captain of the Port Maryland-National Capital Region.

National Oceanic and Atmospheric Administration

50 CFR Part 622

RIN 0648-BL09

Fisheries of the Caribbean, Gulf of Mexico, and South Atlantic; Coral, Coral Reefs, and Live/Hard Bottom Habitats of the South Atlantic Region; Coral Amendment 10

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Announcement of the availability of a proposed fishery management plan amendment; request for comments.

SUMMARY: The South Atlantic Fishery Management Council (Council) has submitted Amendment 10 to the Fishery Management Plan (FMP) for the Coral, Coral Reefs, and Live/Hard Bottom Habitats of the South Atlantic Region (Coral FMP) for review, approval, and implementation by NMFS. If approved by the Secretary of Commerce (Secretary), Amendment 10 to the Coral FMP (Coral Amendment 10) would establish a shrimp fishery access area (SFAA) along the eastern boundary of the northern extension of the Oculina Bank Habitat Area of Particular Concern (OHAPC), where trawling for rock shrimp is currently prohibited. Coral Amendment 10 would increase access to historic rock shrimp fishing grounds while maintaining protection of the *Oculina* deep-water coral ecosystems, provide increased socio-economic benefits to fishers, and increase the likelihood of achieving optimum yield (OY) in the rock shrimp portion of the South Atlantic shrimp fishery.

DATES: Written comments must be received on or before June 28, 2022.

ADDRESSES: You may submit comments on Coral Amendment 10, identified by "NOAA-NMFS-2021-0126," by either of the following methods:

- *Electronic Submission:* Submit all electronic public comments via the Federal e-Rulemaking Portal. Go to www.regulations.gov and enter "NOAA-NMFS-2021-0126" in the Search box. Click the "Comment" icon, complete the required fields, and enter or attach your comments.

- *Mail:* Submit written comments to Frank Helies, Southeast Regional Office, NMFS, 263 13th Avenue South, St. Petersburg, FL 33701.

- *Instructions:* Comments sent by any other method, to any other address or individual, or received after the end of the comment period, may not be considered by NMFS. All comments received are a part of the public record and will generally be posted for public viewing on www.regulations.gov without change. All personal identifying information (e.g., name, address), confidential business information, or otherwise sensitive information submitted voluntarily by the sender will be publicly accessible. NMFS will accept anonymous comments (enter "N/A" in the required fields if you wish to remain anonymous).

Electronic copies of Coral Amendment 10, which includes a fishery impact statement, a Regulatory

SUPPLEMENTARY INFORMATION: The Magnuson-Stevens Fishery Conservation and Management Act (Magnuson-Stevens Act) requires each regional fishery management council to submit any FMP or FMP amendment to the Secretary for review and approval, partial approval, or disapproval. The Magnuson-Stevens Act also requires that the Secretary, upon receiving an FMP or FMP amendment, publish an announcement in the **Federal Register** notifying the public that the FMP or FMP amendment is available for review and comment.

The Council prepared the Coral FMP that is being revised by Coral Amendment 10. If approved, Coral Amendment 10 would be implemented by NMFS through regulations at 50 CFR part 622 under the authority of the Magnuson-Stevens Act.

Background

In 1984, the Council designated a 92-nm² portion of the Oculina Bank as the OHAPC (49 FR 29607; August 22, 1984). Additionally, the Council prohibited the use of bottom trawls, bottom longlines, dredges, fish traps, and fish pots within the OHAPC to mitigate the risk of damage by fishing gear to *Oculina* coral. In 2000, the Council further expanded the protected area in the OHAPC through Amendment 4 to the Coral FMP (65 FR 37292; June 14, 2000). In 2014, Amendment 8 to the Coral FMP (Coral Amendment 8) extended the OHAPC northward, including the area considered in this notification (80 FR 42423; July 17, 2015).

Information on the concentrated shrimp fishing effort in the area and its economic value to the rock shrimp portion of the shrimp fishery was discussed by the Council very late in the development of Coral Amendment 8. During these discussions, rock shrimp fishermen requested adjustment of the OHAPC boundary and provided coordinates that comprised the important fishing grounds in that area. Coral Amendment 10 was developed by the Council to explore options to establish an SFAA within the northern extension of the OHAPC. The Council also developed Coral Amendment 10 in response to the Presidential Executive Order on Seafood Competitiveness and
