p. The Commission's scoping process will help determine the required level of analysis and satisfy the National Environmental Policy Act (NEPA) scoping requirements, irrespective of whether the Commission prepares an environmental assessment or environmental impact statement.

Scoping Meetings

Due to on-going concerns with large gatherings related to COVID-19, we do not intend to hold in-person public scoping meetings or an in-person environmental site review. Rather, Commission staff will hold two public scoping meetings using a telephone conference line. The daytime scoping meeting will focus on resource agency, Indian tribes, and non-governmental organization (NGO) concerns, while the evening scoping meeting will focus on receiving input from the public. We invite all interested agencies, Native American tribes, NGOs, and individuals to attend one of these meetings to assist us in identifying the scope of environmental issues that should be analyzed in the NEPA document.

The dates and times of these meetings are as follows:

Daytime Scoping Meeting

Thursday, May 26, 2022, 10:00 a.m.–12:00 p.m. EST

Call in number: 800-779-8625.
Participant passcode: 3472916.

Evening Scoping Meeting

Thursday, May 26, 2022, 6:00 p.m.–8:00 p.m. EST

Call in number: 800-779-8625.
Participant passcode: 3472916.

SD1, which outlines the subject areas to be addressed in the environmental document, was mailed to the individuals and entities on the Commission's mailing list and GMP's distribution list. Copies of SD1 may be viewed on the web at <http://www.ferc.gov>, using the "eLibrary" link. Follow the directions for accessing information in paragraph n. Based on all oral and written comments, a Scoping Document 2 (SD2) may be issued. SD2 may include a revised process plan and schedule, as well as a list of issues, identified through the scoping process.

Virtual Site Tour

GMP will hold a virtual site tour of the Glen Project on May 25, 2022, starting at 10 a.m. Please contact Kirk Smith of Gomez and Sullivan Engineers at (603) 340-7667 or ksmith@gomezandsullivan.com, by May 24, 2022, if you plan to attend. Meeting details will be provided by Gomez and Sullivan staff once attendance is confirmed.

Meeting Objectives

At the scoping meetings, Commission staff will: (1) Initiate scoping of the issues; (2) review and discuss existing conditions and resource management objectives; (3) review and discuss

existing information and identify preliminary information and study needs; (4) review and discuss the process plan and schedule for pre-filing activity that incorporates the time frames provided for in Part 5 of the Commission's regulations and, to the extent possible, maximizes coordination of federal, state, and tribal permitting and certification processes; and (5) discuss the potential for any federal or state agency or Indian tribe to act as a cooperating agency for development of an environmental document. Meeting participants should come prepared to discuss their issues and/or concerns. Please review the PAD in preparation for the scoping meetings. Directions on how to obtain a copy of the PAD and SD1 are included in item n of this document.

Meeting Procedures

Commission staff will be moderating the scoping meetings. The meetings will begin promptly at their respective start times listed above.

At the start of the meeting, staff will provide further instructions regarding the meeting setup, agenda, and time period for comments and questions. We ask for your patience as staff present information and field participant comments in orderly manner. To indicate you have a question or comment, press * and 3 to virtually "raise your hand." Oral comments will be limited to 5 minutes in duration for each participant. The meetings will be recorded by a stenographer and will be filed to the public record of the project.

Please note, that if no participants join the meetings within 15 minutes after the start time, staff will end the meeting and conference call. The meetings will end after participants on the telephone conference line have presented their oral comments or at the specified end time, whichever occurs first.

Dated: April 27, 2022.

Secretary.
