SUPPLEMENTARY INFORMATION: CPSC staff is hosting a roundtable discussion on the agency's Equity Action Plan created in response to Executive Order 13985—Advancing Racial Equity and Support for Underserved Communities Through the Federal Government.¹ The information collected from the forum will assist staff in making recommendations for improving CPSC's Equity Action Plan.²

I. Background

Executive Order 13985 defines the term “equity” as “the consistent and systematic fair, just, and impartial treatment of all individuals, including individuals who belong to underserved communities that have been denied such treatment.”³ CPSC staff reviewed current racial data related to certain consumer product-related injuries and fatalities and found that some racial

minorities have disproportionately higher rates of injury associated with carbon monoxide poisoning, residential fires, and drowning in pools and spas.

II. Topics

The CPSC's Equity Action Plan, available at <https://www.cpsc.gov/equity>, outlines the agency's efforts to address such disparities. CPSC seeks information from any interested parties on the Equity Action Plan and potential methods of improving agency informational and educational outreach, stakeholder engagement, regulatory and enforcement policies, research methods, data and analysis, standards development, or any other relevant strategies to reduce deaths and injuries associated with racial disparities or other underserved communities.

III. Roundtable Details

A. Time and Place

CPSC staff will hold the forum in-person and via webinar from 1 p.m. to 3 p.m., Eastern Standard Time (EST) on Wednesday, May 25, 2022.
