Special Local Regulations; Annual Events in Captain of the Port Delaware Bay Zone

AGENCY: Coast Guard, DHS.

ACTION: Final rule.

SUMMARY: The Coast Guard is establishing special local regulations for

four annual marine events in the Captain of the Port (COTP), Delaware Bay Zone. This action is necessary to protect participants, spectators, and vessels from the hazards associated with the varying types of marine events. This rulemaking prohibits persons and vessels from being in the regulated areas during the enforcement period unless authorized by the COTP or a designated representative.

DATES: This rule is effective June 3, 2022.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <https://www.regulations.gov>, type USCG–2022–0073 in the search box and click “Search.” Next, in the Document Type column, select “Supporting & Related Material.”

II. Background Information and Regulatory History

The four marine events included in this rule are held on a recurring basis on the navigable waters within the Captain of the Port, Delaware Bay Zone. Historically, the Coast Guard established annual temporary final regulations for each of these recurring events. In response, on February 17, 2022, the Coast Guard published a notice of proposed rulemaking (NPRM) titled Special Local Regulations; Annual Events in Captain of the Port Delaware Bay Zone (87 FR 8994). There, we stated why we issued the NPRM, and invited comments on our proposed regulatory action related to the special local regulations and recurring marine events. During the comment period that ended March 21, 2022 we received no comments.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70041. The Secretary has delegated ports and waterways authority, with certain reservations not applicable here, to the Commandant via DHS Delegation No.

00170.1(II)(70), Revision No. 01.2. The Commandant has further delegated these authorities within the Coast Guard as described in 33 CFR 1.05–1 and 6.04–6. The Coast Guard has determined that the events listed in this rule could pose a risk to participants or waterway users if normal vessel traffic were to interfere with the event. Possible hazards include risks of participant injury or death resulting from near or actual contact with non-participant vessels traversing through the regulated areas. In order to protect the safety of all waterway users, including event participants and spectators, this rule establishes special local regulations for the time and location of each marine event. This rule prevents vessels from entering, transiting, mooring or anchoring within areas specifically designated as regulated areas during the periods of enforcement unless authorized by the Captain of the Port (COTP), or designated Event Patrol Commander.

IV. Discussion of Comments, Changes, and the Rule

As noted above, we received no comments on our NPRM published February 17, 2022. There are no changes in the regulatory text of this rule from the proposed rule in the NPRM.

The Coast Guard is adding four reoccurring special local regulations for annual marine events in the Captain of the Port Delaware Bay to 33 CFR 100.501 in Table 1 to Paragraph (i)(1). The Coast Guard will publish annual notice of the exact dates and times of the effective periods of the regulations. For each event, the notices will also provide the geographical description of each regulated area and other pertinent details concerning the nature of the events. This rule is necessary to protect participants, spectators, and vessels from the hazards associated with the varying types of marine events. During the enforcement periods of these special local regulations, non-participant persons or vessels are prohibited from entering into, remaining within, transiting through, or anchoring in the regulated area unless authorized by the Captain of the Port Delaware Bay or a designated representative of the Captain of the Port. The regulatory text appears at the end of this document.

Below is a description of the four reoccurring marine events that we are adding to Table 1 to Paragraph (i)(1) in 100.501.

1. Stockton Boat Race.

This marine event takes place one weekend in March or April at the location described below. The event is in Atlantic City, NJ, where the following area makes up the regulated area: All

navigable waters of the New Jersey Intracoastal Waterway in Atlantic City, NJ, within the polygon bounded by the following: Originating on the southwest portion at approximate position latitude 39°20'57" N, longitude 074°27'59" W; thence northeasterly along the shoreline to latitude 39°21'35" N, longitude 074°27'06" W; thence east across the mouth of Beach Thorofare to the shoreline at latitude 39°21'41" N, longitude 074°26'55" W; thence east along the shoreline to latitude 39°21'42" N, longitude 074°26'51" W; thence southeast across the New Jersey Intracoastal Waterway to the shoreline at latitude 39°21'43" N, longitude 074°26'41" W; thence southwest along the shoreline to approximate position latitude 39°20'55" N, longitude 074°27'57" W; thence north to the point of origin. The sponsor is Stockton University.

2. Escape the Cape Swim.

This marine event takes place on one Saturday or Sunday in June. The regulated area is in Lower Township, NJ, in the following area: All navigable waters of the Delaware Bay in Lower Township, NJ, bounded by a line drawn from: Latitude 39°0'57" N, longitude 074°56'56" W in Villas, NJ, thence west to latitude 39°00'59" N, longitude 074°57'15" W, thence south to latitude 38°58'08" N, longitude 074°58'11" W, thence east to latitude 38°58'04" N, longitude 074°57'52" W in North Cape May, NJ, thence north along the shoreline to the point of origin. The sponsor is DelMoSports.

3. Around the Island Paddle.

This marine event takes place on one Saturday or Sunday in June, July, or August. The regulated area location is in Cape May County, NJ. The following area is a moving regulated area: All waters within 50 yards in front of the lead safety vessel preceding the first event participants, to 50 yards behind the safety vessel trailing the last event participants, and 100 yards on either side of participant and safety vessels during the event. The regulated area will move with the safety vessels and participants as they transit the waters east through Cape May Harbor, south through Cape May Inlet, west through the Atlantic Ocean, north through the Delaware Bay, then east through Cape May Canal, and terminate at the Lost Fishermen's Memorial in Cape May Harbor. The regulated area will move at the pace of event patrol vessels and participants. The sponsor is the Desatnick Foundation.

4. Manasquan Inlet Intracoastal Tug.

This marine event takes place on one Saturday or Sunday in September or October. The location is Manasquan

Inlet, NJ. The following area makes up the regulated area: All waters of Manasquan Inlet extending 400 feet from either side of the rope located between approximate locations latitude 40°06'09" N, longitude 74°02'08" W and latitude 40°06'14" N, longitude 74°02'08" W. The sponsor is the Borough of Manasquan.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. This rule has not been designated a "significant regulatory action" under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB).

This regulatory action determination is based on the size, scope, duration, and historical data concerning the scope and potential impact of these marine events. The special local regulation areas within this rule have been enforced on an annual basis through temporary final regulations. The regulated areas will be enforced in limited areas on six days out of the year, usually for only a few hours on those days. Specifically, the Manasquan Inlet Intracoastal Tug often schedules breaks during the event to temporarily let vessels pass through the inlet waterway entrance. Vessels will be able to contact the COTP for permission to transit the regulated areas or instructions for safely transiting around the area during enforcement periods.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard received no comments from the Small Business Administration on this rulemaking. The Coast Guard certifies under 5 U.S.C. 605(b) that this

rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the

Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have

determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves special local regulations at various locations and at various times to maintain the safety of event participants, spectators, and transiting vessel traffic. It is categorically excluded from further review under paragraph L61 of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 1. A memorandum for record (MFR) supporting this determination is available in the docket. For instructions on locating the docket, see the ADDRESSES section of this preamble.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to call or email the person listed in the FOR FURTHER INFORMATION CONTACT section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

[Docket No. USCG-2022-0061]

Special Local Regulations: Miami Beach Air and Sea Show, Atlantic Ocean, Miami Beach, FL**AGENCY:** Coast Guard, DHS.**ACTION:** Notice of enforcement of regulation.

SUMMARY: The Coast Guard will enforce a special local regulation for the Miami Beach Air and Sea Show to provide for the safety of life on navigable waterways during this event. During the enforcement periods, the operator of any vessel in the regulated area must comply with directions from the Patrol Commander or any Official Patrol displaying a Coast Guard ensign.

DATES: The regulation in 33 CFR 100.702, Table 1 to § 100.702, Item 2, will be enforced from 9 a.m. until 5:30 p.m., each day from Friday May 27, 2022 through Sunday May 29, 2022.

FOR FURTHER INFORMATION CONTACT: If you have questions about this notice of enforcement, call or email Petty Officer Robert M. Olivas, Sector Miami Waterways Management Division, U.S. Coast Guard; telephone 305-535-4317, email *Robert.M.Olivas@uscg.mil*.

SUPPLEMENTARY INFORMATION: The Coast Guard will enforce a special local regulation in 33 CFR 100.702, Table 1 to § 100.702, Item 2, for the Miami Beach Air and Sea Show, from 9 a.m. until 5:30 p.m., each day from Friday May 27, 2022 through Sunday May 29, 2022. The Coast Guard is taking this action to provide for the safety of life on navigable waterways during the event. Our regulation for recurring marine events, Sector Miami, 33 CFR 100.702, Table 1 to § 100.702, Item 2, specifies the location of the regulated area which encompasses a portion of the Atlantic Ocean east of Miami Beach. During the enforcement periods, as reflected in § 100.702, if you are the operator of a vessel in the regulated area you must comply with directions from the Patrol

Commander or any Official Patrol displaying a Coast Guard ensign.

In addition to this notice of enforcement in the **Federal Register**, the Coast Guard plans to provide notification of this enforcement period via the Local Notice to Mariners and marine information broadcasts.

Dated: April 28, 2022.

Safety Zones; Pensacola, Panama City, and Tallahassee, Florida**AGENCY:** Coast Guard, DHS.**ACTION:** Temporary final rule.

SUMMARY: The Coast Guard is establishing three temporary safety zones for the reentry of a capsule launched by Space Exploration Technologies Corporation (Space X) in support of the National Aeronautics and Space Administration (NASA) Crew-3 capsule recovery mission. These three temporary safety zones are located within the Coast Guard Sector Mobile area of responsibility offshore of Pensacola, Panama City, and Tallahassee, Florida. The purpose of this rule is to ensure the safety of vessels, mariners, and the navigable waters in the safety zones during a period when reentry is expected. This action is necessary to provide for the safe recovery of this capsule and astronauts in the U.S. Exclusive Economic Zone and implements a special activities provision of the William M. (Mac) Thornberry National Defense Authorization Act for Fiscal Year 2021. This rule prohibits U.S. flagged vessels from entering the safety zones unless authorized by the Captain of the Port Mobile or a designated representative.

DATES: This rule is effective without actual notice from May 4, 2022 until May 15, 2022. For the purposes of enforcement, actual notice will be used from May 1, 2022 until May 4, 2022.

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it is impracticable and contrary to the public interest. The National Aeronautics and Space Administration (NASA) Crew-3 capsule recovery mission was approved and scheduled less than 30 days before the need for the three safety zones to be in place starting on May 1, 2022. Publishing an NPRM would be impracticable and contrary to the public interest since the missions would begin before completion of the rulemaking process, thereby inhibiting the Coast Guard's ability to protect against the hazards associated with the recovery missions.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be impracticable and contrary to the public interest because
