I. Introduction

On May 6, 2022, the Postal Service filed a notice of minor corrections to the International Money Transfer Service (IMTS)—Inbound product description in the Mail Classification Schedule (MCS) pursuant to 39 CFR 3040.190(b).¹ The Postal Service seeks to remove certain countries from the list of countries in MCS subsection 2625.2 consistent with certain Postal Bulletin notices. Notice at 1. The changes are intended to take effect on two dates: When this docket is concluded and on October 1, 2022. *Id.* at 2.

II. Summary of Changes

The Postal Service proposes two corrections to MCS section 2625.2, which lists the countries where IMTS—Inbound is offered. First, it requests that the Commission remove Japan from the list of countries when this docket is concluded because the Postal Service terminated the exchange of international postal money orders with Japan Post. *Id.* Second, the Postal Service proposes to remove the Bahamas, Barbados, British Virgin Islands, Dominica, Montserrat, St. Kitts, and St. Vincent from the list of countries effective October 1, 2022, because it will stop cashing international postal money orders issued by the postal operators of those countries. *Id.* The Postal Service asserts that the Notice satisfies the requirements of 39 CFR 3040.190(c) because the proposed corrections are consistent with applicable authorities and do not constitute material changes to the IMTS-Inbound product description. *Id.* The Notice includes a copy of the affected sections of the MCS with the proposed changes in legislative format, which the Postal Service contends satisfies 39 CFR 3040.190(c)(3). *Id.* Attachment—Mail Classification Schedule.

Change in Rates and Classes of General Applicability for Competitive Products

AGENCY: Postal Service™.

ACTION: Notice of a change in rates and classifications of general applicability for competitive products.

SUMMARY: This notice sets forth changes in rates and classifications of general applicability for competitive products.

DATES: *Effective date:* July 10, 2022.

FOR FURTHER INFORMATION CONTACT: Elizabeth Reed, 202–268–3179.

SUPPLEMENTARY INFORMATION: On May 5, 2022, pursuant to their authority under 39 U.S.C. 3632, the Governors of the Postal Service established prices and classification changes for competitive products. The Governors' Decision and the record of proceedings in connection

with such decision are reprinted below in accordance with section 3632(b)(2).

Sarah Sullivan,

Attorney, Ethics and Legal Compliance.

Decision of the Governors of the United States Postal Service on Changes in Rates and Classifications of General Applicability for Competitive Products (Governors' Decision No. 22–1)

May 5, 2022

Statement of Explanation and Justification

Pursuant to authority under section 3632 of title 39, as amended by the Postal Accountability and Enhancement Act of 2006 (“PAEA”), we establish prices and classifications of general applicability for certain of the Postal Service's competitive products. The changes are described generally below, with a detailed description of the changes in the attachment. The attachment includes the draft Mail Classification Schedule sections with classification changes in legislative format, and new prices displayed in the price charts.

As shown in the nonpublic annex being filed under seal herewith, the changes we establish should enable each competitive product to cover its attributable costs (39 U.S.C. 3633(a)(2)) and should result in competitive products as a whole complying with 39 U.S.C. 3633(a)(3), which, as implemented by 39 CFR 3035.107(c), requires competitive products collectively to contribute a minimum of 10.0 percent to the Postal Service's institutional costs. Accordingly, no issue of subsidization of competitive products by market dominant products should arise (39 U.S.C. 3633(a)(1)). We therefore find that the new prices are in accordance with 39 U.S.C. 3632–3633 and 39 CFR 3035.102.

I. Domestic Products

A. Priority Mail

The existing structure of the Priority Mail Retail, Commercial Base, and Commercial Plus price categories is maintained. No price changes are proposed, but classification changes are made to increase insurance to \$100 for Priority Mail and to extend the inclusion of \$100 in insurance to Priority Mail Returns. Eligibility requirements for Commercial Plus Cubic pricing are being removed, so that all commercial customers can utilize Priority Mail cubic pricing.

B. Parcel Select

Cubic pricing will be introduced for the Parcel Select Ground price category.

No other price or classification changes are proposed for the Parcel Select product, and the existing structure is maintained.

No other price or classification changes for Domestic Products are being made.

I. International Products

A. International Ancillary Services and Special Services

Prices for Outbound International Insurance will be increased about 55 percent on average to ensure adequate cost coverage, in response to recent directives from the Postal Regulatory Commission (PRC) in its FY 2021 Annual Compliance Determination (ACD) to take corrective action in this regard in relation to Outbound International Insurance's failure to cover its costs in FY 2021. Prices for International Money Transfer Service (IMTS)—Outbound, which includes international Postal Money Orders and Electronic Money Transfer Service, will increase by about 305 percent, in response to a PRC directive in the FY 2021 ACD after a finding that IMTS—Outbound did not cover its costs.

No other price or classification changes for International Products are being made.

Order

The changes in prices and classes set forth herein shall be effective at 12:01 a.m. on July 10, 2022. We direct the Secretary to have this decision published in the **Federal Register** in accordance with 39 U.S.C. 3632(b)(2) and direct management to file with the Postal Regulatory Commission appropriate notice of these changes.
