

## INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701–TA–379 and 731–TA–788, 792–793 (Fourth Review)]

### Stainless Steel Plate From Belgium, South Africa, and Taiwan; Scheduling of Expedited Five-Year Reviews

**AGENCY:** United States International Trade Commission.

**ACTION:** Notice.

**SUMMARY:** The Commission hereby gives notice of the scheduling of an expedited review pursuant to the Tariff Act of 1930 (“the Act”) to determine whether revocation of the countervailing and antidumping duty orders on stainless steel plate from Belgium, South Africa, and Taiwan would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time.

**DATES:** March 7, 2022.

**FOR FURTHER INFORMATION CONTACT:** Andres Andrade (202–205–2078), Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission’s TDD terminal on 202–205–1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202–205–2000. General information concerning the Commission may also be obtained by accessing its internet server (<https://www.usitc.gov>). The public record for these reviews may be viewed on the Commission’s electronic docket (EDIS) at <https://edis.usitc.gov>.

#### SUPPLEMENTARY INFORMATION:

*Background.*—On March 7, 2022, the Commission determined that the domestic interested party group response to its notice of institution (86 FR 68278, December 1, 2021) of the subject five-year reviews was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant conducting full reviews.<sup>1</sup> Accordingly, the Commission determined that it would conduct expedited reviews pursuant to section 751(c)(3) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(3)).

For further information concerning the conduct of this review and rules of general application, consult the

Commission’s Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

Please note the Secretary’s Office will accept only electronic filings at this time. Filings must be made through the Commission’s Electronic Document Information System (EDIS, <https://edis.usitc.gov>). No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice.

*Staff report.*—A staff report containing information concerning the subject matter of the reviews has been placed in the nonpublic record, and will be made available to persons on the Administrative Protective Order service list for these reviews on June 13, 2022. A public version will be issued thereafter, pursuant to section 207.62(d)(4) of the Commission’s rules.

*Written submissions.*—As provided in section 207.62(d) of the Commission’s rules, interested parties that are parties to the reviews and that have provided individually adequate responses to the notice of institution,<sup>2</sup> and any party other than an interested party to the reviews may file written comments with the Secretary on what determinations the Commission should reach in the reviews. Comments are due on or before June 21, 2022 and may not contain new factual information. Any person that is neither a party to the five-year reviews nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the reviews by June 21, 2022. However, should the Department of Commerce (“Commerce”) extend the time limit for its completion of the final results of its reviews, the deadline for comments (which may not contain new factual information) on Commerce’s final results is three business days after the issuance of Commerce’s results. If comments contain business proprietary information (BPI), they must conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission’s rules. The Commission’s *Handbook on Filing Procedures*, available on the Commission’s website at [https://www.usitc.gov/documents/handbook\\_on\\_filing\\_procedures.pdf](https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf), elaborates

<sup>2</sup> The Commission has found the joint response to its notice of institution filed on behalf of ATI Flat Rolled Products Holdings, LLC, North American Stainless, and Outokumpu Stainless USA, LLC, domestic producers of stainless steel plate, to be individually adequate. Comments from other interested parties will not be accepted (*see* 19 CFR 207.62(d)(2)).

upon the Commission’s procedures with respect to filings.

In accordance with sections 201.16(c) and 207.3 of the rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

*Determination.*—The Commission has determined these reviews are extraordinarily complicated and therefore has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

*Authority.* These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission’s rules.

By order of the Commission.

Issued: May 12, 2022.

**Lisa Barton,**

*Secretary to the Commission.*

## INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701–TA–562 and 731–TA–1329 (Review)]

### Ammonium Sulfate From China; Notice of Commission Determination To Conduct Full Five-Year Reviews

**AGENCY:** United States International Trade Commission.

**ACTION:** Notice.

**SUMMARY:** The Commission hereby gives notice that it will proceed with full reviews pursuant to the Tariff Act of 1930 to determine whether revocation of the countervailing and antidumping duty orders on ammonium sulfate from China would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. A schedule for the reviews will be established and announced at a later date.

**DATES:** May 9, 2022.

**FOR FURTHER INFORMATION CONTACT:** Peter Stebbins (202–205–2039), Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission’s TDD terminal on 202–205–1810. Persons with mobility impairments who will need special assistance in gaining access to the

<sup>1</sup> A record of the Commissioners’ votes is available from the Office of the Secretary and at the Commission’s website.

Commission should contact the Office of the Secretary at 202–205–2000. General information concerning the Commission may also be obtained by accessing its internet server (<https://www.usitc.gov>). The public record for these reviews may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>.

For further information concerning the conduct of these reviews and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

**SUPPLEMENTARY INFORMATION:** On May 9, 2022, the Commission determined that it should proceed to full reviews in the subject five-year reviews pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. 1675(c)). The Commission found that both the domestic and respondent interested party group responses to its notice of institution (87 FR 5503, February 1, 2022) were adequate. A record of the Commissioners' votes will be available from the Office of the Secretary and at the Commission's website.

**Authority:** These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to § 207.62 of the Commission's rules.

By order of the Commission.

Issued: May 11, 2022.

## INTERNATIONAL TRADE COMMISSION

[Investigation No. 337–TA–1244]

### Certain Batteries and Products Containing Same; Commission Decision To Review in Part an Initial Determination Granting in Part Complainants' Motion for Summary Determination of a Violation of Section 337; Request for Written Submissions

**AGENCY:** U.S. International Trade Commission.

**ACTION:** Notice.

**SUMMARY:** Notice is hereby given that the U.S. International Trade Commission has determined to review in part an initial determination (“ID”) (Order No. 15) of the presiding Administrative Law Judge (“ALJ”) granting-in-part the complainants' motion for summary determination of a

violation of section 337. The Commission also requests written submissions from the parties on the issue under review and from the parties, interested government agencies, and interested persons on the issues of remedy, bonding, and the public interest, under the schedule set forth below.

**FOR FURTHER INFORMATION CONTACT:** Michael Liberman, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 205–2392. Copies of non-confidential documents filed in connection with this investigation may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>. For help accessing EDIS, please email [EDIS3Help@usitc.gov](mailto:EDIS3Help@usitc.gov). General information concerning the Commission may also be obtained by accessing its internet server at <https://www.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205–1810.

**SUPPLEMENTARY INFORMATION:** The Commission instituted this investigation on February 5, 2021, under section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337 (“section 337”), based on a complaint filed by complainants One World Technologies, Inc. (“One World”) and Techtronic Power Tools Technology Ltd. (“TTT”) (collectively, “Complainants”). 86 FR 8379–80 (Feb. 5, 2021). The complaint, as supplemented, alleges a violation of section 337 based upon the importation into the United States, the sale for importation, or the sale within the United States after importation of certain batteries and products containing same by reason of infringement of the sole claims of U.S. Patent Nos. D579,868 (“the ‘868 patent”); D580,353 (“the ‘353 patent”); and D593,944 (“the ‘944 patent”). *Id.* at 8379. The complaint further alleges that a domestic industry exists. *Id.* The notice of investigation (“NOI”) names thirteen (13) respondents: Darui Development Limited (“Darui Development”); Dongguan Xinjitong Electronic Technology Co., Ltd. (“Dongguan Electronic”); Shenzhen Laipaili Electronics Co., Ltd. (“Shenzhen Laipaili”); Shenzhen MingYang Creation Electronic Co., Ltd. (“Shenzhen MingYang”); Shenzhen Rich Hao Yuan Energy Technology Co., Ltd. (“Shenzhen Rich Hao”); Shenzhen Runsensheng Trading Co., Ltd. (“Shenzhen Runsensheng”); Shenzhen Saen Trading Co., Ltd. (“Shenzhen

Saen”); Shenzhen Shengruixiang E-Commerce Co., Ltd. (“Shenzhen E-Commerce”); Shenzhen Uni-Sun Electronics Co., Ltd. (“Shenzhen Uni-Sun”); and Shenzhen Vmartego Electronic Commerce Co., Ltd. (“Shenzhen Vmartego”) (collectively, the “Defaulted Respondents”); Shenzhen Liancheng Weiye Industrial Co., Ltd.; Shenzhen Ollop Technology Co. Ltd.; and Shenzhen Tuo Yu Technology Co., Ltd. *Id.* The Office of Unfair Import Investigations (“OUII”) is participating in this investigation. *Id.*

On May 17, 2021, Commission terminated the investigation based upon the withdrawal of the complaint with respect to respondents Shenzhen Liancheng Weiye Industrial Co., Ltd., Shenzhen Ollop Technology Co. Ltd., and Shenzhen Tuo Yu Technology Co., Ltd., after Complainants were unable to serve these respondents with copies of the Complaint and NOI. Order No. 7 (Apr. 21, 2021), *unreviewed by Notice* (May 17, 2021).

On April 20, 2021, Complainants filed a motion for an order to show cause why the remaining ten (10) named respondents (*i.e.*, the Defaulted Respondents) should not be found in default after failing to respond to the Complaint and NOI, which had been duly served upon them. On May 4, 2021, the motion was granted and an order to show cause was issued. Order No. 8 (May 4, 2021). On June 3, 2021, after they failed to respond to the order to show cause, ALJ issued an ID finding all ten Defaulted Respondents to be in default. Order No. 9 (June 3, 2021), *unreviewed by Notice* (June 23, 2021).

On June 21, 2021, Complainants moved for a summary determination of violation of Section 337 by the Defaulted Respondents and for a recommended determination recommending entry of a general exclusion order and a bond at the rate of 100 percent during the Presidential review period.

On July 16, 2021, OUII filed a response to Complainants' motion supporting a finding of summary determination against only four (4) of the Defaulted Respondents: Darui Development, Dongguan Electronic, Shenzhen Rich Hao, and Shenzhen Saen. Specifically, OUII argued Complainants did not sufficiently connect the importation, sale, or sale after importation of certain of the Accused Products to the Defaulted Respondents. Otherwise, OUII stated it generally supports a finding that Complainants have satisfied the economic prong of the domestic industry requirement under section 337(a)(3)(A) and (B) (19 U.S.C.
