Collection of Information

Title: Generic Clearance for Civil Rights and Equity.

Type of Information Collection: New information collection.

OMB Number: 1660–NW133.

FEMA Forms: Under the Generic Clearance, each FEMA component will submit their specific forms for the collection of demographics. FEMA Form: FF–256–FY–21–100, Generic Clearance Civil Rights and Equity. The Agency is prepared to add these questions to the Individuals and Households program registration, FF–104–FY–21–123 (formerly FEMA Form 009–0–1T (English)), Tele-Registration, Disaster Assistance Registration, FF–104–FY–21–125 (formerly FEMA Form 009–0–1Int (English)), internet, Disaster Assistance Registration, FF–104–FY–21–122 (formerly FEMA Form 009–0–1 (English)), Paper Application/Disaster Assistance Registration. The demographic data will help the Individuals and Households program improve operational outcomes for vulnerable communities by using analysis of demographic data against program outcomes to evaluate whether any disparities in eligibility determinations appear to impact vulnerable communities. FEMA would then use this data to determine how to improve service delivery for all survivors. FEMA expects a burden of no more than 5 minutes per registration to answer the additional questions, with the entire estimated annual burden outlined below.

Abstract: The Federal Emergency Management Agency will use the demographic characteristics collected from applicants and beneficiaries to assess its civil rights, nondiscrimination and equity requirements, and obligations as outlined in federal civil rights laws such as the Civil Rights Act, Rehabilitation Act, and the Stafford Act.

Affected Public: Individuals or Households.

Estimated Number of Respondents: 938,800.

Estimated Number of Responses: 938,800.

Estimated Total Annual Burden Hours: 78,202.

Estimated Total Annual Respondent Cost: \$3,176,565.

Estimated Respondents' Operation and Maintenance Costs: \$0.

Estimated Respondents' Capital and Start-Up Costs: \$0.

Estimated Total Annual Cost to the Federal Government: \$3,814,696.

Comments

Comments may be submitted as indicated in the **ADDRESSES** caption above. Comments are solicited to (a) evaluate whether the proposed data collection is necessary for the proper performance of the agency, including whether the information shall have practical utility; (b) evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (c) enhance the quality, utility, and clarity of the information to be collected; and (d) minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A. The **Federal Register** notice that solicited public comment on the information collection for a period of 60 days was published on June 25, 2021 at 86 FR 33721.

HUD is submitting this proposed reinstatement, with revised title and minor text revisions, of an expired, previously approved information collection to the OMB for review, as required by the Paperwork Reduction Act of 1995 [44 U.S.C. Chapter 35, as amended].

HUD has revised the previous title of the HUD Form Series HUD–903.1 information collection from “Housing Discrimination Information Form” to “Report Housing Discrimination (“Form”).” This revised title emphasizes that submitting a “Report Housing Discrimination” Form to HUD is *not* equivalent to filing a jurisdictional housing discrimination complaint with HUD. The proposed minor text revisions comply with the procedures described in HUD’s Fair Housing Act regulation at 24 CFR part 103, subpart B, Subsections 103.10, 103.15, 103.20, 103.25, 103.30, 103.35,

and 103.40. The revised Form also provides a complete list of mailing addresses, email addresses, and fax numbers for HUD's ten (10) Regional Fair Housing and Equal Opportunity (FHEO) Offices.

The proposed minor text revisions to HUD Form Series HUD-903.1 will not increase the information collection burden for aggrieved persons. Both the previous and revised Forms ask an aggrieved person to provide their full name; address; phone and/or email contact information; and alternative contact information. Both Forms also ask the aggrieved person to answer five (5) preliminary questions that may establish HUD's authority (jurisdiction) to file and investigate a Fair Housing Act complaint.

The proposed minor text revisions to HUD Form Series HUD-903.1 will not increase the total annual burden hours for aggrieved persons who submit the Form to HUD via the internet. Therefore, HUD does not believe that the time for completing the online version of the Form will exceed the current 45-minute time limit for internet submissions.

This Notice is soliciting comments from members of the public and affected agencies concerning the proposed reinstatement, with revised title and minor text revisions, of an expired, previously approved collection of information concerning alleged discriminatory housing practices under the Fair Housing Act [42 U.S.C. 3601 *et seq.*]. The Fair Housing Act prohibits discrimination in the sale, rental, occupancy, advertising, and insuring of residential dwellings; and in residential real estate-related transactions; and in the provision of brokerage services, based on race, color, religion, sex, handicap [disability], familial status, or national origin. The Fair Housing Act also makes it unlawful to coerce, intimidate, threaten, or interfere with any person who has (1) exercised their fair housing rights; or (2) aided or encouraged another person to exercise their fair housing rights.

Any person who claims to have been injured by a discriminatory housing practice, or any person who believes that they will be injured by a discriminatory housing practice that is about to occur, may file a complaint with HUD not later than one year after the alleged discriminatory housing practice occurred or terminated. HUD has designed "Report Housing Discrimination" Form HUD-903.1 to promote consistency in the documents that, by statute, must be provided to persons against whom complaints are filed ["respondents"], and for the

convenience of the general public. Section 103.25 of HUD's Fair Housing Act regulation describes the information that must be included in each complaint filed with HUD. For purposes of meeting the Act's one-year time limitation for filing complaints with HUD, complaints need not be initially submitted on the Form that HUD provides. "Report Housing Discrimination" Form HUD-903.1 (English language), HUD-903.1A (Spanish language), HUD-903.1B (Chinese language), HUD-903.1C (Arabic language), HUD-903.1F (Vietnamese language), HUD-903.1CAM (Cambodian language), HUD-903.1KOR (Korean language), HUD-903.1RUS (Russian language), and HUD-903-1_ (Somali language) may be submitted to HUD by mail, in person, by facsimile, by email, or via the internet to HUD's Office of Fair Housing and Equal Opportunity (FHEO). FHEO staff uses the information provided on the Form to verify HUD's authority to investigate the aggrieved person's allegations under the Fair Housing Act.

A. Overview of Information Collection

Proposed Revised Title of Information Collection: "Report Housing Discrimination".

OMB Control Number: 2529-0011.

Type of Request: Proposed reinstatement, with revised title and minor text revisions, of an expired, previously approved information collection.

Form Number: HUD-903.1.

Description of the need for the information and proposed use: HUD uses "Report Housing Discrimination" Form HUD-903.1 (Form) to collect pertinent information from persons wishing to file housing discrimination complaints with HUD under the Fair Housing Act. The Fair Housing Act makes it unlawful to discriminate in the sale, rental, occupancy, advertising, or insuring of residential dwellings; or to discriminate in residential real estate-related transactions; or in the provision of brokerage services, based on race, color, religion, sex, handicap [disability], familial status, or national origin. The Fair Housing Act also makes it unlawful to coerce, intimidate, threaten, or interfere with any person who has (1) exercised their fair housing rights; or (2) aided or encouraged another person to exercise their fair housing rights.

Any person who claims to have been injured by a discriminatory housing practice, or any person who believes that they will be injured by a discriminatory housing practice that is about to occur, may file a complaint

with HUD not later than one year after the alleged discriminatory housing practice occurs or terminates. The Form promotes consistency in the collection of information necessary to contact persons who file housing discrimination complaints with HUD. It also aids in the collection of information necessary for initial assessments of HUD's authority to investigate alleged discriminatory housing practices under the Fair Housing Act. This information may subsequently be provided to persons against whom complaints are filed ["respondents"], as required under section 810(a)(1)(B)(ii) of the Fair Housing Act.

Agency form numbers, if applicable: Form HUD-903.1 (English), Form HUD-903.1A (Spanish), Form HUD-903.1B (Chinese), Form HUD-903.1C (Arabic), Form HUD-903.1F (Vietnamese), Form HUD-903.1CAM (Cambodian), Form HUD-903.1KOR (Korean), Form HUD-903.1RUS (Russian), and Form HUD-903-1_ (Somali).

Members of affected public: Individuals or households; businesses or other for-profit, not-for-profit institutions; State, Local, or Tribal Governments.

Estimation of the total number of hours needed to prepare the information collection, including the number of respondents, frequency of response, and hours of responses: During FY 2021, HUD staff received approximately 24,290 information submissions from persons wishing to file housing discrimination complaints with HUD. Of this total, HUD received 1,546 complaint submissions by telephone. The remaining 22,744 complaint submissions were transmitted to HUD by mail, in-person, by email, and via the internet. HUD estimates that an aggrieved person requires approximately 45 minutes in which to complete this Form. The Form is completed once by each aggrieved person. Therefore, the total number of annual burden hours for this Form is 17,058 hours.

$22,744 \times 1 \text{ (frequency)} \times 45 \text{ minutes (.75 hours)} = 17,058 \text{ hours.}$

Annualized cost burden to complainants: HUD does not provide postage-paid mailers for this information collection. Accordingly, aggrieved persons choosing to submit this Form to HUD by regular mail must pay the United States Postal Service's (USPS) prevailing First Class Postage rate. As of the date of this Notice, the annualized cost burden per person, based on a one-time submission of this Form to HUD via the USPS's First Class Postage rate, is Fifty-Eight Cents (\$0.58)

per person. During FY 2021, FHEO staff received approximately 983 submissions of potential complaint information by mail. Based on this number, HUD estimates that the total annualized cost burden for aggrieved persons who submit this Form to HUD by mail is \$570.00. Aggrieved persons may also submit this Form to HUD in person, by facsimile, by email, or electronically via the internet.

Status of the proposed information collection: Proposed reinstatement, with revised title and minor text revisions, of an expired, previously approved collection of pertinent information from persons wishing to file Fair Housing Act complaints with HUD.

B. Solicitation of Public Comments

This Notice is soliciting comments from members of the public and affected parties concerning the collection of information described in Section A on the following:

(1) Whether the proposed information collection is necessary for the performance of the agency's functions;

(2) Whether the agency's estimate of burdens imposed by the information collection is accurate;

(3) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) Ways to minimize the burdens of the information collection on aggrieved persons, including the use of appropriate automated collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses. HUD encourages interested parties to submit comments in response to these questions.

(5) Ways to minimize the burden of the collection of information on those who are to respond, including the use of automated collection techniques or other forms of information technology.

C. Authority

SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

The **Federal Register** notice that solicited public comment on the information collection for a period of 60 days was published on March 9, 2022 at 87 FR 13305.

A. Overview of Information Collection

Title of Proposal: HOPE VI Implementation and HOPE VI Main Street Programs.

OMB Control Number: 2577-0208.

Type of Request: Extension of a currently approved collection.

Form Number: HUD-52825-A, HUD-52861, HUD-53001-A.

Description of the need for the information and proposed use: Section 24 of the U.S. Housing Act of 1937, as added by Section 535 of the Quality Housing and Work Responsibility Act of 1998 (Pub. L. 105-276, 112 Stat. 2461, approved October 21, 1998) and revised by the HOPE VI Program Reauthorization and Small Community Main Street Rejuvenation and Housing Act of 2003 (Pub. L. 108-186, 117 Stat. 2685, approved December 16, 2003), established the HOPE VI program for the purpose of making assistance available on a competitive basis to public housing agencies (PHAs) to improve the living environment for public housing residents of severely distressed public housing projects (or portions thereof); and, beginning in Fiscal Year 2004, to rejuvenate the traditional or historic downtown areas of smaller units of local government. Funds were appropriated for competitive HOPE VI Implementation Notices of Funding Availability (NOFAs) through Fiscal Year 2011.

Remaining HOPE VI Implementation grants account for most of the burden. However, HOPE VI funds are no longer being appropriated. HOPE VI Main Street funds are being funded through the Choice Neighborhoods Initiative appropriations. Currently, there are approximately 35 HOPE VI Implementation grants that remain active and must be monitored by HUD. HUD publishes competitive bi-annual NOFAs for the HOPE VI Main Street program and monitors grants that have been awarded through those NOFAs. These information collections are required in connection with the monitoring of the remaining active HOPE VI Implementation grants and the bi-annual publication on *http://www.grants.gov* of HOPE VI Main Street NOFAs, contingent upon available funding and authorization, which announce the availability of funds provided in annual appropriations for Section 24 of the Housing Act of 1937, as amended.

Eligible units of local government interested in obtaining HOPE VI Main Street grants are required to submit applications to HUD, as explained in each NOFA. The information collection conducted in the applications enables HUD to conduct a comprehensive, merit-based selection process in order to identify and select the applications to receive funding. With the use of HUD-prescribed forms, the information collection provides HUD with sufficient
