

adopted a *Third Report and Order* on July 13, 2021, implementing the amendments to the Secure Networks Act by the CAA for the Reimbursement Program. See *Protecting Against National Security Threats to the Communications Supply Chain Through FCC Programs*, WC Docket No. 18–89, Third Report and Order, FCC 21–86 (rel. July 14, 2021) (*Third Report and Order*).

Separate from the Reimbursement Program, the Secure Networks Act requires all providers of advanced communications service to annually report, with exception, on whether they have purchased, rented, leased or otherwise obtained covered communications equipment or service on or after certain dates. 47 U.S.C. 1603(d)(2)(B). The *Second Report and Order* adopted a new information collection requirement to implement this statutory mandate. See Secure Networks Act § 5. If the provider certifies it does not have any covered equipment and services, then the provider is not required to subsequently file an annual report, unless it later obtains covered equipment and services. *Second Report and Order*, 35 FCC Rcd at 14370, at para. 215.

The Commission therefore propose to revise this information collection, as well as Form 5460, to reflect this new requirement contained in the *Public Notice* released by the Bureau on August 3, 2021. This Public Notice, among other things, requires providers participating in the Reimbursement Program to notify the Commission of ownership changes using the FCC Form 5640 to ensure the accuracy of information on file for program participants when there is a change in ownership.

Federal Communications Commission.
