Certain Walk-Behind Snow Throwers and Parts Thereof From the People's Republic of China: Antidumping Duty and Countervailing Duty Orders

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: Based on affirmative final determinations by the U.S. Department of Commerce (Commerce) and the U.S. International Trade Commission (ITC), Commerce is issuing antidumping duty (AD) and countervailing duty (CVD) orders on certain walk-behind snow throwers and parts thereof (snow throwers) from the People's Republic of China (China).

DATES: Applicable May 19, 2022.

FOR FURTHER INFORMATION CONTACT: Laurel LaCivita (AD) and Joy Zhang (CVD), AD/CVD Operations, Office III, Enforcement and Compliance, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-5848 or 202-482-1168, respectively.

SUPPLEMENTARY INFORMATION:

Background

In accordance with sections 705(d) and 735(d) of the Tariff Act of 1930, as amended (the Act), on March 29, 2022, Commerce published its affirmative final determination of sales at less than fair value (LTFV) and its affirmative final determination that countervailable subsidies are being provided to producers and exporters of snow throwers from China.¹

On May 11, 2022, pursuant to sections 705(d) and 735(d) of the Act, the ITC notified Commerce of its final affirmative determinations that an industry in the United States is materially injured by reason of LTFV

imports and subsidized imports of snow throwers from China, within the meaning of sections 705(b)(1)(A)(i) and 735(b)(1)(A)(i) of the Act.²

Scope of the Orders

The products covered by these orders are snow throwers from China. For a full description of the scope of the orders, see the appendix to this notice.

AD Order

As stated above, on May 11, 2022, in accordance with section 735(d) of the Act, the ITC notified Commerce of its final determination that an industry in the United States is materially injured within the meaning of section 735(b)(1)(A)(i) of the Act by reason of imports of snow throwers from China that are sold in the United States at LTFV.³ Therefore, in accordance with section 735(c)(2) of the Act, we are issuing this AD order. Because the ITC determined that imports of snow throwers from China are materially injuring a U.S. industry, unliquidated entries of such merchandise from China entered, or withdrawn from warehouse, for consumption are subject to the assessment of antidumping duties.

Therefore, in accordance with section 736(a)(1) of the Act, Commerce intends to direct U.S. Customs and Border Protection (CBP) to assess, upon further instruction by Commerce, antidumping duties equal to the amount by which the normal value of the merchandise exceeds the export price (or constructed export price) of the merchandise for all relevant entries of snow throwers from China. Antidumping duties will be assessed on unliquidated entries of snow throwers from China entered, or withdrawn from warehouse, for consumption on or after November 5, 2021, the date of publication of the *AD Preliminary Determination*, but will not include entries occurring after the expiration of the provisional measures period and before publication of the ITC's final injury determination, as further described below.⁴

Continuation of Suspension of Liquidation—AD

Except as noted in the "Provisional Measures—AD" section of this notice, in accordance with section 735(c)(1)(B)
