

and a postponement will ensure that Commerce has sufficient time to review all questionnaire responses and obtain clarification or additional information before determining the magnitude of dumping during the periods of investigation.³

For the reasons stated above and because there are no compelling reasons to deny the request, Commerce, in accordance with section 733(c)(1)(A) of the Act and 19 CFR 351.205(e), is postponing the deadline for the preliminary determinations by 50 days (*i.e.*, 190 days after the date on which these investigations were initiated). As a result, Commerce will issue its preliminary determinations no later than July 28, 2022. In accordance with section 735(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determinations of these investigations will continue to be 75 days after the date of the preliminary determinations, unless postponed at a later date.

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: May 13, 2022.

Lisa W. Wang,

Assistant Secretary for Enforcement and Compliance.

Circular Welded Carbon Steel Standard Pipe and Tube Products From Turkey: Correction to the Initiation Notice of the 2020–2021 Antidumping Duty Administrative Review

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

DATES: Applicable May 19, 2022.

FOR FURTHER INFORMATION CONTACT:

Magd Zalok, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–4162.

SUPPLEMENTARY INFORMATION:

Background

On July 6, 2021, the U.S. Department of Commerce (Commerce) published in the **Federal Register** notice of its initiation of the 2020–2021 administrative review of the

antidumping duty order on circular welded carbon steel standard pipe and tube products from Turkey.¹ The period of review is May 1, 2020, through April 30, 2021. Subsequent to the publication of the initiation of this segment of the proceeding in the **Federal Register**, we identified inadvertent errors in the *Initiation Notice*:

- First, Commerce omitted from the *Initiation Notice* the following company for which a review was requested: Kale Baglanti Teknolojileri San. ve Tic. A.S. (Kale Baglanti).²

- Second, we inadvertently initiated the review for Borusan Mannesmann Pipe U.S. Inc. (BMP), the affiliated U.S. reseller of the exporter Borusan Mannesmann Boru Sanayi ve Ticaret A.S. (Borusan Mannesmann) for which we also initiated a review.³

Commerce is hereby correcting the *Initiation Notice* to address these errors. This correction to the notice of initiation of administrative review is issued and published in accordance with sections 751(a) and 777(i)(1) of the Tariff Act of 1930, as amended.

Dated: May 12, 2022.

Lisa W. Wang,

Assistant Secretary for Enforcement and Compliance.

National Oceanic and Atmospheric Administration

[RTID 0648–XB896]

Takes of Marine Mammals Incidental to Specified Activities; Taking Marine Mammals Incidental to Ocean Wind II Marine Site Characterization Surveys, New Jersey

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; issuance of an incidental harassment authorization.

SUMMARY: In accordance with the regulations implementing the Marine Mammal Protection Act (MMPA) as amended, notification is hereby given that NMFS has issued an IHA to Ocean Wind II, LLC (Ocean Wind II), an affiliate of Orsted Wind Power North America LLC (Orsted), to incidentally harass, by Level B harassment, marine mammals during marine site characterization surveys off New Jersey in and around the area of Commercial Lease of Submerged Lands for Renewable Energy Development on the Outer Continental Shelf Lease Area (OCS)-A 0532. We note that the **Federal Register** notice of proposed IHA (87 FR 14823; March 16, 2022) refers to the applicant as “Ocean Wind, LLC.” This was an error on NMFS’ part and the correct name (“Ocean Wind II, LLC”) is used herein.

DATES: The Authorization is effective from May 10, 2022 through May 9, 2023.

FOR FURTHER INFORMATION CONTACT:

Jaclyn Daly, Office of Protected Resources, NMFS, (301) 427–8401. An electronic copy of the IHA and supporting documents may be obtained online at: <https://www.fisheries.noaa.gov/national/marine-mammal-protection/incidental-take-authorizations-other-energy-activities-renewable>. In case of problems accessing these documents, please call the contact listed above.

SUPPLEMENTARY INFORMATION:

Background

The MMPA prohibits the “take” of marine mammals, with certain exceptions. Sections 101(a)(5)(A) and (D) of the MMPA (16 U.S.C. 1361 *et seq.*) direct the Secretary of Commerce (as delegated to NMFS) to allow, upon request, the incidental, but not intentional, taking of small numbers of marine mammals by U.S. citizens who engage in a specified activity (other than

¹ See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 86 FR 35481 (July 6, 2021) (*Initiation Notice*).

² See Nucor Tubular Product Inc.’s Letter, “Circular Welded Carbon Steel Pipes and Tubes from Turkey: Request for Administrative Review,” dated June 1, 2021, in which Nucor Tubular Product Inc. timely requested an administrative review for Kale Baglanti, among other companies). Because Commerce received a timely review request for this company, we now correct the *Initiation Notice* to initiate a review for this company.

³ BMP was not an exporter or producer of the subject merchandise during the period of this review. It is Borusan Mannesmann’s affiliated U.S. reseller. See, *e.g.*, Borusan Mannesmann’s Letter, “Circular Welded Carbon Steel Pipes and Tubes from Turkey, Case No. A–489–501: Request for Antidumping Duty Administrative review,” dated June 1, 2021, in which Borusan Mannesmann requested an administrative review for itself and its U.S. affiliated reseller, BMP. As a result, we now correct the *Initiation Notice* to remove BMP’s name.
