New England Fishery Management Council; Public Meeting

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of public meeting.

SUMMARY: The New England Fishery Management Council (Council) is scheduling a public meeting of its Herring Committee via webinar to consider actions affecting New England fisheries in the exclusive economic zone (EEZ). Recommendations from this group will be brought to the full Council for formal consideration and action, if appropriate.

DATES: This webinar will be held on Friday, June 10, 2022, at 1 p.m. Webinar registration URL information: <https://attendee.gotowebinar.com/register/7663920824181513742>.

ADDRESSES: Council address: New England Fishery Management Council, 50 Water Street, Mill 2, Newburyport, MA 01950.

FOR FURTHER INFORMATION CONTACT: Thomas A. Nies, Executive Director, New England Fishery Management Council; telephone: (978) 465–0492.

SUPPLEMENTARY INFORMATION:**Agenda**

The Herring Committee will develop Framework 7 to the Atlantic Herring Fishery Management Plan, an action to protect adult spawning of Atlantic herring on Georges Bank. They will also review and recommend annual herring research priorities. The Committee will receive an update on the Industry Funded Monitoring (IFM) Program for the Atlantic herring fishery and consider recent correspondence about the IFM program since it was fully implemented in July 2021. Other business may be discussed, as necessary.

Although non-emergency issues not contained on the agenda may come before this Council for discussion, those issues may not be the subject of formal action during this meeting. Council action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to

take final action to address the emergency. The public also should be aware that the meeting will be recorded. Consistent with 16 U.S.C. 1852, a copy of the recording is available upon request.

Special Accommodations

This meeting is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to Thomas A. Nies, Executive Director, at (978) 465–0492, at least 5 days prior to the meeting date.

(Authority: 16 U.S.C. 1801 *et seq.*)

Dated: May 18, 2022.

Tracey L. Thompson,

Acting Deputy Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

NOAA Fisheries Draft Climate Regional Action Plans (2022–2024)

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Department of Commerce.

ACTION: Notice, extension of comment period.

SUMMARY: NMFS is extending the comment period for the Notice of Availability of Draft Climate Regional Action Plans. We, NMFS, are soliciting review and comment from the public and all interested parties, and will consider all substantive comments received during the review period before publishing final Climate Regional Action Plans. Comments are invited on: (a) The clarity of the goals and activities in the plans, (b) how to strengthen the proposed Plans and activities; (c) what additional goals and activities need to be addressed. Comments submitted in response to this notice will be provided to the Regional Action Plan Teams for consideration in development of the final plans. To review the draft regional plans, visit: <https://www.fisheries.noaa.gov/national/climate/climate-science-strategy-regional-action-plans>.

DATES: The original NoA issued on 22 April 2022 (87 FR 24099) provided a comment period ending on 02 June 2022. The comment period is now being extended and will close 29 July 2022. Comments received after this date may

not be accepted. Comments received prior to this announcement do not need to be resubmitted as a result of the extension of the comment period.

ADDRESSES: Comments may be submitted on the NOAA Fisheries Draft Climate Regional Action Plans by either of the following methods:

- **Electronic Submissions:** Submit all electronic public comments via the Federal eRulemaking Portal.

1. Go to www.regulations.gov and enter NOAA-NMFS-2022-0007 in the search box.

2. Click the “Comment” icon
3. Enter or attach your comments.

- **Mail:** Submit written comments to Roger Griffis, NMFS/Office of Science and Technology, 1315 East-West Highway, Silver Spring, MD 20910. Include on the envelope the following identifier “Draft Climate Regional Action Plans Comments.”

- **Instructions:** Comments sent by any other method, to any other address or individual, or received after the end of the comment period, may not be considered by NMFS. All comments received are part of the public record and will generally be posted for public viewing on www.regulations.gov without change. All personal identifying information (e.g., name, address, etc.), confidential business information, or otherwise sensitive information submitted voluntarily by the sender will be publicly accessible. NMFS will accept anonymous comments (enter “N/A” in the required fields if you wish to remain anonymous).

SUPPLEMENTARY INFORMATION:**Background**

The NOAA Fisheries Climate Science Strategy, released in August of 2015 and available at <https://www.fisheries.noaa.gov/topic/climate-change>, responded to the growing demand from fisheries and other decision makers for better information about what's changing, what's at risk and how to respond to changing climate and ocean conditions. The Climate Science Strategy identified seven key objectives to produce and deliver the climate-related information to meet these needs and fulfill NMFS mandates in a changing climate.
