BILLING CODE P

**DEPARTMENT OF HOMELAND
 SECURITY**

Coast Guard

33 CFR Part 165

[Docket Number USCG–2021–0831]

**2020 Quarterly Listings; Safety Zones,
 Security Zones, and Special Local
 Regulations**

AGENCY: Coast Guard, Department of
 Homeland Security (DHS).

ACTION: Notification of expired
 temporary rules issued.

SUMMARY: This document provides
 notification of substantive rules issued
 by the Coast Guard that were made
 temporarily effective but expired before
 they could be published in the **Federal
 Register**. This document lists temporary
 safety zones, security zones, and special
 local regulations, all of limited duration
 and for which timely publication in the
Federal Register was not possible.

DATES: This document lists temporary
 Coast Guard rules that became effective,
 primarily between October 2020 and
 December 2020, unless otherwise

indicated, and were terminated before
 they could be published in the **Federal
 Register**.

ADDRESSES: Temporary rules listed in
 this document may be viewed online,
 under their respective docket numbers,
 using the Federal eRulemaking Portal at
<https://www.regulations.gov>.

FOR FURTHER INFORMATION CONTACT: For
 questions on this document contact
 Yeoman First Class Glenn Grayer, Office
 of Regulations and Administrative Law,
 telephone (202) 372–3862.

SUPPLEMENTARY INFORMATION: Coast
 Guard District Commanders and
 Captains of the Port (COTP) must be
 immediately responsive to the safety
 and security needs within their
 jurisdiction; therefore, District
 Commanders and COTPs have been
 delegated the authority to issue certain
 local regulations. *Safety zones* may be
 established for safety or environmental
 purposes. A safety zone may be
 stationary and described by fixed limits
 or it may be described as a zone around
 a vessel in motion. *Security zones* limit
 access to prevent injury or damage to
 vessels, ports, or waterfront facilities.
Special local regulations are issued to
 enhance the safety of participants and
 spectators at regattas and other marine
 events.

Timely publication of these rules in
 the **Federal Register** may be precluded
 when a rule responds to an emergency,
 or when an event occurs without
 sufficient advance notice. The affected
 public is, however, often informed of
 these rules through Local Notices to

Mariners, press releases, and other
 means. Moreover, actual notification is
 provided by Coast Guard patrol vessels
 enforcing the restrictions imposed by
 the rule. Because **Federal Register**
 publication was not possible before the
 end of the effective period, mariners
 were personally notified of the contents
 of these safety zones, security zones,
 special local regulations, regulated
 navigation areas, or drawbridge
 operation regulations by Coast Guard
 officials on-scene prior to any
 enforcement action. However, the Coast
 Guard, by law, must publish in the
Federal Register notice of substantive
 rules adopted. To meet this obligation
 without imposing undue expense on the
 public, the Coast Guard periodically
 publishes a list of these temporary
 safety zones, security zones, special
 local regulations, regulated navigation
 areas, and drawbridge operation
 regulations. Permanent rules are not
 included in this list because they are
 published in their entirety in the
Federal Register. Temporary rules are
 also published in their entirety if
 sufficient time is available to do so
 before they are placed in effect or
 terminated.

The following unpublished rules were
 placed in effect temporarily during the
 period between October 2020 and
 December 2020 unless otherwise
 indicated. To view copies of these rules,
 visit www.regulations.gov and search by
 the docket number indicated in the
 following table.

BILLING CODE P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Docket Number USCG–2022–0384]

RIN 1625–AA00

Safety Zone; Cumberland River; Nashville, TN

AGENCY: Coast Guard, Department of Homeland Security (DHS).

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for all navigable waters of the Cumberland River from mile marker (MM) 189.7 to 191.1. The safety zone is needed to protect personnel, vessels, and the marine environment from potential hazards created by CMA Festival Fireworks. Entry of vessels or persons into this zone is prohibited unless specifically authorized by the Captain of the Port Sector Ohio Valley or a designated representative.

DATES: This rule is effective from 11 p.m. on June 9, 2022, through 12:15 a.m. on June 10, 2022.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <https://www.regulations.gov>, type USCG–2022–

0384 in the search box and click “Search.” Next, in the Document Type column, select “Supporting & Related Material.”

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email Petty Officer Third Class Benjamin Gardner, Marine Safety Detachment Nashville, U.S. Coast Guard; telephone 615–736–5421, email, Benjamin.T.Gardner@uscg.mil.

SUPPLEMENTARY INFORMATION:

I. Table of Abbreviations

CFR Code of Federal Regulations
 DHS Department of Homeland Security
 FR Federal Register
 NPRM Notice of proposed rulemaking
 § Section
 U.S.C. United States Code

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it is impracticable. We must establish this safety zone on June 9, 2022, and lack sufficient time to provide a reasonable comment period and then consider those comments before issuing the rule.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034 (previously 33 U.S.C. 1231). The Captain of the Port Sector Ohio Valley (COTP) has determined that potential hazards associated with the CMA Festival Fireworks starting June 9, 2022, will be a safety concern for anyone within mile marker 189.7 to 191.1 on the Cumberland River. This rule is needed to protect personnel, vessels, and the marine environment in the navigable waters within the safety zone during the firework display.

IV. Discussion of the Rule

This rule establishes a temporary safety zone from 11:00 p.m. until 12:15 a.m. from June 9, 2022, through June 10, 2022. The safety zone will cover all navigable waters between Mile Marker (MM) 189.7 to 191.1 on the Cumberland River, extending the entire width of the river. The duration of the zone is intended to protect personnel, vessels, and the marine environment in these navigable waters while the fireworks display is occurring. No vessel or person will be permitted to enter the safety zone without obtaining permission from the COTP or a designated representative. A designated representative is a commissioned, warrant, or petty officer of the U.S. Coast Guard (USCG) assigned to units under the operational control of USCG Sector Ohio Valley.

Vessels requiring entry into this safety zone must request permission from the COTP or a designated representative. To seek entry into the safety zone, contact the COTP or the COTP’s representative by telephone at 502–779–5422 or on VHF–FM channel 16.
