Federal Emergency Management Agency

[Docket ID FEMA-2022-0002; Internal Agency Docket No. FEMA-B-2237]

Changes in Flood Hazard Determinations

AGENCY: Federal Emergency Management Agency, Department of Homeland Security.

ACTION: Notice.

SUMMARY: This notice lists communities where the addition or modification of Base Flood Elevations (BFEs), base flood depths, Special Flood Hazard Area (SFHA) boundaries or zone designations, or the regulatory floodway (hereinafter referred to as flood hazard determinations), as shown on the Flood

Insurance Rate Maps (FIRMs), and where applicable, in the supporting Flood Insurance Study (FIS) reports, prepared by the Federal Emergency Management Agency (FEMA) for each community, is appropriate because of new scientific or technical data. The FIRM, and where applicable, portions of the FIS report, have been revised to reflect these flood hazard determinations through issuance of a Letter of Map Revision (LOMR), in accordance with Federal Regulations. The currently effective community number is shown in the table below and must be used for all new policies and renewals.

DATES: These flood hazard determinations will be finalized on the dates listed in the table below and revise the FIRM panels and FIS report in effect prior to this determination for the listed communities.

From the date of the second publication of notification of these changes in a newspaper of local circulation, any person has 90 days in

which to request through the community that the Deputy Associate Administrator for Insurance and Mitigation reconsider the changes. The flood hazard determination information may be changed during the 90-day period.

ADDRESSES: The affected communities are listed in the table below. Revised flood hazard information for each community is available for inspection at both the online location and the respective community map repository address listed in the table below. Additionally, the current effective FIRM and FIS report for each community are accessible online through the FEMA Map Service Center at <https://msc.fema.gov> for comparison.

Submit comments and/or appeals to the Chief Executive Officer of the community as listed in the table below.

FOR FURTHER INFORMATION CONTACT: Rick Sacbbit, Chief, Engineering Services Branch, Federal Insurance and Mitigation Administration, FEMA, 400 C Street SW, Washington, DC 20472,

(202) 646-7659, or (email) patrick.sacbibit@fema.dhs.gov; or visit the FEMA Mapping and Insurance eXchange (FMIX) online at https://www.floodmaps.fema.gov/fhm/fmx_main.html.

SUPPLEMENTARY INFORMATION: The specific flood hazard determinations are not described for each community in this notice. However, the online location and local community map repository address where the flood hazard determination information is available for inspection is provided.

Any request for reconsideration of flood hazard determinations must be submitted to the Chief Executive Officer of the community as listed in the table below.

The modifications are made pursuant to section 201 of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4105,

and are in accordance with the National Flood Insurance Act of 1968, 42 U.S.C. 4001 *et seq.*, and with 44 CFR part 65.

The FIRM and FIS report are the basis of the floodplain management measures that the community is required either to adopt or to show evidence of having in effect in order to qualify or remain qualified for participation in the National Flood Insurance Program (NFIP).

These flood hazard determinations, together with the floodplain management criteria required by 44 CFR 60.3, are the minimum that are required. They should not be construed to mean that the community must change any existing ordinances that are more stringent in their floodplain management requirements. The community may at any time enact stricter requirements of its own or pursuant to policies established by other

Federal, State, or regional entities. The flood hazard determinations are in accordance with 44 CFR 65.4.

The affected communities are listed in the following table. Flood hazard determination information for each community is available for inspection at both the online location and the respective community map repository address listed in the table below. Additionally, the current effective FIRM and FIS report for each community are accessible online through the FEMA Map Service Center at <https://msc.fema.gov> for comparison.

DEPARTMENT OF HOMELAND SECURITY

[Docket No. DHS-2022-0029]

Homeland Security Advisory Council New Projects

AGENCY: The Office of Partnership and Engagement (OPE), The Department of Homeland Security (DHS).

ACTION: Notice of initial projects for the Homeland Security Advisory Council.

SUMMARY: The Secretary of the Department of Homeland Security (DHS), Alejandro N. Mayorkas, directed his Homeland Security Advisory Council (HSAC) to establish a subcommittee entitled Assessment of Disinformation Best Practices and Safeguards on May 18, 2022. The Disinformation Best Practices and Safeguards subcommittee will provide findings and recommendations to the HSAC on how the Department can most effectively and appropriately address disinformation that poses a threat to the homeland, while increasing transparency and protecting free speech, civil rights, civil liberties, and privacy.

The Secretary also directed the HSAC to establish a subcommittee entitled Assessment of Customer Experience and Service Delivery on May 18, 2022. The Customer Experience and Service Delivery subcommittee will provide findings and recommendations to the

HSAC on how the Department can improve its customer experience and service delivery mechanisms to meet customer and community needs, including by leveraging technology and other innovations and increasing efficiency.

This notice is not a solicitation for membership.

FOR FURTHER INFORMATION CONTACT: Michael J. Miron, Deputy Executive Director of the Homeland Security Advisory Council, The Office of Partnership and Engagement, U.S. Department of Homeland Security at 202-282-8000 or HSAC@hq.dhs.gov.

SUPPLEMENTARY INFORMATION: The HSAC provides organizationally independent, strategic, timely, specific, and actionable advice and recommendations for the consideration of the Secretary of the Department of Homeland Security on matters related to homeland security. The HSAC is comprised of leaders in local law enforcement, first responders, public health, State, local and tribal government, national policy, the private sector, and academia.

Tasking (1): The Disinformation Best Practices and Safeguards subcommittee will provide findings and recommendations to the HSAC on how the Department can most effectively and appropriately address disinformation that poses a threat to the homeland, while increasing transparency and protecting free speech, civil rights, civil liberties, and privacy.

The subcommittee’s assessment will include, but need not be limited to, the following:

1. Recommendations for how the Department can most effectively and appropriately address disinformation that poses a threat to the homeland, while protecting free speech, civil rights, civil liberties, and privacy, including through proposed unified principles to guide the Department’s disinformation-related work; and,

2. Recommendations for how to achieve greater transparency across our disinformation-related work, including to increase trust with the public and other key stakeholders, in a way that could serve as a model for achieving transparency in other mission areas.

Tasking (2): As noted above, the Customer Experience and Service Delivery subcommittee will provide findings and recommendations to the HSAC on how the Department can improve our customer experience and service delivery mechanisms to meet customer and community needs, including by leveraging technology and other innovations and increasing efficiency.

DHS interacts with the public on a daily basis more than any other federal agency. It is among our top priorities to ensure we are effectively meeting the needs of the diverse communities we serve. To this end, we are focused on facilitating lawful trade and travel more efficiently, modernizing our ports of entry and border processing, increasing equity in disaster assistance programs,
