

■ 79. Revise § 102–118.645 to read as follows:

**§ 102–118.645 Can a TSP file an administrative claim on collection actions?**

Yes, a TSP may file an administrative claim involving collection actions resulting from the transportation audit performed by the GSA directly with the GSA Transportation Audits Division. Any claims submitted to GSA will be considered “disputed claims” under section 4(b) of the Prompt Payment Act (31 U.S.C. 3901, *et seq.*). The TSP must file all other transportation claims with the agency out of whose activities they arose. If this is not feasible (*e.g.*, where the responsible agency cannot be determined or is no longer in existence) claims may be sent to the GSA Transportation Audits Division for forwarding to the responsible agency or for direct settlement by the GSA Transportation Audits Division. Submit claims using Transportation Audits Management System (TAMS) at <https://tams.gsa.gov> or via mail: General Services Administration, Office of Travel, Employee Relocation and Transportation, Attn: Transportation Audits Division, 1800 F Street NW, 3rd Floor, Mail Hub 3400, Washington, DC 20405.

■ 80. Amend § 102–118.655 by—

- a. Removing “Address requests:” and adding a sentence in its place in the introductory text; and
- b. Removing paragraphs (a), (b), (c), and (d).

The addition reads as follows:

**§ 102–118.655 Are there time limits on a TSP request for an administrative review by the Civilian Board of Contract Appeals (CBCA)?**

\* \* \* Details regarding where and how to file are available at [cbca.gov/howto/rules/transportation.html#transportation](https://cbca.gov/howto/rules/transportation.html#transportation).

**§ 102–118.670 [Amended]**

[Docket No.: 211217–0262; RTID 0648–XC046]

**Fisheries of the Northeastern United States; Summer Flounder Fishery; Quota Transfer From VA to RI**

**AGENCY:** National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

**ACTION:** Notification of quota transfer.

**SUMMARY:** NMFS announces that the Commonwealth of Virginia is transferring a portion of its 2022 commercial summer flounder quota to the State of Rhode Island. This adjustment to the 2022 fishing year quota is necessary to comply with the Summer Flounder, Scup, and Black Sea Bass Fishery Management Plan quota transfer provisions. This announcement informs the public of the revised 2022 commercial quotas for Virginia and Rhode Island.

**DATES:** Effective May 27, 2022, through December 31, 2022.

**FOR FURTHER INFORMATION CONTACT:** Laura Deighan, Fishery Management Specialist, (978) 281–9184.

**SUPPLEMENTARY INFORMATION:**

Regulations governing the summer flounder fishery are found in 50 CFR 648.100 through 648.110. These regulations require annual specification of a commercial quota that is apportioned among the coastal states from Maine through North Carolina. The process to set the annual commercial quota and the percent allocated to each state is described in § 648.102 and final 2022 allocations were published on December 23, 2021 (86 FR 72859).

The final rule implementing Amendment 5 to the Summer Flounder Fishery Management Plan (FMP), as published in the *Federal Register* on December 17, 1993 (58 FR 65936), provided a mechanism for transferring

summer flounder commercial quota from one state to another. Two or more states, under mutual agreement and with the concurrence of the NMFS Greater Atlantic Regional Administrator, can transfer or combine summer flounder commercial quota under § 648.102(c)(2). The Regional Administrator is required to consider three criteria in the evaluation of requests for quota transfers or combinations: The transfer or combinations would not preclude the overall annual quota from being fully harvested; the transfer addresses an unforeseen variation or contingency in the fishery; and the transfer is consistent with the objectives of the FMP and the Magnuson-Stevens Fishery Conservation and Management Act. The Regional Administrator has determined these three criteria have been met for the transfer approved in this notification.

Virginia is transferring 6,111 lb (2,772 kg) to Rhode Island through mutual agreement of the states. This transfer was requested to repay landings made by an out-of-state permitted vessel under a safe harbor agreement. The revised summer flounder quotas for 2022 are: Virginia, 2,781,620 lb (1,261,722 kg) and Rhode Island, 2,244,327 lb (1,018,010 kg).

**Classification**

NMFS issues this action pursuant to section 305(d) of the Magnuson-Stevens Act. This action is required by 50 CFR 648.162(e)(1)(i) through (iii), which was issued pursuant to section 304(b), and is exempted from review under Executive Order 12866.
