

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Docket Number USCG–2022–0425]

RIN 1625–AA00

Safety Zone; Corte Madera Channel, Larkspur, CA

AGENCY: Coast Guard, Department of Homeland Security (DHS).

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for navigable waters within 150-feet of the overhead electrical transmission lines crossing Corte Madera Channel in Larkspur, CA. The safety zone is needed to protect personnel, vessels, and the marine environment from potential hazards created by the transfer of overhead transmission lines, which cross the channel, from one tower to another. Unauthorized persons or vessels are prohibited from entering into, transiting through, or remaining in the safety zone without the permission of the Captain of the Port San Francisco or a designated representative.

EFFECTIVE DATES: This rule is effective from 9 a.m. on May 31, 2022, through 12:30 p.m. on June 10, 2022.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <https://www.regulations.gov>, type USCG–2022–0425 in the search box and click “Search.” Next, in the Document Type column, select “Supporting & Related Material.”

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email Lieutenant William Harris, Sector San Francisco Waterways Management Division, U.S. Coast Guard; telephone 415–399–7443, email SFWaterways@uscg.mil.

CFR Code of Federal Regulations
 DHS Department of Homeland Security
 FR Federal Register
 NPRM Notice of proposed rulemaking
 § Section
 U.S.C. United States Code

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5

U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because the Coast Guard did not receive final details for this project until May 17, 2022. It is impracticable to go through the full notice and comment rule making process because the Coast Guard must establish this safety zone by May 31, 2022, and lacks sufficient time to provide a reasonable comment period and to consider those comments before issuing the rule.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be contrary to public interest because action is necessary to protect personnel, vessels, and the marine environment from the potential safety hazards created by the transfer of electrical transmission lines, which cross the Corte Madera Channel, from one tower to a newly constructed one beginning on May 31, 2022.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034 (previously 33 U.S.C. 1231). The Captain of the Port San Francisco (COTP) has determined that potential hazards associated with the transfer of the overhead electrical transmission lines, which cross the Corte Madera Channel from one tower to a newly constructed one starting May 31, 2022, will be a safety concern for anyone within a 150-foot on either side of the overhead transmission lines. For this reason, this temporary safety zone is needed to protect personnel, vessels, and the marine environment in the navigable waters within the safety zone while the overhead lines are being transferred.

IV. Discussion of the Rule

This rule establishes a safety zone from 9 a.m. until 10 a.m., 10:15 a.m. until 11:15 a.m., and 11:30 a.m. until 12:30 p.m. on each day from May 31, 2022, through June 3, 2022, and each day from June 6, 2022, through June 10, 2022. The safety zone will cover all navigable waters within 150-feet of a line connecting the following points: 37°56′30.6″ N by 122°30′19.7″ W to 37°56′38.1″ N by 122°30′16.8″ W. The

duration of the zone is intended to protect personnel, vessels, and the marine environment in these navigable waters while the overhead lines are being transferred. No vessel or person will be permitted to enter into, transit through, or remain in the safety zone without obtaining permission from the COTP or a designated representative. A “designated representative” means a Coast Guard Patrol Commander, including a Coast Guard coxswain, petty officer, or other officer operating a Coast Guard vessel, or a Federal, State, or local officer designated by or assisting the COTP in the enforcement of the safety zone.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. This rule has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB).

This regulatory action determination is based on the limited size, location, duration, and time-of-day of the safety zone. This safety zone will impact a small designated area of the Corte Madera Channel for three, one-hour periods over eight days, with 24 fifteen-minute windows designated to allow the safe transit of vessels, including ferries, through the safety zone. Moreover, the Coast Guard will issue a Broadcast Notice to Mariners via VHF–FM marine channel 16 about the zone. Any vessels or persons desiring to transit through or around the temporary safety zone may do so upon express permission from the COTP or the COTP’s designated representative.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their

fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments,

because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a temporary safety zone lasting only three one-hour periods, daily over eight days that will prohibit entry within 150-feet of a line connecting the following points: 37°56'30.6" N by 122°30'19.7" W to 37°56'38.1" N by 122°30'16.8" W. It is categorically excluded from further review under paragraph L60(a) of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 1. A Record of Environmental Consideration supporting this determination is available in the docket. For instructions on locating the docket, see the **ADDRESSES** section of this preamble.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping

requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 46 U.S.C. 70034, 70051; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Department of Homeland Security Delegation No. 00170.1, Revision No. 01.2.

■ 2. Add § 165.T11–097 to read as follows:

§ 165.T11–097 Safety Zone; Corte Madera Channel, Larkspur, CA.

(a) *Location.* The following area is a safety zone: All navigable waters of the Corte Madera Channel, from surface to bottom, 150-feet on either side of a line connecting the following points beginning at 37°56'30.6" N, 122°30'19.7" W, thence to 37°56'38.1" N, 122°30'16.8" W or as announced via Broadcast Notice to Mariners. These coordinates are based on North American Datum 83 (NAD 83).

(b) *Definitions.* As used in this section, “designated representative” means a Coast Guard Patrol Commander, including a Coast Guard coxswain, petty officer, or other officer operating a Coast Guard vessel, or a Federal, State, and Local officer designated by or assisting the Captain of the Port San Francisco (COTP) in the enforcement of the safety zone.

(c) *Regulations.* (1) Under the general safety zone regulations in subpart C of this part, you may not enter the safety zone described in paragraph (a) of this section unless authorized by the COTP or the COTP's designated representative.

(2) During the enforcement periods, the safety zone is closed to all vessel traffic, except as may be permitted by the COTP or the COTP's designated representative.

(3) Vessel operators desiring to enter or operate within the safety zone must contact the COTP or the COTP's designated representative to obtain permission to do so. Vessel operators given permission to enter or operate in the safety zone must comply with all lawful orders or directions given to them by the COTP or the COTP's designated representative. Persons and vessels may request permission to enter the safety zone on VHF–23A or through the 24-hour Command Center at telephone (415) 399–3547.

(d) *Enforcement periods.* This section will be enforced from 9 a.m. until 10 a.m., 10:15 a.m. until 11:15 a.m., and

11:30 a.m. until 12:30 p.m. on each day from May 31, 2022, through June 3, 2022, and each day from June 6, 2022, through June 10, 2022.

(e) *Information broadcasts.* The COTP or the COTP's designated representative will notify the maritime community of periods during which this zone will be enforced, in accordance with § 165.7.

Dated: May 24, 2022.

Taylor Q. Lam,

Captain, U.S. Coast Guard, Captain of the Port San Francisco.

BILLING CODE 9110-04-P

DEPARTMENT OF HOMELAND SAFETY

Coast Guard

33 CFR Part 165

[Docket Number USCG-2022-0288]

RIN 1625-AA00

Safety Zone; Movie Production; Buzzards Bay, New Bedford, MA

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for navigable waters within a 150-yard radius of movie production vessels filming near the hurricane barrier in New Bedford, Massachusetts. The safety zone is needed to protect cast members in the water and vessels operating in the area during movie production operations. Entry of vessels or persons into this zone is prohibited unless specifically authorized by the Captain of the Port Sector Southeastern New England or a designated representative.

DATES: This rule is effective from 8 a.m. June 1, 2022 through 6 p.m. June 5, 2022. This rule will only be subject to enforcement from 8 a.m. through 6 p.m. on one of these dates dependent on weather conditions.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type USCG-2022-0288 in the "SEARCH" box and click "SEARCH." Click on Open Docket Folder on the line associated with this rule.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email Petty Officer Joshua Herriott, Sector Southeastern New England, U.S. Coast Guard; telephone (401) 435-2342, email SENEWWM@uscg.mil.

SUPPLEMENTARY INFORMATION:

I. Table of Abbreviations

CFR Code of Federal Regulations
COTP Captain of the Port Sector Southeastern New England
DHS Department of Homeland Safety
FR Federal Register
NPRM Notice of Proposed Rulemaking
§ Section
U.S.C. United States Code

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a Notice of Proposed Rulemaking (NPRM) with respect to this rule because the safety zone must be established by June 1, 2022. Any delay encountered in this regulation's effective date by publishing a NPRM would be contrary to public interest since immediate action is needed to provide for the safety of life and property on navigable waters from the hazards created by the movie production including people and equipment in the water and numerous support vessels.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be impracticable because immediate action is needed to protect the safety of life and property on the navigable waters from the hazards created by the movie production including people and equipment in the water and numerous support vessels.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034 (previously 33 U.S.C. 1231). The movie production company requested that the Coast Guard establish a safety zone within a 150-yard radius near the hurricane barrier in New Bedford, Massachusetts, approximate position, 41° 37.460 N, 070° 54.350 W. The purpose of the temporary safety zone is to facilitate the safety of the cast and production crew within the safety zone during movie production operations.

IV. Discussion of the Rule

For the reasons above, the Captain of the Port, Sector Southeastern New England (COTP) is establishing a temporary safety zone within a 150-yard radius near the hurricane barrier in New Bedford, Massachusetts, approximate position, 41° 37.460 N, 070° 54.350 W. No vessel or person will be permitted to enter the safety zone from 8 a.m. June 1, 2022 through 6 p.m. June 5, 2022. This rule will only be subject to enforcement from 8 a.m. through 6 p.m. on one of these dates dependent on weather conditions. Entry into the safety zone is prohibited unless specifically authorized by the COTP or their designated representative. A designated representative is a commissioned, warrant, or petty officer of the U.S. Coast Guard assigned to units under the operational control of U.S. Coast Guard Sector Southeastern New England.

Requests for entry will be considered and reviewed on a case-by-case basis. The COTP may be contacted by telephone at 508-457-3211 or can be reached by VHF-FM channel 16. Persons and vessels permitted to enter these safety zone must transit at their slowest safe speed and comply with all lawful directions issued by the COTP or the designated representative.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. This rule has not been designated a "significant regulatory action," under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB).

This regulatory action determination is based on the size, location, duration, and time-of-year of the safety zone. This safety zone will minimally impact the New Bedford Harbor entrance. Moreover, the Coast Guard will issue Broadcast Notice to Mariners via VHF-FM marine channel 16 about the zone, and the rule allows vessels to seek permission to enter the zone.
