**SUPPLEMENTARY INFORMATION:**

Table A—2022–2023 Award Year Deadline Dates by Which a Student Must Submit the FAFSA, by Which the Institution Must Receive the Student’s Institutional Student Information Record (ISIR) or Student Aid Report (SAR), and by Which the Institution Must Submit Verification Outcomes for Certain Students.

Table A provides information and deadline dates for receipt of the FAFSA, corrections to and signatures for the FAFSA, ISIRs, and SARs, and verification documents.

The deadline date for the receipt of a FAFSA by the Department’s Central Processing System (CPS) is June 30, 2023, regardless of the method that the applicant uses to submit the FAFSA. The deadline date for the receipt of a signature page for the FAFSA (if required), corrections, notices of change of address or institution, or requests for a duplicate SAR is September 9, 2023.

For all title IV, HEA programs, an ISIR or SAR for the student must be received by the institution no later than the student’s last date of enrollment for the 2022–2023 award year or September 16, 2023, whichever is earlier. Note that a FAFSA must be submitted and an ISIR or SAR received for the dependent student for whom a parent is applying for a Direct PLUS Loan.

Except for students selected for Verification Tracking Groups V4 and V5, verification documents must be received by the institution no later than 120 days after the student’s last date of enrollment for the 2022–2023 award year or September 16, 2023, whichever is earlier. For students selected for Verification Tracking Groups V4 and V5, institutions must submit identity and high school completion status verification results no later than 60 days following the institution’s first request to the student to submit the documentation.

For all title IV, HEA programs except for (1) Direct PLUS Loans that will be made to parent borrowers, and (2) Direct Unsubsidized Loans that will be made to dependent students who have been determined by the institution, pursuant to section 479A(a) of the HEA, to be eligible for such a loan without providing parental information on the FAFSA, the ISIR or SAR must have an official expected family contribution

(EFC) and the ISIR or SAR must be received by the institution no later than the earlier of the student’s last date of enrollment for the 2022–2023 award year or September 16, 2023. For the two exceptions mentioned above, the ISIR or SAR must be received by the institution by the same dates noted in this paragraph but the ISIR or SAR is not required to have an official EFC.

For a student who is requesting aid through the Pell Grant, FSEOG, or FWS programs or for a student requesting Direct Subsidized Loans, who does not meet the conditions for a late disbursement under 34 CFR 668.164(j), a valid ISIR or valid SAR must be received by the institution by the student’s last date of enrollment for the 2022–2023 award year or September 16, 2023, whichever is earlier.

In accordance with 34 CFR 668.164(j)(4)(i), an institution may not make a late disbursement of title IV, HEA program funds later than 180 days after the date of the institution’s determination that the student was no longer enrolled. Table A provides that, to make a late disbursement of title IV, HEA program funds, an institution must receive a valid ISIR or valid SAR no later than 180 days after its determination that the student was no longer enrolled, but not later than September 16, 2023.

Table B—2022–2023 Award Year Deadline Dates by Which an Institution Must Submit Disbursement Information for the Pell Grant, Iraq and Afghanistan Service Grant, Direct Loan and TEACH Grant Programs.

For the Pell Grant, Iraq and Afghanistan Service Grant, Direct Loan, and TEACH Grant programs, Table B provides the earliest disbursement date, the earliest dates for institutions to submit disbursement records to the Department’s Common Origination and Disbursement (COD) System, and deadline dates by which institutions must submit disbursement and origination records.

An institution must submit Pell Grant, Iraq and Afghanistan Service Grant, Direct Loan, and TEACH Grant disbursement records to COD, no later than 15 days after making the disbursement or becoming aware of the need to adjust a previously reported disbursement. In accordance with 34 CFR 668.164(a), title IV, HEA program funds are disbursed on the date that the institution: (a) Credits those funds to a student’s account in the institution’s general ledger or any subledger of the general ledger; or (b) pays those funds to a student directly. Title IV, HEA program funds are disbursed even if an institution uses its own funds in

advance of receiving program funds from the Department.

An institution's failure to submit disbursement records within the required timeframe may result in the Department rejecting all or part of the reported disbursement. Such failure may also result in an audit or program review finding or the initiation of an adverse action, such as a fine or other penalty for such failure, in accordance with subpart G of the General Provisions regulations in 34 CFR part 668.

**Deadline Dates for Enrollment Reporting by Institutions**

In accordance with 34 CFR 674.19(f), 682.610(c), 685.309(b), and 690.83(b)(2), upon receipt of an enrollment report from the Secretary, institutions must update all information included in the report and return the report to the Secretary in a manner and format prescribed by the Secretary and within the timeframe prescribed by the Secretary. Consistent with the *National Student Loan Data System (NSLDS) Enrollment Reporting Guide*, the Secretary has determined that institutions must report at least every two months. <sup>1</sup> The deadline for electronic transactions is 11:59 p.m. (Central Time) on the deadline date. Transmissions must be completed and accepted before 12:00 midnight to meet the deadline. If transmissions are started before 12:00 midnight but are not completed until after 12:00 midnight, those transmissions do not meet the deadline. In addition, any transmission submitted on or just prior to the deadline date that is rejected may not be reprocessed because the deadline will have passed by the time the user gets the information notifying him or her of the rejection.

<sup>2</sup> The date the ISIR/SAR transaction was processed by CPS is considered to be the date the institution received the ISIR or SAR regardless of whether the institution has downloaded the ISIR from its Student Aid Internet Gateway (SAIG) mailbox or when the student submits the SAR to the institution.

<sup>3</sup> Although the Secretary has set this deadline date for the submission of verification documents, if corrections are required, deadline dates for submission of paper or electronic corrections and, for Pell Grant applicants and applicants selected for verification, deadline dates for the submission of a valid SAR or valid ISIR to the institution must still be met. An institution may establish an earlier deadline for the submission of verification documents for purposes of the campus-based programs and the Direct Loan Program, but it cannot be later than this deadline date.

<sup>4</sup> Note that changes to previously submitted Identity Verification Results must be updated within 30 days of the institution becoming aware that a change has occurred.
