33 CFR Part 100

[Docket No. USCG–2022–0402]

Special Local Regulation; Dutch Shoe Regatta; San Diego, CA

AGENCY: Coast Guard, DHS.

ACTION: Notification of enforcement of regulation.

SUMMARY: The Coast Guard will enforce the Dutch Shoe Regatta special local regulation on the waters of San Diego Bay, California on July 22, 2022. These special local regulations are necessary to provide for the safety of the participants, crew, spectators, sponsor vessels, and general users of the waterway. During the enforcement period, persons and vessels are prohibited from anchoring, blocking, loitering, or impeding within this regulated area unless authorized by the Captain of the Port, or his designated representative.

DATES: The regulations in 33 CFR 100.1101 will be enforced for the Dutch Shoe Regatta regulated area listed in

item 4 in Table 1 to § 100.1101 from 11 a.m. to 4 p.m. on July 22, 2022.

FOR FURTHER INFORMATION CONTACT: If you have questions about this notice of enforcement, call or email Lieutenant Commander John Santorum, Waterways Management, U.S. Coast Guard Sector San Diego, CA; telephone (619) 278–7656, email *MarineEventsSD@uscg.mil*.

SUPPLEMENTARY INFORMATION: The Coast Guard will enforce the special local regulations in 33 CFR 100.1101 for the Dutch Shoe Regatta in San Diego Bay, CA for the location described in Table 1 to § 100.1101, Item No. 4 of that section Regatta from 11 a.m. to 4 p.m. on July 22, 2022. This action is being taken to provide for the safety of life on navigable waterways during this event. Our regulation for marine events within the Eleventh Coast Guard District, § 100.1101, specifies the location of the regulated area for the Dutch Shoe Regatta which encompasses the waters of San Diego Bay, CA, from Shelter Island to Glorietta Bay. Under the provisions of § 100.1101, persons and vessels are prohibited from anchoring, blocking, loitering, or impeding within this regulated area unless authorized by the Captain of the Port, or his designated representative. The Coast Guard may be assisted by other Federal, State, or local law enforcement agencies in enforcing this regulation.

In addition to this notice of enforcement in the **Federal Register**, the Coast Guard will provide the maritime community with advance notification of this enforcement period via the Local Notice to Mariners, Safety Marine Information Broadcast, and local advertising by the event sponsor.

If the Captain of the Port Sector San Diego or his designated representative determines that the regulated area need not be enforced for the full duration stated on this document, he or she may use a marine information broadcast or other communications coordinated with the event sponsor to grant general permission to enter the regulated area.

Dated: June 1, 2022.

T.J. Barelli,

Captain, U.S. Coast Guard, Captain of the Port San Diego.

[Docket Number USCG–2022–0431]

RIN 1625–AA00

Safety Zone; Barge Fire; Captain of the Port Delaware Bay Zone

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard establishing a temporary moving safety zone within the Captain of the Port Delaware Bay Zone near the barge with Hull Number: CMTYNOT6. This action is needed to provide for the safety of life on these navigable waters from a barge fire and all associated emergency response actions. This rulemaking prohibits persons and vessels from being in the regulated areas during the enforcement period unless authorized entry by the Captain of the Port (COTP), Delaware Bay Zone or a designated representative.

DATES: This rule is effective without actual notice from June 7, 2022 through June 15, 2022. For the purposes of enforcement, actual notice will be used from May 30, 2022, until June 7, 2022 unless canceled earlier by the Captain of the Port Delaware Bay.

DHS Department of Homeland Security
FR Federal Register
NPRM Notice of proposed rulemaking
§ Section
U.S.C. United States Code

II. Background Information and Regulatory History

On May 23, 2022, the Coast Guard issued a rulemaking creating a temporary safety zone on the navigable waters of the Delaware Bay Captain of the Port Zone to protect persons and

vessels during response operations associated with a barge fire. A copy of the rulemaking ending on May 30, 2022, is available in the Docket USCG–2022–0431, which can be found using instructions in the **ADDRESSES** section. However, additional time is needed to conduct response and salvage operations including damage assessment, cargo removal, dewatering, and the movement of the barge to an adequate facility, and, as a result, the Coast Guard is establishing through temporary regulations a safety zone what will be in effect through June 15, 2022, unless canceled earlier by the COTP. The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it would be impracticable and contrary to the public interest. The Coast Guard was unable to publish an NPRM and hold a reasonable comment period for this rulemaking due to the emergent nature of the barge fire response and salvage operations. Immediate action is needed to provide for the safety of life on these navigable waters during response and salvage operations.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be impracticable and contrary to the public interest because immediate action is needed to provide for the safety of life on these navigable waters during response and salvage operations.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034. The Captain of the Port Delaware Bay (COTP) has determined that potential hazards associated with response and salvage operations will be a safety concern for anyone within a 500-yard radius of the barge (Hull Number: CMTYNOT6), and emergency response vessels, machinery, and equipment. This rule is needed to protect personnel, vessels, and the marine environment in the navigable waters within the safety

zone while response and salvage operations are being conducted.

IV. Discussion of the Rule

This rule establishes a temporary safety zone that will be enforced from May 30, 2022, through June 15, 2022, unless canceled earlier by the Captain of the Port, Delaware Bay. The safety zone will cover all navigable waters in the Captain of the Port Delaware Bay Zone within 500 yards of the barge (Hull Number: CMTYNOT6), and vessels, machinery, and equipment being used in response and salvage operations for that barge which had caught on fire on May 23, 2022. The duration of the zone is intended to protect personnel, vessels, and the marine environment in these navigable waters until completion of response and salvage operations. No vessel or person will be permitted to enter the safety zone without obtaining permission from the COTP or a designated representative.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. This rule has not been designated a “significant regulatory action” under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB).

This regulatory action determination is based on the size and location of the safety zone. Vessel traffic will be able to safely transit around this safety zone which would impact a small designated area of the waters of the Delaware Bay Captain of the Port Zone. Moreover, the Coast Guard would issue a Broadcast Notice to Mariners via VHF–FM marine channel 16 about the zone.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their

fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments,

because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a safety zone that will prohibit entry within 500 yards of the barge, vessels, and machinery being used in emergency response operations. It is categorically excluded from further review under paragraph L60(a) of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 1. A Record of Environmental Consideration supporting this determination is available in the docket. For instructions on locating the docket, see the **ADDRESSES** section of this preamble.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 46 U.S.C. 70034, 70051; 33 CFR 1.05–1, 6.04–1, 6.04–6, and 160.5; Department of Homeland Security Delegation No. 00170.1, Revision No. 01.2.

■ 2. Add § 165.T05–0431 to read as follows:

§ 165.T05–0431 Safety Zone; Barge Fire; Captain of the Port Delaware Bay Zone

(a) *Location.* The following area is a safety zone: All waters in the Captain of the Port Delaware Bay Zone within 500 yards, from surface to bottom, of the barge (Hull Number: CMTYNOT6), and vessels, machinery, and equipment being used in emergency response and salvage operations for that barge.

(b) *Definitions.* As used in this section, *designated representative* means a Coast Guard Patrol Commander, including a Coast Guard coxswain, petty officer, or other officer operating a Coast Guard vessel and a Federal, State, and local officer designated by or assisting the Captain of the Port Delaware Bay in the enforcement of the safety zone.

(c) *Regulations.* (1) Under the general safety zone regulations in subpart C of this part, you may not enter the safety zone described in paragraph (a) of this section unless authorized by the COTP or the COTP's designated representative.

(2) To seek permission to enter, contact the COTP or the COTP's representative by VHF Channel 16. Those in the safety zone must comply with all lawful orders or directions given to them by the COTP or the COTP's designated representative.

(d) *Enforcement period.* This section will be enforced from May 30, 2022, through June 15, 2022, unless canceled earlier by the COTP.

Dated: May 29, 2022.

Jonathan D. Theel,

Captain, U.S. Coast Guard, Captain of the Port, Delaware Bay.

Coast Guard

33 CFR Part 165

[Docket No. USCG–2022–0437]

Safety Zones; Delaware River; DRWC Fireworks; Penn's Landing

AGENCY: Coast Guard, DHS.

ACTION: Notice of enforcement of regulation.

SUMMARY: The Coast Guard will enforce the Penn's Landing, Delaware River, Philadelphia, PA; Safety Zone from 8:30 p.m. through 9:15 p.m. on June 8, 2022 to provide for the safety of life on navigable waterways during this firework event. Our regulation for marine events within the Fifth Coast Guard District identifies the regulated area for this event in Philadelphia, PA. During the enforcement period, the operator of any vessel in the regulated area must comply with directions from the Patrol Commander or any Official Patrol displaying a Coast Guard ensign.

DATES: The regulation in table 1 to paragraph (h)(1) to 33 CFR 165.506, entry 10, will be enforced 8:45 p.m. through 9:15 p.m. on June 8, 2022.

FOR FURTHER INFORMATION CONTACT: If you have questions about this notice of enforcement, you may call or email Petty Officer Thomas Welker, U.S. Coast Guard, Sector Delaware Bay, Waterways Management Division, telephone 215–271–4814, email Thomas.j.welker@uscg.mil.

SUPPLEMENTARY INFORMATION: The Coast Guard will enforce the safety zone in table 1 to paragraph (h)(1) to 33 CFR 165.506, entry 10 for the DRWC Fireworks Display from 8:30 p.m. until 9:15 p.m. on June 8, 2022. This action is necessary to ensure safety of life on the navigable waters of the United States immediately prior to, during, and immediately after the fireworks displays. Our regulation for safety zones of fireworks displays within the Fifth Coast Guard District, table 1 to paragraph (h)(1) to 33 CFR 165.506, entry 10 specifies the location of the regulated area as all waters of Delaware River, adjacent to Penn's Landing, Philadelphia, PA, within 500 yards of the launch site at approximate position latitude 39°56'49" N, longitude 075°08'11" W. During the enforcement period, as reflected in § 165.506(d), vessels may not enter, remain in, or transit through the safety zone unless authorized by the Captain of the Port or
