**SUPPLEMENTARY INFORMATION:** The decision to approve the revised Forest Plans and the Regional Forester's list of species of conservation concern for the Sierra and Sequoia National Forests will be subject to the objection process identified in 36 CFR part 219 Subpart B (219.50 to 219.62). Per 36 CFR 219.53 only individuals and entities who have submitted substantive formal comments related to a plan revision during the opportunities for public comment that are attributable to the objector may file an objection unless the objection concerns an issue that arose after the opportunities for formal comment.

## How To File an Objection

Objections must be submitted to the Reviewing Officer at the address shown in the **ADDRESSES** section of this notice. An objection must include the following (36 CFR 219.54(c)):

(1) The objector's name and address along with a telephone number or email address if available. In cases where no identifiable name is attached to an objection, the Forest Service will attempt to verify the identity of the objector to confirm objection eligibility;

(2) Signature or other verification of authorship upon request (a scanned signature for electronic mail may be filed with the objection);

(3) Identification of the lead objector, when multiple names are listed on an objection. The Forest Service will communicate to all parties to an objection through the lead objector. Verification of the identity of the lead objector must also be provided if requested;

(4) The name of the plan, plan amendment, or plan revision being objected to, and the name and title of the responsible official;

(5) A statement of the issues and/or parts of the plan, plan amendment, or plan revision to which the objection applies;

(6) A concise statement explaining the objection and suggesting how the draft plan decision may be improved. If the objector believes that the plan, plan amendment, or plan revision is inconsistent with law, regulation, or policy, an explanation should be included;

(7) A statement that demonstrates the link between the objector's prior substantive formal comments and the content of the objection, unless the objection concerns an issue that arose after the opportunities for formal comment; and

(8) All documents referenced in the objection (a bibliography is not sufficient), except the following need not be provided:

a. All or any part of a Federal law or regulation,

b. Forest Service Directive System documents and land management plans or other published Forest Service documents,

c. Documents referenced by the Forest Service in the planning documentation related to the proposal subject to objection, and

d. Formal comments previously provided to the Forest Service by the objector during the proposed plan, plan amendment, or plan revision comment period.

It is the responsibility of the objector to ensure that the Reviewing Officer receives the objection in a timely manner. The regulations generally prohibit extending the length of the objection filing period (36 CFR 219.56(d)). However, when the time period expires on a Saturday, Sunday, or a Federal holiday, the time is extended to the end of the next Federal working day (11:59 p.m. for objections filed by electronic means such as email or facsimile machine) (36 CFR 219.56).

## Responsible Official

The responsible official who will approve the Record of Decision (ROD) and the revised Forest Plan for the Sierra National Forest is Forest Supervisor Dean Gould, Sierra National Forest Headquarters, 1600 Tollhouse Road, Clovis, CA 3611, and Phone:(559) 297–0706. The responsible official who will approve the ROD and the revised Forest Plan for the Sequoia National Forest is Forest Supervisor Teresa Benson, Sequoia National Forest Supervisor's Office, 1839 S Newcomb, Porterville, CA 93257, and Phone: (559) 784–1500. The responsible official for the list of species of conservation concern is Regional Forester Jennifer Eberlien, USDA Forest Service Pacific Southwest Region, 1323 Club Drive, Vallejo, CA 94592.

The Regional Forester is the reviewing officer for the revised Forest Plan since the Forest Supervisor is the responsible official (36 CFR 219.56(e)). The Chief of the Forest Service is the reviewing officer for species of conservation concern identification since the Regional Forester is the responsible official (36 CFR 219.56(e)(2)).

This authority may be delegated to an individual Deputy Chief or Associate Deputy Chief for the National Forest System, consistent with delegations of authority provided in the Forest Service Manual at sections 1235.4 and 1235.5.

**SUPPLEMENTARY INFORMATION:**

#### I. Abstract

The Quarterly Survey of U.S. Direct Investment Abroad—Transactions of U.S. Reporter with Foreign Affiliate (Form BE–577) obtains quarterly data on transactions and positions between U.S.-owned foreign business enterprises and their U.S. parents, except certain private funds. The survey is a sample survey that covers all foreign affiliates above a size-exemption level. The sample data are used to derive universe estimates in nonbenchmark years from similar data reported in the BE–10, Benchmark Survey of U.S. Direct Investment Abroad, which is conducted every five years. The data are essential for the preparation of the U.S. international transactions accounts, the national income and product accounts, the input-output accounts, and the international investment position of the United States. The data are needed to measure the size and economic significance of direct investment abroad, measure changes in such investment, and assess its impact on the U.S. and foreign economies. The Bureau of Economic Analysis (BEA) is not proposing any changes to the BE–577 survey.

#### II. Method of Collection

Notice of specific reporting requirements, including who is to report, the information to be reported, the manner of reporting, and the time and place of filing reports, will be mailed to potential respondents each quarter. Reports are due 30 days after the close of each calendar or fiscal quarter—45 days if the report is for the final quarter of the respondent's financial reporting year. Reports are required from each U.S. person that has a direct and/or indirect ownership interest of at least 10 percent of the voting stock in an incorporated foreign business enterprise, or an equivalent interest in an unincorporated foreign business enterprise, and that meets the additional conditions detailed in Form BE–577. Certain private funds are exempt from reporting. Entities required to report will be contacted individually by BEA. Entities not contacted by BEA have no reporting responsibilities.

Potential respondents are those U.S. business enterprises that reported owning foreign business enterprises in the 2019 benchmark survey of U.S. direct investment abroad, along with entities that subsequently entered the direct investment universe. The data collected are sample data. Universe estimates are developed from the reported sample data.

BEA offers electronic filing through its eFile system (*www.bea.gov/efile*) for use in reporting on the BE–577 survey forms. In addition, BEA posts its survey forms and reporting instructions on its website (*www.bea.gov/dia*).
