BILLING CODE 8011-01-P

SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270-127, OMB Control No. 3235-0108]

Proposed Collection; Comment Request; Extension; Rule 14f-1

Upon Written Request Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Under Exchange Act Rule 14f-1 (17 CFR 240.14f-1), if a person or persons have acquired securities of an issuer in a transaction subject to Sections 13(d) or 14(d) of the Exchange Act, and changes a majority of the directors of the issuer otherwise than at a meeting of security holders, then the issuer must file with the Commission and transmit to security holders information related to the change in directors within 10 days prior to the date the new majority takes office as directors. The information filed under Rule 14f-1 must be filed with the Commission and is publicly available.

We estimate that it takes approximately 18 burden hours to provide the information required under Rule 14f-1 and that the information is filed by approximately 30 respondents for a total annual reporting burden of 540 hours (18 hours per response × 30 responses).

Written comments are invited on: (a) whether this proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency’s estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication by August 15, 2022.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Please direct your written comment to David Bottom, Director/Chief Information Officer, Securities and Exchange Commission, c/o John Pezzullo, 100 F Street NE, Washington, DC 20549 or send an email to: PRA_Mailbox@sec.gov.

Dated: June 10, 2022.

J. Matthew DeLesDernier,
Assistant Secretary.

BILLING CODE 8011-01-P

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-95085; File No. SR-ISE-2022-10]

Self-Regulatory Organizations; Nasdaq ISE, LLC; Order Approving a Proposed Rule Change, as Modified by Amendment No. 1, To Amend ISE Options 4, Section 5, Series of Options Contracts Open for Trading

June 10, 2022.

I. Introduction

On April 11, 2022, Nasdaq ISE, LLC (“ISE” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4

thereunder,² a proposed rule change to amend Supplementary Material .07 to Options 4, Section 5 to limit the strike price intervals for certain Short Term Options Series with an expiration date more than twenty-one days from the listing date. The proposed rule change was published for comment in the **Federal Register** on April 27, 2022.³ On June 1, 2022, the Exchange filed Amendment No. 1, which replaced and superseded the proposed rule change in its entirety.⁴ This order approves the proposed rule change, as modified by Amendment No. 1.

II. Description of Proposed Rule Change, as Modified by Amendment No. 1

Background

Pursuant to Supplementary Material .03 to Options 4, Section 5, the Exchange may open for trading certain option series that expire at the close of business on each of the next five Fridays that are business days and are not Fridays in which monthly options series or quarterly option series expire (“Short Term Option Series Program”). Supplementary Material .03(e)⁵ specifies the strike intervals for the Short Term Option Series Program.

To reduce the density of strike intervals that would be listed in later weeks, ISE amended Options 4, Section 5 to limit the intervals between strikes

² 17 CFR 240.19b-4.

³ See Securities Exchange Act Release No. 94773 (April 11, 2022), 87 FR 25065 (“Notice”). The Commission received comment letters that are not germane to the proposed rule change and are available on the Commission’s website at: <https://www.sec.gov/comments/sr-ise-2022-10/srise202210.htm>.

⁴ In Amendment No. 1, the Exchange revised the three examples provided in the proposal for greater clarity. Because the changes in Amendment No. 1 do not materially alter the substance of the proposed rule change or raise unique or novel regulatory issues, Amendment No. 1 is not subject to notice and comment. Amendment No. 1 is available on the Commission’s website at: <https://www.sec.gov/comments/sr-ise-2022-10/srise202210.htm>.

⁵ Supplementary Material .03(e) of Options 4, Section 5 states, “Strike Interval. During the month prior to expiration of an option class that is selected for the Short Term Option Series Program pursuant to this Rule (“Short Term Option”), the strike price intervals for the related non-Short Term Option (“Related non-Short Term Option”) shall be the same as the strike price intervals for the Short Term Option. The Exchange may open for trading Short Term Option Series on the Short Term Option Opening Date that expire on the Short Term Option Expiration Date at strike price intervals of (i) \$0.50 or greater where the strike price is less than \$100, and \$1 or greater where the strike price is between \$100 and \$150 for all option classes that participate in the Short Term Options Series Program; (ii) \$0.50 for option classes that trade in one dollar increments and are in the Short Term Option Series Program; or (iii) \$2.50 or greater where the strike price is above \$150.”
