Request for Comments: National Standards for the Physical Inspection of Real Estate and Associated Protocols

AGENCY: Office of the Assistant Secretary for Housing—Federal Housing Commissioner, Office of the Assistant

Secretary for Community Planning and Development, Office of the Assistant Secretary for Public and Indian Housing, HUD.

ACTION: Request for public comment.

SUMMARY: This Request for public comment serves as a complementary document to the Economic Growth Regulatory Relief and Consumer Protection Act: Implementation of National Standards for the Physical Inspection of Real Estate (NSPIRE) proposed rule. The proposed rule provided that HUD would publish in the **Federal Register** a set of NSPIRE inspection standards to consolidate and align housing quality requirements and associated inspection standards across programs. After developing and testing draft standards, HUD now seeks public review and comment on the proposed NSPIRE physical inspection standards which would accompany HUD’s final rule. Additionally, HUD is proposing changes to the list of life-threatening conditions and incorporating them into the NSPIRE inspection standards in place of codifying the list which HUD proposed in the “Housing Opportunity Through Modernization Act (HOTMA) of 2016—Housing Choice Voucher (HCV) and Project Based Voucher Implementation: Additional Streamlining Changes” proposed rule. HUD will consider comments received in response to this request before publishing a final notice of standards in the **Federal Register**.

DATES: *Comment Due Date:* August 1, 2022.

ADDRESSES: HUD invites interested persons to submit comments to the Office of the General Counsel, Regulations Division, Department of Housing and Urban Development, 451 7th Street SW, Room 10276, Washington, DC 20410–0500. Communications should refer to the above docket number and title. There are two methods for submitting public comments.

1. *Electronic Submission of Comments.* Comments may be submitted electronically through the Federal eRulemaking Portal at <https://www.regulations.gov/>. HUD strongly encourages commenters to submit comments electronically. Electronic submission of comments allows the commenter maximum time to prepare and submit a comment, ensures timely receipt by HUD, and enables HUD to make comments immediately available to the public. Comments submitted electronically through the website can be viewed by other commenters and interested members of the public.
