This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Title of Collection: William D. Ford Federal Direct Loan Program (Direct Loan Program) Promissory Notes and related forms.

OMB Control Number: 1845-0007.

Type of Review: Revision of a currently approved collection.

Respondents/Affected Public: Individuals or Households
Total Estimated Number of Annual Responses: 9,862,685.

Total Estimated Number of Annual Burden Hours: 4,021,665.

Abstract: The Direct Subsidized Loan and Direct Unsubsidized Loan Master Promissory Note (Subsidized/Unsubsidized MPN) serves as the means by which an individual agrees to repay a Direct Subsidized Loan and/or Direct Unsubsidized Loan.

The Direct PLUS Loan Master Promissory Note (PLUS Loan MPN) serves as the means by which an individual applies for and agrees to repay a Direct PLUS Loan. If a Direct PLUS Loan applicant is determined to have an adverse credit history, the applicant may qualify for a Direct PLUS Loan by obtaining an endorser who does not have an adverse credit history. The Endorser Addendum serves as the means by which an endorser agrees to repay the Direct PLUS Loan if the borrower does not repay it.

An MPN is a promissory note under which a borrower may receive loans for a single or multiple academic years. The MPN explains the terms and conditions of the loans that are made under the MPN.

The Direct Consolidation Loan Application and Promissory Note (Consolidation Note) serves as the means by which a borrower applies for a Direct Consolidation Loan and promises to repay the loan. It also explains the terms and conditions of the Direct Consolidation Loan. The Consolidation Note Instructions explain to the borrower how to complete the Consolidation Note. The Consolidation Additional Loan Listing Sheet provides additional space for a borrower to list loans that he or she wishes to consolidate. The Consolidation Request to Add Loans serves as the means by which a borrower may add other loans to an existing Direct Consolidation Loan within a specified time period. The Consolidation Loan Verification Certificate serves as the means by which the U.S. Department of Education obtains the information needed to pay off the holders of the loans that the borrower wants to consolidate.

This revision updates the Subsidized/Unsubsidized MPN and the Consolidation Note by removing information related to the 150% Subsidized Usage Limit requirements. This previous statutory provision was repealed by the Free Application for Federal Student Aid (FAFSA) Simplification Act, part of the part of the Consolidated Appropriations Act, 2021 (Public Law 116–260), and no longer applies to borrowers of Direct Subsidized Loans and Direct Consolidation Loans. There are no proposed changes to the PLUS MPN or to any of the other forms included in this submission.
