The Commission’s Office of Unfair Import Investigations is not named as a party in this investigation. *Id.*

Subsequently, the ALJ granted Complainant’s motion for partial termination of the investigation by withdrawal of the ’875 and the ’521 patents, and claims 2, 14, 17-19, and 25-27 of the ’117 patent; claims 1-3, 5-8, and 18 of the ’255 patent; and claims 2-3, 7, 14, 20-22, 30, and 32 of the ’767 patent. *See* Order No. 29 (Oct. 13, 2021), *unreviewed by* Comm’n Notice (Nov. 3,

The ALJ also granted in part and denied in part Complainant’s motion for summary determination that it has satisfied the importation requirement. *See* Order No. 34 (Oct. 28, 2021), *unreviewed by* Comm’n Notice (Nov. 29, 2021). The ALJ also granted in part Luxshare’s motion for summary determination that the importation requirement has not been met for certain products. *See* Order No. 35. On November 29, 2021, the Commission determined to review that determination. Comm’n Notice (Nov. 29, 2021).

On March 11, 2022, the ALJ issued the final ID. On March 25, 2022, Complainant petitioned for review of the final ID. On April 4, 2022, Respondents filed a response.

Having reviewed the record of the investigation, including the final ID, the parties’ submissions to the ALJ and the Commission, the Commission has determined to review the ID in part. Specifically, the Commission has determined to review the ID’s findings on (1) importation, including any findings impacted by the determination on importation; (2) the Redesigned Products; (3) infringement for claim 9 of the ’117 patent; (4) the construction of the term “contact tail adapted for attachment to the printed circuit board that is perpendicular to the . . . printed circuit board” of the ’767 patent; (5) infringement analysis for claims 1, 4-6, 9-13, 15-17, 19, and 23 of the ’767 patent; (6) the technical prong findings for the ’767 patent; (7) obviousness for the ’767 patent; and (8) the economic prong of domestic industry analysis.

In connection with its review, the Commission requests responses to the following question. The parties are requested to brief their positions with reference to the applicable law and the existing evidentiary record.

(1) Please address whether Complainant waived the argument that the QSFP 2x1 SMT products are representative of the QSFP 2x1 Press-fit products. Please include citations to the record before the ALJ.

The parties are invited to brief only the discrete question identified above. The parties are not to brief other issues on review, which are adequately presented in the parties’ existing filings.

In connection with the final disposition of this investigation, the statute authorizes issuance of, *inter alia*, (1) an exclusion order that could result in the exclusion of the subject articles from entry into the United States; and/or (2) cease and desist orders that could result in the respondents being required to cease and desist from engaging in unfair acts in the importation and sale
