SUPPLEMENTARY INFORMATION: Notice is here given in accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), 25 U.S.C. 3003, of the correction of an inventory of human remains and associated funerary objects under the control of the California Department of Transportation, Oakland, CA. The human remains and associated funerary objects were removed from the Suscol Site (CA-NAP-15/H) in Napa County, CA.

This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA, 25 U.S.C. 3003(d)(3). The determinations in this notice are the sole responsibility of the museum, institution, or Federal agency that has control of the Native American human remains and associated funerary objects. The National Park Service is not responsible for the determinations in this notice.

This notice corrects the cultural affiliation of human remains and associated funerary objects published in a Notice of Inventory Completion in the **Federal Register** (65 FR 67756-67757, November 13, 2000). This correction is being made after officials at CALTRANS identified additional culturally affiliated Indian Tribes. Also, the name of the culturally affiliated Indian Tribe listed in the previous notice is corrected. Transfer of control of the items in this correction notice has not occurred.

Correction

In the **Federal Register** (65 FR 67757, November 13, 2000), column 2, paragraph 1, sentence 3 is corrected by substituting the following sentence:

Officials of the California Department of Transportation have determined that, pursuant to 43 CFR 10.2(e), there is a relationship of shared group identity which can be reasonably traced between these Native American human remains and associated funerary objects and the Cachil DeHe Band of Wintun Indians of the Colusa Indian Community of the Colusa Rancheria, California; Kletsel Dehe Band of Wintun Indians (*previously* listed as Cortina Indian Rancheria); and the Yocha Dehe Wintun Nation, California (*previously* listed as Rumsey Indian Rancheria of Wintun Indians of California) (hereafter referred to as The Tribes).

Additional Requestors and Disposition

Lineal descendants or representatives of any Indian Tribe or Native Hawaiian

organization not identified in this notice that wish to request transfer of control of these human remains and associated funerary objects should submit a written request with information in support of the request to Todd Jaffke, Senior Environmental Planner, California Department of Transportation, P.O. Box 94623 (M.S.8), Oakland, CA 94623-0660, telephone (510) 960-5025, email todd.jaffke@dot.ca.gov, by July 27, 2022. After that date, if no additional requestors have come forward, transfer of control of the human remains and associated funerary objects to The Tribes may proceed.

The California Department of Transportation is responsible for notifying The Tribes that this notice has been published.

Dated: June 10, 2022.

If no additional claimants come forward, transfer of control of the cultural item to the lineal descendants, Indian Tribes, or Native Hawaiian organizations stated in this notice may proceed.

DATES: Lineal descendants or representatives of any Indian Tribe or Native Hawaiian organization not identified in this notice that wish to claim this cultural item should submit a written request with information in support of the claim to the Museum at the address in this notice by July 27, 2022.

FOR FURTHER INFORMATION CONTACT: Dr. Gilles Bransbourg, Executive Director, American Numismatic Society, 75 Varick Street, 11th Floor, New York, NY 10013, telephone (212) 571-4470, email gbransbourg@numismatics.org.

SUPPLEMENTARY INFORMATION: Notice is hereby given in accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), 25 U.S.C. 3005, of the intent to repatriate a cultural item under the control of the American Numismatic Society, New York, NY, that meets the definition of an unassociated funerary object and an object of cultural patrimony under 25 U.S.C. 3001.

This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA, 25 U.S.C. 3003(d)(3). The determinations in this notice are the sole responsibility of the museum, institution, or Federal agency that has control of the Native American cultural item. The National Park Service is not responsible for the determinations in this notice.

History and Description of the Cultural Item

In or around 1912, one cultural item was removed from a Pawnee burial site in Nance County, NE. In 1913, the item was published by A.G. Parker in *The Numismatist* (vol. 26, p. 132), who wrote that it was "recently found at Genoa, Neb., by John Vaught, a man employed by the village of Genoa to repair the water works reservoir. . . . The hill referred to was at one time used as a burying ground by the Pawnee Indians. . . ." In 1915, William Poillon, Edward T. Newell, and Thomas L. Elder donated the item to the Museum.

The one unassociated funerary object and object of cultural patrimony is a silver medal issued by the United States Mint with a right-side profile image of Abraham Lincoln, with the following text on the obverse: "ABRAHAM LINCOLN, PRESIDENT OF THE UNITED STATES 1862." On the reverse is a central vignette of a rural scene, encircled by a scalping scene flanked by a quiver of arrows, a bow, a tomahawk, and the head of a woman.

By letter dated January 4, 2022, the Museum informed the Pawnee Nation of Oklahoma (the "Pawnee Nation") of the discovery of this item in the Museum's collection and its apparent affiliation with the Pawnee Nation. On February 2, 2022, the Museum met with the President of the Pawnee Nation to discuss the item.

By letter dated February 8, 2022, the Pawnee Nation requested repatriation of the item as an unassociated funerary object and/or as an object of cultural

patrimony, emblematic of the military and diplomatic history of the Pawnee Nation in the nineteenth century and in particular during the Indian Wars on the Great Plains, when the Pawnee Nation was a military ally of the United States.

Determinations Made by the American Numismatic Society

Officials of the American Numismatic Society have determined that:

- Pursuant to 25 U.S.C. 3001(3)(B), the one cultural item described above is reasonably believed to have been placed with or near the human remains of a Native American at the time of death or later as part of the death rite or ceremony of the Pawnee Nation of Oklahoma and is believed, by a preponderance of the evidence, to have been removed from the burial site of a Native American individual.

- Pursuant to 25 U.S.C. 3001(3)(D), the one cultural item described above has an ongoing historical, traditional, or cultural importance central to the Native American group or culture itself, rather than property owned by an individual.

- Pursuant to 25 U.S.C. 3001(2), there is a relationship of shared group identity that can be reasonably traced between the unassociated funerary object and object of cultural patrimony and the Pawnee Nation of Oklahoma.

Additional Requestors and Disposition

Lineal descendants or representatives of any Indian Tribe or Native Hawaiian organization not identified in this notice that wish to claim this cultural item should submit a written request with information in support of the claim to Dr. Gilles Bransbourg, Executive Director, American Numismatic Society, 75 Varick Street, 11th Floor, New York, NY 10013, telephone (212) 571-4470, email gbransbourg@numismatics.org, by July 27, 2022. After that date, if no additional claimants have come forward, transfer of control of the unassociated funerary object and object of cultural patrimony to the Pawnee Nation of Oklahoma may proceed.

The American Numismatic Society is responsible for notifying the Pawnee Nation of Oklahoma that this notice has been published.
