better understand their experience implementing the new rent policies. For the first phase of the evaluation, MDRC is expected to conduct two rounds of staff interviews with each PHA. This collection request focuses on the first of the two rounds of staff data collection. During the first round, MDRC expects to

interview up to ten staff per PHA (reflecting a mix of executive management staff, public housing and HCV directors, and public housing and HCV specialists). The mode will be a mix of one-on-one interviews and group interviews, with small groups of 2–3 staff performing similar roles.

Housing Trust Fund Federal Register Allocation Notice

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice of fiscal year 2022 funding awards.

SUMMARY: The Housing and Economic Recovery Act of 2008 (HERA) established the Housing Trust Fund (HTF) to be administered by HUD. Pursuant to the Federal Housing Enterprises Financial Security and

Soundness Act of 1992 (the Act), as amended by HERA, eligible HTF grantees are the 50 states, the District of Columbia, the Commonwealth of Puerto Rico, American Samoa, Guam, the Commonwealth of Northern Mariana Islands, and the United States Virgin Islands. This notice announces the formula allocation amount for each eligible HTF grantee.

FOR FURTHER INFORMATION CONTACT: Virginia Sardone, Director, Office of Affordable Housing Programs, Room 7164, Department of Housing and Urban Development, 451 Seventh Street SW, Washington, DC 20410–7000; telephone (202) 708–2684. (This is not a toll-free number.) A telecommunications device for hearing- and speech-impaired persons (TTY) is available at 800–877–8339 (Federal Information Relay Service). (This is a toll-free number).

SUPPLEMENTARY INFORMATION: Section 1131 of HERA, Division A amended the Act to add a new section 1337 entitled “Affordable Housing Allocations” and a new section 1338 entitled “Housing Trust Fund.” Congress authorized the Housing Trust Fund (HTF) with the stated purpose of: (1) Increasing and

preserving the supply of rental housing for extremely low-income families with incomes between 0 and 30 percent of area median income and very low-income families with incomes between 30 and 50 percent of area median income, including homeless families, and (2) increasing homeownership for extremely low-income and very low-income families. Section 1337 of the Act (12 U.S.C. 4567) requires Federal National Mortgage Association (Fannie Mae) and Federal Home Loan Mortgage Corporation (Freddie Mac) to set-aside 4.2 basis points (.042 percent) of the unpaid principal of their new mortgage purchases annually to fund the HTF and the Capital Magnet Fund. Each year, 65% of the amounts set-aside by Fannie Mae and Freddie Mac are then allocated to the HTF.

Section 1338 of the Act (12 U.S.C. 4568) directs HUD to establish, through regulation, the formula for distribution of amounts made available for the HTF. The provisions in section 1338(c)(3) of the Act (12 U.S.C. 4568(c)(3)) specify the factors to be used for the formula and priority for certain factors. The HTF implementing regulations are at 24 CFR part 93. The factors and methodology HUD uses to allocate HTF funds among eligible grantees are established in the HTF regulation at 24 CFR 93.50, 93.51, and 93.52.

The funding announced for Fiscal Year 2022 through this notice is \$748,948,400.71. Appendix A to this notice provides the HTF allocation amount for each grantee.

Jemine Bryon,

Acting General Deputy Assistant Secretary for Community Planning and Development.
