SSA is soliciting comments on the accuracy of the agency’s burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Mail, email, or fax your comments and recommendations on the information collection(s) to the OMB Desk Officer and SSA Reports Clearance Officer at the following addresses or fax numbers.

(OMB) Office of Management and Budget, Attn: Desk Officer for SSA, Comments: <https://www.reginfo.gov/public/do/PRAMain>. Submit your comments online referencing Docket ID Number [SSA–2022–0030].

Or you may submit your comments online through <https://www.reginfo.gov/public/do/PRAMain>, referencing Docket ID Number [SSA–2022–0030].

The information collections below are pending at SSA. SSA will submit them to OMB within 60 days from the date of this notice. To be sure we consider your comments, we must receive them no later than August 29, 2022. Individuals can obtain copies of the collection instruments by writing to the above email address.

1. *Application for Lump Sum Death Payment—20 CFR 404.390–404.392—0960–0013.* SSA uses Form SSA–8 to collect information needed to authorize payment of the lump sum death payment (LSDP) to a widow, widower, or children as defined in section 202(i) of the Social Security Act (Act). Respondents complete the application for this one-time payment through use of the paper form, or personal interview with an SSA employee either via telephone, or in a field office. For all personal interviews (either telephone or in-person), we collect the information via our electronic Modernized Claim System (MCS) screens. When a respondent completes the paper Form SSA–8, they mail it back to SSA. Respondents are applicants for the LSDP.

Type of Request: Revision of an OMB-approved information collection.

2. *Representative Payee Evaluation Report—20 CFR 404.2065 & 416.665—0960–0069.* Sections 205(j) and 1631(a)(2) of the Act state that SSA may authorize payment of Social Security benefits or Supplemental Security Income (SSI) payments to a representative payee on behalf of individuals unable to manage, or direct the management of, those funds themselves. SSA requires certain appointed representative payees to

report once each year on how they used or conserved those funds. Some representative payees, such as natural or adoptive parents of minor children or spouses of beneficiaries, are generally not required to complete this report. When a representative payee fails to adequately report to SSA, SSA conducts a face-to-face interview with the payee and completes Form SSA–624–F5, Representative Payee Evaluation Report, to determine the continued suitability of

the representative payee to serve as a payee. In addition to interviewing the representative payee, we also interview the recipient, and custodian (if other than the payee), to confirm the information the payee provides, and to ensure the payee is meeting the recipient’s current needs. However, we do not require the interviews to be face-to-face with non-representative payees. The respondents are individuals or organizations serving as representative

payees for individuals receiving Title II benefits or Title XVI payments, and who fail to comply with SSA’s statutory

annual reporting requirement, and the recipients for whom they act as payee.

3. *Application for Benefits Under the Italy-U.S. International Social Security Agreement—20 CFR 404.1925—0960-0445.* As per the November 1, 1978 totalization agreement between the United States (U.S.) and Italian Social Security agencies, residents of Italy filing an application for U.S. Social Security benefits directly with one of

the Italian Social Security agencies must complete Form SSA-2528-IT. SSA uses Form SSA-2528-IT to establish age, relationship, citizenship, marriage, death, military service, or to evaluate a family bible or other family record when determining eligibility for U.S. benefits. The Italian Social Security agencies assist applicants in completing Form

SSA-2528-IT, and then forward the application to SSA for processing. The respondents are individuals living in Italy who wish to file for U.S. Social Security benefits.

4. *Request for Social Security Statement—20 CFR 404.810—0960-0466.* Section 205(c)(2)(A) of the Act requires the Commissioner of SSA to establish and maintain records of wages paid to, and amounts of self-employment income derived by, each individual, as well as the periods in which such wages were paid, and such income derived. An individual may

complete and mail Form SSA-7004 to SSA to obtain a Statement of Earnings or Quarters of Coverage, or they may access their statement online using my Social Security. SSA uses the information from Form SSA-7004 to identify a respondent’s Social Security earnings records; extract posted earnings information; calculate potential benefit estimates; produce the resulting

Social Security statements; and mail them to the requesters. The respondents are Social Security number holders requesting information about their Social Security earnings records and estimates of their potential benefits.

5. *Agency/Employer Government Pension Offset Questionnaire—20 CFR 404.408(a)—0960-0470.* When an individual is concurrently receiving Social Security spousal, or surviving

spousal, benefits and a government pension, the individual may have the amount of Social Security benefits reduced by the government pension amount. This is the Government

Pension Offset (GPO). SSA uses Form SSA-L4163 to collect accurate pension information from the Federal or State government agency paying the pension for purposes of applying the pension

offset provision. SSA uses this form only when (1) the claimant does not have the information; and (2) the pension-paying agency has not

cooperated with the claimant. Respondents are State government agencies, which have information SSA

needs to determine if the GPO applies, and the amount of offset.

6. Beneficiary Recontact Report—20 CFR 404.703 & 404.705—0960-0502. SSA investigates recipients of disability payments to determine their continuing eligibility for payments. Research indicates recipients may fail to report circumstances that affect their

eligibility. Two such cases are: (1) when parents receiving disability benefits for their child marry; and (2) the removal of an entitled child from parents' care. SSA uses Form SSA-1588-SM to ask mothers or fathers about both their marital status and children under their

care, to detect overpayments and avoid continuing payment to those are no longer entitled. Respondents are recipients of mothers' or fathers' Social Security benefits.

7. Complaint Form for Allegations of Discrimination in Programs or Activities Conducted by the Social Security Administration—0960-0585. SSA uses Form SSA-437 to investigate and formally resolve complaints of discrimination based on disability, race, color, national origin (including limited English language proficiency), sex (including sexual orientation and gender identity), age, religion, or retaliation for having participated in a proceeding under this administrative

complaint process in connection with an SSA program or activity. Individuals who believe SSA discriminated against them on any of the above bases may file a written complaint of discrimination. SSA uses the information to: (1) identify the complaint; (2) identify the alleged discriminatory act; (3) establish the date of such alleged action; (4) establish the identity of any individual(s) with information about the alleged discrimination; and (5) establish other relevant information that would assist

in the investigation and resolution of the complaint. Respondents can submit the form or written complaint via mail or email. Respondents are individuals who believe SSA, or SSA employees, contractors, or agents, discriminated against them in connection with programs or activities conducted by SSA.

Type of Request: Revision of an OMB-approved information collection.

8. Private Printing and Modification of Prescribed Application and Other Forms—20 CFR 422.527—0960-0663. 20 CFR 422.527 of the Code of Federal Regulations requires a person, institution, or organization (third-party entities) to obtain approval from SSA prior to reproducing, duplicating, or privately printing any application or

other form the agency owns. To obtain SSA's approval, entities must make their requests in writing using their company letterhead, providing the required information set forth in the regulation. SSA uses the information to: (1) ensure requests comply with the law and regulations, and (2) process requests from third-party entities who want to

reproduce, duplicate, or privately print any SSA application or other SSA form. SSA employees review the requests and provide approval via email or mail to the third-party entities. The respondents are third-party entities who submit a request to SSA to reproduce, duplicate, or privately print an SSA-owned form.

9. *Technical Updates to Applicability of the Supplemental Security Income (SSI) Reduced Benefit Rate for Individuals Residing in Medical Treatment Facilities—20 CFR 416.708(k)—0960–0758.* Section 1611(e)(1)(A) of the Act specifies residents of public institutions are ineligible for SSI. However, Sections 1611(e)(1)(B) and (G) of the Act list certain exceptions to this provision, making it necessary for SSA to collect information about SSI recipients who

enter or leave a medical treatment facility or other public or private institution. SSA’s regulation 20 CFR 416.708(k) establishes the reporting guidelines that implement this legislative requirement. SSA uses this information collection to determine SSI eligibility or the benefit amount for SSI recipients who enter or leave institutions. SSA personnel collect this information directly from SSI recipients, or from someone reporting on their behalf. An SSI recipient who enters an

institution may be unable to report; therefore, a family member sometimes makes this report on behalf of the recipient. When contacting SSA, the recipient, or family member of the recipient, provides the name of the institution, the date of admission, and the expected date of discharge. The respondents are SSI recipients who enter or leave an institution, or individuals reporting on their behalf.

10. *Statement for Determining Continuing Entitlement for Special Veterans Benefits (SVB)—0960–0782.* Title VIII of the Act provides for the payment of Special Veterans benefits (SVB) to certain World War II veterans who reside outside of the U.S. SSA regularly reviews individuals’ claims for SVB to determine their continued eligibility and correct payment amounts.

Individuals living outside the U.S. receiving SVB must report to SSA any changes that may affect their benefits. These include changes such as: (1) a change in mailing address or residence; (2) an increase or decrease in a pension, annuity, or other recurring benefit; (3) a return or visit to the U.S. for a calendar month or longer; or (4) an inability to manage benefits. SSA uses Form SSA–

2010–F6, to collect this information. All beneficiaries have face-to-face interviews with the Federal Benefits Unit (FBU) every year who assist them in completing this form. Respondents are SVB beneficiaries living outside the U.S. Type of Request: Revision of an OMB-approved information collection.

Form SSA–263, Waiver of Supplemental Security Income Payment Continuation, to inform SSA of this decision. SSA collects the information to determine whether the SSI recipient meets the provisions of the Social Security Act

regarding waiver of payment continuation and as proof respondents no longer want their payments to continue. Respondents are recipients of SSI payments who wish to discontinue

receipt of payment while awaiting a determination on their appeal.

SOCIAL SECURITY ADMINISTRATION
[Docket No. SSA-2022-0020]
Maximum Dollar Limit in the Fee Agreement Process
AGENCY: Social Security Administration.
ACTION: Notice.

SUMMARY: We are increasing the maximum dollar amount limit for fee agreements approved under the Social Security Act (the Act) to \$7,200. Effective November 30, 2022, we may approve fee agreements up to the new dollar limit, provided that the fee agreement otherwise meets the statutory conditions of the agreement process.
DATES: We will apply this notice beginning on November 30, 2022.
FOR FURTHER INFORMATION CONTACT: Mary Quatroche, Office of Vocational, Evaluation, and Process Policy in the Office of Disability Policy, Social Security Administration, 6401 Security Boulevard, Baltimore, MD 21235-6401 (410)-966-4794.
 For information on eligibility or filing for benefits, call SSA's national toll-free number, 1-800-772-1213 or TTY 1-800-325-0778, or visit SSA's internet site, Social Security Online at <http://www.socialsecurity.gov>.
SUPPLEMENTARY INFORMATION: The Act provides a streamlined process for a representative to obtain approval of the fee the representative wishes to charge for representing a claimant before us.¹ To use that process, the representative(s) and the claimant must agree, in writing, to a fee that does not exceed the lesser of 25 percent of past due benefits or a prescribed dollar

amount. Section 5106 of the Omnibus Budget Reconciliation Act (OBRA) of 1990, Public Law 101-508, set the initial fee amount at \$4,000 and gave the Commissioner the authority to increase it periodically, provided that the cumulative rate of increase did not at any time exceed the rate of increase in the primary insurance amount (PIA) since January 1, 1991. The law further provided that notice of any increased amount shall be published in the **Federal Register**. On February 4, 2009, we published a notice raising the maximum fee to \$6,000, effective June 22, 2009, which is the current maximum dollar amount for fee agreements.²
 With this notice, we announce that the maximum dollar amount for fee agreements will increase to \$7,200, effective November 30, 2022. This increase does not exceed the rate of increase provided in the OBRA of 1990. We expect that this increase will compensate representatives for their services while ensuring claimants are protected from excessive fees.
 In setting the new cap, we considered a number of factors, including: feedback we received about the current fee cap, the Cost of Living Adjustment rates, PIAs, data about fees authorized under the current fee cap, increases in disability benefits, data about case backlogs, and the effects on our claimants.
 Beginning November 30, 2022, decision makers may approve a fee agreement up to the new dollar limit if the fee agreement meets the statutory conditions for approval, no exceptions to the fee agreement process exist, and the favorable determination or decision is issued on or after this date. We are setting this date to ensure there is adequate time to provide training and guidance to our employees and to make necessary changes in our information technology infrastructure.
 The Acting Commissioner of Social Security, Kilolo Kijakazi, Ph.D., M.S.W.,

having reviewed and approved this document, is delegating the authority to electronically sign this document to Faye I. Lipsky, who is the primary **Federal Register** Liaison for the Social Security Administration, for purposes of publication in the **Federal Register**.
