**Truck and Bus Tires From the People's Republic of China: Final Results of the Countervailing Duty Administrative Review; 2020**

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The U.S. Department of Commerce (Commerce) determines that certain exporters/producers of truck and bus tires from the People's Republic of China (China) received countervailable subsidies during the period of review (POR) January 1, 2020, through December 31, 2020. Additionally, we are rescinding the review for eight companies with no shipments of subject merchandise to the United States during the POR.

**DATES:** Applicable June 30, 2022.

**FOR FURTHER INFORMATION CONTACT:** Brontee Jeffries or Theodore Pearson, AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-4656 or (202) 482-2631, respectively.

**Background**

Commerce published the *Preliminary Results* of this administrative review on March 8, 2022,<sup>1</sup> and invited comments from interested parties. For a complete description of the events that occurred since the *Preliminary Results*, see the Issues and Decision Memorandum.<sup>2</sup>

<sup>1</sup> See *Truck and Bus Tires from the People's Republic of China: Preliminary Results of Countervailing Duty Administrative Review, Rescission of Review in Part, and Intent to Rescind in Part; 2020*, 87 FR 12929 (March 8, 2022) (*Preliminary Results*).

<sup>2</sup> See Memorandum, "Issues and Decision Memorandum for the Final Results of the Countervailing Duty Administrative Review of Truck and Bus Tires from the People's Republic of China," concurrently with, and hereby adopted by, this notice.

**Scope of the Order**

The products covered by the *Order* are truck and bus tires. For a complete description of the scope, see the Issues and Decision Memorandum.

**Analysis of Comments Received**

All issues raised by the interested parties in their case and rebuttal briefs are addressed in the Issues and Decision Memorandum. A list of these issues is provided in Appendix I to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and CVD Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

**Changes Since the Preliminary Results**

Based on comments received from interested parties, we revised the calculation of the net countervailable subsidy rate for Ge Rui Da Rubber Co., Ltd. (GRT). We made no changes for Prinx Chengshan (Shandong) Tire Co., Ltd. For a discussion of the issues, see the Issues and Decision Memorandum.

**Methodology**

Commerce conducted this administrative review in accordance

with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we find that there is a subsidy, *i.e.*, a government-provided financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific.<sup>3</sup> For a full description of the methodology underlying all of Commerce's conclusions, including our reliance, in part, on adverse facts available pursuant to sections 776(a) and (b) of the Act, see the Issues and Decision Memorandum.

**Partial Rescission of Administrative Review**

It is Commerce's practice to rescind an administrative review of a countervailing duty order, pursuant to 19 CFR 351.213(d)(3), when there are no reviewable entries of subject merchandise during the POR for which liquidation is suspended.<sup>4</sup> Normally, upon completion of an administrative review, the suspended entries are liquidated at the countervailing duty assessment rate calculated for the review period.<sup>5</sup> Therefore, for an administrative review of a company to be conducted, there must be a reviewable, suspended entry that Commerce can instruct U.S. Customs and Border Protection (CBP) to liquidate at the countervailing duty assessment rate calculated for the review period.<sup>6</sup>

According to the CBP import data, eight companies subject to this review

did not have reviewable entries of subject merchandise during the POR for which liquidation is suspended.<sup>7</sup> Further, in response to the *Preliminary Results*, no party submitted information to contradict the information on the record. Therefore, because there is no evidence on the record of this segment of the proceeding to indicate that these companies had entries, exports, or sales of subject merchandise to the United States during the POR, we are rescinding the administrative review with respect to these companies, consistent with 19 CFR 351.213(d)(3).

**Non-Selected Companies' Rate**

We made no changes to the methodology for determining a rate for companies not selected for individual examination from the *Preliminary Results*. However, due to changes in calculations for GRT, the non-selected rate changed for each of the eight non-selected companies for which a review was requested and not rescinded, and which were not selected as mandatory respondents. For these companies, we are applying an *ad valorem* subsidy rate of 16.85 percent.

**Final Results of the Administrative Review**

We find the following net countervailable subsidy rates for the POR January 1, 2020, through December 31, 2020:

Producer/exporter	Subsidy rate (percent <i>ad valorem</i> )
Prinx Chengshan (Shandong) Tire Co., Ltd. <sup>8</sup> .....	17.85
Qingdao Ge Rui Da Rubber Co., Ltd. <sup>9</sup> .....	16.76

**Review-Specific Average Rate Applicable to the Following Companies**

Jiangsu General Science Technology Co., Ltd .....	16.85
Jiangsu Hankook Tire Co., Ltd .....	16.85
Qingdao Awesome International Trade Co., Ltd .....	16.85
Qingdao Doublestar Tire Industrial Co., Ltd .....	16.85
Shandong Haohua Tire Co., Ltd .....	16.85
Shandong Huasheng Rubber Co., Ltd .....	16.85
Shandong Kaixuan Rubber Co., Ltd .....	16.85
Triangle Tyre Co., Ltd .....	16.85

### Assessment Requirements

In accordance with section 751(a)(2)(C) of the Act and 19 CFR 351.212(b)(2), Commerce shall determine, and CBP shall assess, countervailing duties on all appropriate entries covered by this review. Commerce intends to issue assessment instructions to CBP no earlier than 35 days after publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

With respect to the companies for which this administrative review is rescinded, countervailing duties shall be assessed at rates equal to the cash deposit rate required at the time of entry, or withdrawal from warehouse, for consumption, during the period January 1, 2020, through December 31, 2020, in accordance with 19 CFR 351.212(c)(1)(i).

### Cash Deposit Requirements

In accordance with section 751(a)(1) of the Act, we also intend to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts shown above for the above-listed companies with regard to shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of these final results of review. For all non-reviewed firms, CBP will continue to collect cash deposits of estimated countervailing duties at the all-others rate or the most recent company-specific rate applicable to the company, as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice.

### Administrative Protective Order

This notice also serves as a final reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

### Notification to Interested Parties

CFR 351.213(d)(4) and 19 CFR 351.221(b)(5).

Dated: June 24, 2022.
