

Commission's electronic docket (EDIS) at <https://edis.usitc.gov>. General information concerning the Commission may be obtained by accessing its internet address (<https://www.usitc.gov>). Hearing-impaired individuals are advised that information on this matter can be obtained by contacting the TDD terminal on 202-205-1810.

SUPPLEMENTARY INFORMATION: The information requested by the questionnaire is for use by the Commission in connection with Investigation No. 332-588, *Foreign Trade Zones (FTZs): Effects of FTZ Policies and Practices on U.S. Firms Operating in U.S. FTZs and Under Similar Programs in Canada and Mexico*, instituted under the authority of section 332(g) of the Tariff Act of 1930 (19 U.S.C. 1332(g)). This investigation and report were requested by the United States Trade Representative (USTR) on December 14, 2021. This investigation was initiated on January 26, 2022, and the notice of investigation was published in the **Federal Register** on January 31, 2022 (87 FR 4914). The Commission will deliver its report to USTR by April 14, 2023.

As stated in the notice of investigation, USTR requested that the Commission's report include detailed data and other information on firms operating in FTZs in the United States, and under similar programs in Canada, and Mexico. Such information is not available in the requested specificity from governmental and other public sources. The Commission indicated in its notice of investigation that it will need to obtain much of such data and information through a survey. The survey will assist the Commission in developing, as requested, an overview of economic activity and policies and practices in U.S. FTZs and under similar programs in Canada and Mexico, and the effects of those policies and practices on the cost competitiveness of products of firms operating in these programs. Similar programs in Canada include the Duties Relief Program, Drawback Program, Export Distribution Center Program, and Exporters of Processing Services Program. Similar programs in Mexico include Industria Manufacturera, Maquiladora y de Servicios de Exportación (IMMEX), Value Added Tax (VAT)/Special Tax on Production and Services (IEPS) Certification, Programa de Promoción Sectorial (PROSEC), Rule 8 (Regla 8), and Operadores Económicos Autorizados (OEA) (previously Nuevo Esquema de Empresas Certificadas (NEEC)).

The Commission intends to submit the following draft information collection plan to OMB:

- (1) Number of forms submitted: 1.
 - (2) Title of form: Foreign Trade Zones Questionnaire.
 - (3) Type of request: New.
 - (4) Frequency of use: Industry questionnaire, single data gathering, scheduled for 2022.
 - (5) Description of respondents: U.S. firms that have been granted production authority in a U.S. FTZ and have exercised that authority since January 1, 2016.
 - (6) Estimated number of questionnaire requests to be emailed: 400.
 - (7) Estimated total number of hours to complete the questionnaire per respondent: 25 hours.
 - (8) Information obtained from the questionnaire that qualifies as confidential business information will be so treated by the Commission and not disclosed in a manner that would reveal the individual operations of a business.
- Copies of the draft questionnaire and other supplementary documents may be downloaded from the USITC website at <https://www.usitc.gov/ftzinvestigation>.

By order of the Commission.

Issued: June 28, 2022.

Katherine Hiner,

Acting Secretary to the Commission.

BILLING CODE 7020-02-P

INTERNATIONAL TRADE COMMISSION

[Investigation No. 337-TA-1213]

Notice of a Commission Determination Not to Review an Initial Determination Granting Return of Bond; Termination of Bond Return Proceeding; Certain Light-Emitting Diode Products, Fixtures, and Components Thereof

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission ("Commission") has determined not to review an initial determination ("ID") (Order No. 28) of the presiding administrative law judge ("ALJ"), granting a motion filed by RAB Lighting Inc. of Northvale, New Jersey ("RAB") seeking a return of its bond. The bond return proceeding is terminated.

FOR FURTHER INFORMATION CONTACT: Ronald A. Traud, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW,

Washington, DC 20436, telephone (202) 205-3427. Copies of non-confidential documents filed in connection with this investigation may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>. For help accessing EDIS, please email EDIS3Help@usitc.gov. General information concerning the Commission may also be obtained by accessing its internet server at <https://www.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on August 17, 2020, based on a complaint filed on behalf of Ideal Industries Lighting LLC d/b/a Cree Lighting ("Cree") of Durham, North Carolina. 85 FR 50047-48 (Aug. 17, 2020). The complaint, as supplemented, alleged violations of the Tariff Act of 1930, as amended, 19 U.S.C. 1337 ("section 337"), based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain light-emitting diode products, fixtures, and components thereof by reason of infringement of certain claims of U.S. Patent Nos. 8,403,531 ("the '531 patent"); 8,596,819 ("the '819 patent"); 8,777,449 ("the '449 patent"); 9,261,270 ("the '270 patent"); and 9,476,570 ("the '570 patent"). The complaint further alleged the existence of a domestic industry. The Commission's notice of investigation named RAB as the sole respondent. The Office of Unfair Import Investigations did not participate in the investigation.

On October 25, 2021, the Commission determined to review in part a final ID on violation issued by the presiding Administrative Law Judge. 86 FR 60071-72 (Oct. 29, 2021). The Commission determined not to review the final ID's finding of a violation of section 337 with respect to the '270 and '570 patents and finding of no violation with respect to the '449 patent.

On December 16, 2021, the Commission issued a final determination affirming the final ID's finding of no violation as to the '531 and '819 patents. 86 FR 72623-24 (Dec. 22, 2021). As a remedy for the finding of a violation with respect to the '270 and '570 patents, the Commission issued a limited exclusion order ("LEO") directed against RAB's infringing products and a cease and desist order ("CDO") directed against RAB. *Id.*

Cree and RAB each timely appealed the Commission's final determination to

the U.S. Court of Appeals for the Federal Circuit. The separate appeals were subsequently consolidated. On March 28, 2022, the Cree and RAB jointly moved to voluntarily dismiss their appeal and cross-appeal. *See Ideal Industries Lighting LLC v. ITC*, Appeal Nos. 2022–1484, –1501, Joint Stipulation for Voluntary Dismissal (Mar. 28, 2022). The Federal Circuit granted the motion and dismissed the appeals the following day. *See Ideal Industries Lighting LLC v. ITC*, Appeal Nos. 22–1484, –1501, Order (Fed. Cir. Mar. 29, 2022).

On April 8, 2022, Cree and RAB jointly petitioned to rescind the previously-issued LEO and CDO based on settlement pursuant to section 337(k) (19 U.S.C. 1337(k)) and Commission Rule 210.76(a) (19 CFR 210.76(a)). On May 6, 2022, the Commission granted the parties' petition and rescinded the remedial orders. 87 FR 29178–79 (May 12, 2022).

On April 13, 2022, RAB filed an unopposed motion seeking the return of bond paid by RAB under the CDO and LEO during the period of Presidential review to the Commission and U.S. Customs and Border Protection, respectively.

On May 18, 2022, the ALJ issued Order No. 28, the subject ID, granting the motion pursuant to Commission Rule 210.50(d)(3) (19 CFR 210.50(d)(3)). The ID finds that RAB satisfied the procedural requirements for the return of bond and that there is no reason to deny the motion.

No party filed a petition for review of the subject ID.

The Commission has determined not to review the subject ID.

The Commission vote for this determination took place on June 29, 2022.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: June 29, 2022.

Katherine Hiner,

Acting Secretary to the Commission.

BILLING CODE 7020–02–P

DEPARTMENT OF LABOR

Agency Information Collection Activities; Submission for OMB Review; Comment Request; Attestation for Employers Seeking To Employ H–2B Nonimmigrant Workers

ACTION: Notice of availability; request for comments.

SUMMARY: The Department of Labor (DOL) is submitting this Employment and Training Administration (ETA)-sponsored information collection request (ICR) to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995 (PRA). Public comments on the ICR are invited.

DATES: The OMB will consider all written comments that the agency receives on or before August 4, 2022.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

Comments are invited on: (1) whether the collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; (2) if the information will be processed and used in a timely manner; (3) the accuracy of the agency's estimates of the burden and cost of the collection of information, including the validity of the methodology and assumptions used; (4) ways to enhance the quality, utility and clarity of the information collection; and (5) ways to minimize the burden of the collection of information on those who are to respond, including the use of automated collection techniques or other forms of information technology.

FOR FURTHER INFORMATION CONTACT: Mara Blumenthal by telephone at 202–693–8538, or by email at DOL_PRA_PUBLIC@dol.gov.

SUPPLEMENTARY INFORMATION: This information collection request supports the Temporary Final Rule, Exercise of Time-Limited Authority to Increase the Fiscal Year 2022 Numerical Limitation for the H–2B Temporary Nonagricultural Worker Program and Portability Flexibility for H–2B Workers Seeking to Change Employers, which was promulgated by the Department of Labor and the Department of Homeland

Security (DHS). The regulatory requirements were codified at 8 CFR part 214 and 20 CFR part 655 and the information collection activities covered under Attestation for Employers Seeking to Employ H–2B Nonimmigrant Workers under Section 105 of Division O of the Consolidated Appropriations Act, 2021, Public Law 116–260, and Public Laws 117–43 and 117–70, Form ETA–9142–B–CAA–5 (Form ETA–9142–B–CAA–5), along with other requirements (e.g., recruitment efforts; recordkeeping requirements), covered under Office of Management and Budget (OMB) Control Number 1205–0549. DOL seeks to revise OMB 1205–0549 to eliminate the requirement that employers complete and submit the Form ETA–9142–B–CAA–5 to DHS, but extend the recordkeeping requirements for an additional three years. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on January 28, 2022 (87 FR 4722).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6.

DOL seeks PRA authorization for this information collection for three (3) years. OMB authorization for an ICR cannot be for more than three (3) years without renewal. The DOL notes that information collection requirements submitted to the OMB for existing ICRs receive a month-to-month extension while they undergo review.

Agency: DOL–ETA.

Title of Collection: Attestation for Employers Seeking to Employ H–2B Nonimmigrant Workers.

OMB Control Number: 1205–0549.

Affected Public: Private Sector—Businesses or other for-profits, not-for-profit institutions, and farms.

Total Estimated Number of Respondents: 1,226.

Total Estimated Number of Responses: 1,226.

Total Estimated Annual Time Burden: 307 hours.

Total Estimated Annual Other Costs Burden: \$0.

(Authority: 44 U.S.C. 3507(a)(1)(D))
