

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, we, the Office of Surface Mining Reclamation and Enforcement (OSMRE), are proposing to renew an information collection.

DATES: Interested persons are invited to submit comments on or before September 6, 2022.

ADDRESSES: Send your comments on this information collection request (ICR) by mail to Mark Gehlhar, Office of Surface Mining Reclamation and Enforcement, 1849 C Street NW, Room 4556–MIB, Washington, DC 20240, or by email to mgehlhar@osmre.gov. Please reference OMB Control Number 1029–0049 in the subject line of your comments.

FOR FURTHER INFORMATION CONTACT: To request additional information about this ICR, contact Mark Gehlhar by email at mgehlhar@osmre.gov, or by telephone at 202–208–2716. Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States. You may also view the ICR at <https://www.reginfo.gov/public/do/PRAMain>.

SUPPLEMENTARY INFORMATION: In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) and 5 CFR 1320.8(d)(1), we provide the general public and other Federal agencies with an opportunity to comment on new, proposed, revised, and continuing collections of information. This helps us assess the impact of our information collection requirements and minimize the public's reporting burden. It also helps the public understand our information collection requirements and provide the requested data in the desired format.

We are soliciting comments on the proposed ICR that is described below. We are especially interested in public comment addressing the following issues: (1) is the collection necessary to the proper functions of the agency; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the agency enhance the quality, utility, and clarity of the information to be collected; and (5) how might the agency minimize the burden of this collection on the respondents, including through the use of information technology.

Comments that you submit in response to this notice are a matter of public record. We will include or summarize each comment in our request to OMB to approve this ICR. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Abstract: This Part implements the requirements in Sections 510(b)(5) and 515(b)(10)(F) of the Surface Coal Mining and Reclamation Act of 1977 (the Act) to protect alluvial valley floors from the adverse effects of surface coal mining operations west of the 100th meridian. Part 822 requires the permittee to install, maintain, and operate a monitoring system to provide specific protection for alluvial valley floors. This information is necessary to determine whether the unique hydrologic conditions of alluvial valley floors are protected according to the Act.

Title of Collection: Special Permanent Program Performance Standards—Operations in Alluvial Valley Floors.

OMB Control Number: 1029–0049.

Form Number: None.

Type of Review: Extension of a currently approved collection.

Respondents/Affected Public: State and Tribal governments and businesses.

Total Estimated Number of Annual Respondents: 3.

Total Estimated Number of Annual Responses: 60.

Estimated Completion Time per Response: Varies 15 hours to 160 hours, depending on activity.

Total Estimated Number of Annual Burden Hours: 5,250.

Respondent's Obligation: Required to obtain or retain a benefit.

Frequency of Collection: One time.

Total Estimated Annual Nonhour Burden Cost: \$0.

An agency may not conduct or sponsor and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

The authority for this action is the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*).

Mark J. Gehlhar,

*Information Collection Clearance Officer,
Division of Regulatory Support.*

BILLING CODE 4310–05–P

INTERNATIONAL TRADE COMMISSION

[Investigation No. 337–TA–1284]

Certain Electronic Devices Having Wireless Communication Capabilities and Components Thereof; Notice of a Commission Determination Not To Review an Initial Determination Terminating the Investigation as to Blu Products, Inc.; Termination of the Investigation

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission (“Commission”) has determined not to review an initial determination (“ID”) (Order No. 23) of the presiding administrative law judge (“ALJ”), terminating the investigation as to respondent BLU Products, Inc. of Doral, Florida (“BLU”) based on a settlement agreement. Because BLU is the last remaining respondent, this investigation is terminated in its entirety.

FOR FURTHER INFORMATION CONTACT: Ronald A. Traud Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 205–3427. Copies of non-confidential documents filed in connection with this investigation may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>. For help accessing EDIS, please email EDIS3Help@usitc.gov. General information concerning the Commission may also be obtained by accessing its internet server at <https://www.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205–1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on November 2, 2021, based on a complaint filed on behalf of Bell Northern Research, LLC of Chicago, Illinois (“BNR”). 86 FR 60467 (Nov. 2, 2021). The complaint alleged a violation of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, based upon the importation into the United States, the sale for importation, and the sale within the United States after importation of certain electronic devices having wireless communication capabilities and components thereof by reason of infringement of certain claims of U.S. Patent Nos. 8,204,554; 7,319,889; RE 48,629; and 8,416,862. *Id.* at 60467–

68. The complaint further alleged that an industry in the United States exists as required by section 337. *Id.* The Commission's notice of investigation named the following as respondents: BLU; TCL Electronics Holdings Limited of Hong Kong; TCT Mobile (US) Inc. of Irvine, California; TTE Technology, Inc. of Corona, California; HMD Global Oy of Espoo, Finland; HMD America, Inc. of Miami, Florida; Lenovo Group Ltd. of Beijing, China; Lenovo (United States), Inc. of Morrisville, North Carolina; Motorola Mobility LLC of Chicago, Illinois; OnePlus Technology Co. Ltd. of Shenzhen, China; BBK Electronics Corp. of Dongguan, China; and Sonim Technologies, Inc. of Austin, Texas. *Id.* The Office of Unfair Import Investigations ("OUII") was named as a party in this investigation. *Id.*

On May 31, 2022, pursuant to Commission Rule 210.21(b) (19 CFR 210.21(b)), complainant BNR and respondent BLU filed a joint motion to terminate this investigation as to BLU based on a settlement agreement. On June 10, 2022, OUII filed a response supporting the motion.

On June 16, 2022, the ALJ issued Order No. 23, the subject ID, which granted the motion. The ID found that the motion complied with the Commission's Rules and that terminating the investigation as to BLU would not be contrary to the public interest. No petitions for review of the ID were filed.

The Commission has determined not to review the subject ID.

The investigation is hereby terminated as to BLU Products, Inc. of Doral, Florida. Because BLU is the last remaining respondent, this investigation is hereby terminated in its entirety.

The Commission vote for this determination took place on June 29, 2022.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: June 30, 2022.

Katherine Hiner,

Acting Secretary to the Commission.

BILLING CODE 7020-02-P

INTERNATIONAL TRADE COMMISSION

[Investigation No. 337-TA-1263]

Certain Televisions, Remote Controls, and Components Thereof Notice of Request for Submissions on the Public Interest

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that on June 28, 2022, the presiding administrative law judge ("ALJ") issued an Initial Determination on Violation of Section 337. The ALJ also issued a Recommended Determination on remedy and bonding should a violation be found in the above-captioned investigation. The Commission is soliciting submissions on public interest issues raised by the recommended relief should the Commission find a violation. This notice is soliciting comments from the public only.

FOR FURTHER INFORMATION CONTACT: Cathy Chen, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 205-2392. Copies of non-confidential documents filed in connection with this investigation may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>. For help accessing EDIS, please email EDIS3Help@usitc.gov. General information concerning the Commission may also be obtained by accessing its internet server at <https://www.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: Section 337 of the Tariff Act of 1930 provides that, if the Commission finds a violation, it shall exclude the articles concerned from the United States:

unless, after considering the effect of such exclusion upon the public health and welfare, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, and United States consumers, it finds that such articles should not be excluded from entry.

19 U.S.C. 1337(d)(1). A similar provision applies to cease and desist orders. 19 U.S.C. 1337(f)(1).

The Commission is soliciting submissions on public interest issues raised by the recommended relief should the Commission find a violation, specifically: a limited exclusion order

directed to certain televisions, remote controls, and components thereof imported, sold for importation, and/or sold after importation by respondents Universal Electronics, Inc., Gemstar Technology (Qinzhou) Co. Ltd., Gemstar Technology (Yangzhou) Co. Ltd., C.G. Development Ltd., Universal Electronics BV, and CG México Remote Controls, S. de R.L. de C.V. (collectively, "UEI"); Charter Communications, Inc., Charter Communications Operating, LLC, and Spectrum Management Holding Company, LLC (collectively, "Charter"); Altice USA, Inc., Cablevision Systems Corp., and Cequel Communications, LLC d/b/a Suddenlink Communications (collectively, "Altice"); and WideOpenWest, Inc. ("WOW"); and cease and desist orders directed to UEI, Charter, Altice, and WOW. Parties are to file public interest submissions pursuant to 19 CFR 210.50(a)(4).

The Commission is interested in further development of the record on the public interest in this investigation. Accordingly, members of the public are invited to file submissions of no more than five (5) pages, inclusive of attachments, concerning the public interest in light of the ALJ's Recommended Determination on Remedy and Bonding issued in this investigation on June 28, 2022. Comments should address whether issuance of the recommended remedial orders in this investigation, should the Commission find a violation, would affect the public health and welfare in the United States, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, or United States consumers.

In particular, the Commission is interested in comments that:

(i) explain how the articles potentially subject to the recommended remedial orders are used in the United States;

(ii) identify any public health, safety, or welfare concerns in the United States relating to the recommended orders;

(iii) identify like or directly competitive articles that complainant, its licensees, or third parties make in the United States which could replace the subject articles if they were to be excluded;

(iv) indicate whether complainant, complainant's licensees, and/or third-party suppliers have the capacity to replace the volume of articles potentially subject to the recommended orders within a commercially reasonable time; and

(v) explain how the recommended orders would impact consumers in the United States.
