**SUPPLEMENTARY INFORMATION:** Section 308 of the Workforce Innovation and Opportunity Act authorizes this information collection. The Occupational Information Network (O\*NET) system classifies nearly all jobs in the United States economy. However, new specializations are constantly evolving and emerging. The Occupational Code Assignment form (ETA 741) was developed as a public service to the users of O\*NET in an effort to help them in obtaining occupational codes and titles for jobs that they are unable to locate in O\*NET. The use of the OCA is voluntary and is provided: (1) as a uniform format to the public and private sector to submit information in order to receive assistance in identifying an occupational code; (2) to assist the O\*NET system in identifying potential occupations that may need to be included in future O\*NET data

collection efforts; and (3) to provide input to a database of alternative (lay) titles to facilitate searches for occupational information in the O\*NET websites. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on April 6, 2022 (87 FR 19975).
