Office of Public Participation
Fundamentals for Participating in
FERC Matters; Notice of Virtual
Workshop: Workshop on Filing
Comments

Take notice that the Federal Energy Regulatory Commission (Commission) staff, will convene, in the above-referenced proceeding, a virtual workshop on August 30, 2022, from 2:00 p.m. to 3:00 p.m. Eastern time, to discuss how members of the public including consumers and consumer advocates can file comments on the record using FERC's eFiling and

eComment online applications. The workshop will be held remotely.

The workshop will include video demonstrations of steps involved in filing a comment, followed by a presentation of useful tips for using the Commission's online applications and a question-and-answer portion of the workshop. The workshop will provide information on the commenting process to facilitate increased public participation in Commission processes and decision-making.

The workshop will be open for the public to attend, and there is no fee for attendance. Further details on the agenda, can be found on the FERC's Office of Public Participation website. Information on this technical workshop will also be posted on the Calendar of Events on the Commission's website, www.ferc.gov, prior to the event.

The workshop will be accessible under section 508 of the Rehabilitation Act of 1973. For accessibility accommodations, please send an email to accessibility@ferc.gov or call toll free 1-866-208-3372 (voice) or 202-502-8659 (TTY) or send a FAX to 202-208-2106 with the required accommodations.

For more information about the workshop, please contact Yewande Bayly of the Commission's Office of Public Participation at 202-502-6595 or send an email to OPP@ferc.gov.

[Docket No. CP22-468-000]

Trailblazer Pipeline Company, LLC,
Rockies Express Pipeline, LLC; Notice
of Scoping Period Requesting
Comments on Environmental Issues
for the Proposed Trailblazer
Conversion Project

The staff of the Federal Energy Regulatory Commission (FERC or Commission) will prepare an environmental document, that will discuss the environmental impacts of the Trailblazer Conversion Project (Project) involving abandonment in-place, construction, and operation of facilities by Trailblazer Pipeline Company, LLC (TPC) and Rockies Express Pipeline, LLC (REX) in Weld, Logan, and Sedgwick Counties, Colorado; and Kimball, Franklin, Webster, Jefferson, Perkins, Lincoln, Kearney, Fillmore, Adams, and Saline Counties, Nebraska. The Commission will use this environmental document in its decision-making process to determine whether the project is in the public convenience and necessity.

This notice announces the opening of the scoping process the Commission will use to gather input from the public and interested agencies regarding the project. As part of the National Environmental Policy Act (NEPA) review process, the Commission takes into account concerns the public may have about proposals and the environmental impacts that could result from its action whenever it considers the issuance of a Certificate of Public Convenience and Necessity to construct and an authorization to abandon gas

⁴ Burden is the total time, effort, or financial resources expended by persons to generate, maintain, retain, disclose, or provide information to a Federal agency. For further explanation of what

is included in the information collection burden, refer to 5 Code of Federal Regulations 1320.3.

⁵ FERC staff estimates that industry costs for salary plus benefits are similar to Commission

costs. The cost figure is the FY2021 FERC average annual salary plus benefits (\$180,702/year or \$87/hour).
