

applicable deadline. Commerce intends to place the CBP data on the record within five days of publication of the initiation notice. Comments regarding the CBP data and respondent selection should be submitted within seven days after placement of the CBP data on the record of the relevant inquiry.

Suspension of Liquidation

Pursuant to 19 CFR 351.226(l)(1), when Commerce self-initiates a circumvention inquiry under 19 CFR 351.226(b), Commerce will notify U.S. Customs and Border Protection (CBP) of the initiation and direct CBP to continue the suspension of liquidation of entries of products subject to the circumvention inquiry that were already subject to the suspension of liquidation, and to apply the cash deposit rate that would be applicable if the product were determined to be circumventing the order. Accordingly, Commerce will notify CBP of the initiation of the circumvention inquiry and direct CBP to continue to suspend (unliquidated) entries of the products subject to the circumvention inquiry that were already subject to the suspension of liquidation. In addition, Commerce will direct CBP to apply the cash deposit rate that would be applicable if the products were determined to be circumventing the *Orders*.

Should Commerce issue preliminary or final circumvention determinations, Commerce will follow the suspension of liquidation rules under 19 CFR 351.226(l)(2)–(4). In the event Commerce issues affirmative preliminary or final circumvention determinations that the products are circumventing the *Orders*, Commerce will instruct CBP to continue the suspension of liquidation of previously suspended entries and to apply the applicable cash deposit rate. Commerce will also instruct CBP to begin the suspension of liquidation and application of cash deposits for any unliquidated entries not yet suspended, entered, or withdrawn from warehouse, for consumption, on or after the date of publication of the notice of initiation of the circumvention inquiry pursuant to paragraphs (l)(2)(ii) and (l)(3)(ii). In addition, pursuant to paragraphs (l)(2)(iii)(A) and (l)(3)(iii)(A), Commerce may instruct CBP to begin the suspension of liquidation and application of cash deposits for any unliquidated entries not yet suspended, entered, or withdrawn from warehouse, for consumption, prior to the date of initiation of the circumvention inquiry, but not for such entries prior to November 4, 2021, the effective date of

these provisions in the *Final Rule*.¹⁰ These rules will not affect CBP's authority to take any additional action with respect to the suspension of liquidation or related measures for these entries, as stated in 19 CFR 351.226(l)(5).

Notification to Interested Parties

In accordance with section 19 CFR 351.226(b) and 781(b) of the Act, Commerce determines that available information supports initiating circumvention inquiries to determine whether certain imports of aluminum foil, assembled and completed in, and exported from, Korea and Thailand using inputs manufactured in China, are circumventing the *Orders*. Accordingly, Commerce is notifying all interested parties of the initiation of circumvention inquiries. In addition, we have included a description of the products that are the subject of these inquiries, and an explanation of the reasons for Commerce's decision to initiate these inquiries as provided above and in the accompanying Initiation Memorandum.

In accordance with 19 CFR 351.226(l)(2), if Commerce issues preliminary affirmative determinations, we will then instruct CBP to suspend liquidation and require a cash deposit of estimated antidumping and countervailing duties, at the applicable rate, for each unliquidated entry of the merchandise at issue, entered or withdrawn from warehouse for consumption on or after the date of initiation of the inquiries. Commerce intends to issue its final determinations within 300 days from the date of publication of the notice of initiation of a circumvention inquiry in the **Federal Register**.

This notice is published in accordance with 19 CFR 351.226(b) and section 781(b) of the Act.

Dated: July 11, 2022.

Lisa W. Wang,

Assistant Secretary for Enforcement and Compliance.

Appendix

Scope of the Orders

The merchandise covered by the orders is aluminum foil having a thickness of 0.2 mm or less, in reels exceeding 25 pounds, regardless of width. Aluminum foil is made from an aluminum alloy that contains more than 92 percent aluminum. Aluminum foil may be made to ASTM specification ASTM B479, but can also be made to other specifications. Regardless of specification,

however, all aluminum foil meeting the scope description is included in the scope, including aluminum foil to which lubricant has been applied to one or both sides of the foil.

Excluded from the scope of the orders is aluminum foil that is backed with paper, paperboard, plastics, or similar backing materials on one side or both sides of the aluminum foil, as well as etched capacitor foil and aluminum foil that is cut to shape.

Where the nominal and actual measurements vary, a product is within the scope if application of either the nominal or actual measurement would place it within the scope based on the definitions set forth above. The products under the orders are currently classifiable under Harmonized Tariff Schedule of the United States (HTSUS) subheadings 7607.11.3000, 7607.11.6000, 7607.11.9030, 7607.11.9060, 7607.11.9090, and 7607.19.6000. Further, merchandise that falls within the scope of these proceedings may also be entered into the United States under HTSUS subheadings 7606.11.3060, 7606.11.6000, 7606.12.3045, 7606.12.3055, 7606.12.3090, 7606.12.6000, 7606.91.3090, 7606.91.6080, 7606.92.3090, and 7606.92.6080.

Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of the orders is dispositive.

Agency Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request; Interim Procedures for Considering Requests Under the Commercial Availability Provision of the United States-Panama Trade Promotion Agreement

On behalf of the Committee for the Implementation of Textile Agreements (CITA), the Department of Commerce will submit the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995, on or after the date of publication of this notice. We invite the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. Public comments were previously requested via the **Federal Register** on April 29, 2022, during a 60-day comment period. This notice allows for an additional 30 days for public comments.

Agency: Committee for the Implementation of Textile Agreements.

Title: Interim Procedures for Considering Requests under the Commercial Availability Provision of the United States-Panama Trade Promotion Agreement.

OMB Control Number: 0625–0273.

Form Number(s): None.

Type of Request: Regular submission, extension of a current information collection.

Number of Respondents: 16 (10 for Requests; 3 for Responses; 3 for Rebuttals).

Average Hours per Response: 8 hours per Request; 2 hours per Response; and 1 hour per Rebuttal.

Burden Hours: 89.

Needs and Uses: Title II, Section 203(o) of the United States-Panama Trade Promotion Agreement Implementation Act (the “Act”) [Pub. L. 112–43] implements the commercial availability provision provided for in Article 3.25 of the United States-Panama Trade Promotion Agreement (the “Agreement”). The Agreement entered into force on October 31, 2012. Subject to the rules of origin in Annex 4.1 of the Agreement, and pursuant to the textile provisions of the Agreement, a fabric, yarn, or fiber produced in Panama or the United States and traded between the two countries is entitled to duty-free tariff treatment. Annex 3.25 of the Agreement also lists specific fabrics, yarns, and fibers that the two countries agreed are not available in commercial quantities in a timely manner from producers in Panama or the United States. The items listed in Annex 3.25 are commercially unavailable fabrics, yarns, and fibers. Articles containing these items are entitled to duty-free or preferential treatment despite containing inputs not produced in Panama or the United States.

The list of commercially unavailable fabrics, yarns, and fibers may be changed pursuant to the commercial availability provision in Chapter 3, Article 3.25, Paragraphs 4–6 of the Agreement. Under this provision, interested entities from Panama or the United States have the right to request that a specific fabric, yarn, or fiber be added to, or removed from, the list of commercially unavailable fabrics, yarns, and fibers in Annex 3.25 of the Agreement.

Pursuant to Chapter 3, Article 3.25, paragraph 6 of the Agreement, which

requires that the President publish procedures for parties to exercise the right to make these requests, Section 203(o)(4) of the Act authorizes the President to establish procedures to modify the list of fabrics, yarns, or fibers not available in commercial quantities in a timely manner in either the United States or Panama as set out in Annex 3.25 of the Agreement. The President delegated the responsibility for publishing the procedures and administering commercial availability requests to the Committee for the Implementation of Textile Agreements (“CITA”), which issues procedures and acts on requests through the U.S. Department of Commerce, Office of Textiles and Apparel (“OTEXA”) (See Proclamation No. 8894, 77 FR 66507, November 5, 2012).

The intent of the Commercial Availability Procedures is to foster the use of U.S. and regional products by implementing procedures that allow products to be placed on or removed from a product list, in a timely manner, and in a manner that is consistent with normal business practice. The procedures are intended to facilitate the transmission of requests; allow the market to indicate the availability of the supply of products that are the subject of requests; make available promptly, to interested entities and the public, information regarding the requests for products and offers received for those products; ensure wide participation by interested entities and parties; allow for careful review and consideration of information provided to substantiate requests and responses; and provide timely public dissemination of information used by CITA in making commercial availability determinations.

CITA must collect certain information about fabric, yarn, or fiber technical specifications and the production capabilities of Panamanian and U.S. textile producers to determine whether certain fabrics, yarns, or fibers are available in commercial quantities in a timely manner in the United States or Panama, subject to Section 203(o) of the Act.

Affected Public: Business or other for-profit.

Frequency: Varies.

Respondent’s Obligation: Voluntary.

Legal Authority: Title II, Section 203(o) of the United States-Panama Trade Promotion Agreement

Implementation Act (the “Act”) [Pub. L. 112–43].

This information collection request may be viewed at www.reginfo.gov. Follow the instructions to view the Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function and entering either the title of the collection or the OMB Control Number 0625–0273.
