

The change to our delivery procurement strategy is being made in response to substantial delivery network and route optimization improvements to the postal delivery network. As such, the SEIS will analyze the potential environmental impacts to the delivery fleet from the new Preferred Alternative, including the extent to which we expect the network improvements, changed route length and characteristics, and improved facility electric infrastructure will result in a significant increase in the minimum number of BEV NGDVs and COTS to be procured under the SEIS Preferred Alternative.

The Postal Service actively seeks input from the public, interested persons, organizations, and federal, state, and regional agencies to identify environmental concerns and potential alternatives to be addressed in the SEIS and will continue to accept public comments until August 15, 2022. With respect to recommendations regarding potential alternatives, the Postal Service requests that comments be as specific as possible regarding vehicle type, model, and manufacturer so that the Postal Service might fully consider the alternative in terms of pricing, operational capabilities, and market availability.

Comments should be received no later than August 15, 2022. The Postal Service will also publish a Notice of Availability to announce the availability of the Draft SEIS and solicit comments on the Draft SEIS during a second 45-day public comment period.

Interested parties may direct comments and questions to: Mr. Davon Collins, Environmental Counsel, United States Postal Service, 475 L'Enfant Plaza SW, Office 6606, Washington, DC 20260-6201, or at NEPA@usps.gov. Note that comments sent by mail may be subject to delay due to federal security screening. Faxed comments are not accepted. All submitted comments and attachments are part of the public record and subject to disclosure. Do not enclose any material in your comments that you consider to be confidential or inappropriate for public disclosure.

The Postal Service will also conduct a virtual public hearing on Monday, August 8, 2022, at 7 p.m. (ET).
