Under the TTB regulations in 27 CFR part 24, and specific to this collection, a transferee uses information provided by the wine producer to take the appropriate tax credit on behalf of the producer, and the producer uses the information to monitor its own tax payments to ensure it does not exceed the authorized credits. During field audits, TTB uses the collected information to verify excise tax computations, and to ensure that wines claimed for this credit were lawfully produced, stored, shipped, and transferred. As such, the collected information is necessary to ensure the tax provisions of the IRC are appropriately applied.
